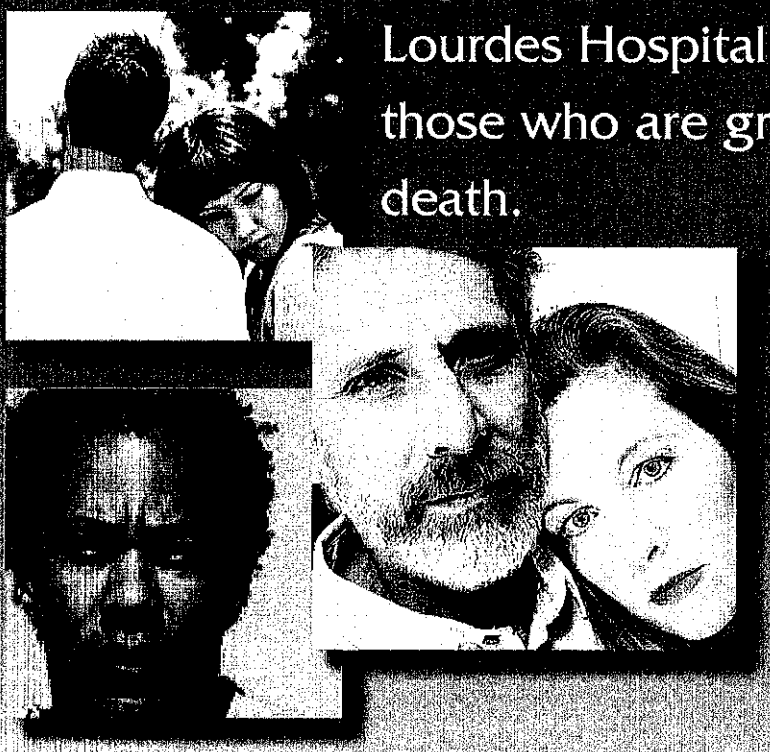
Death from an Overdose Recovery and Support Group



Lourdes Hospital offers a support group for those who are grieving a substance-related death.

The group is led by certified social workers and will help address the unique challenges and emotions associated with this type of grief.

The support group begins Tuesday, May 17
and continues each Tuesday
from 5:30 - 7:00pm for 6 weeks.

Lourdes Center for Mental Health
184 Court Street, Binghamton

Registration is required.
Call 584-3110 if you have questions or to register.
