AGREEMENT

WHEREAS, Chapter 392 of the Laws of 1967 (hereinafter referred to as the Taylor Law) empowers the County of Broome, hereinafter referred to as "Public Employer", to recognize employee organizations for the purpose of negotiating collectively in the determination of, and administration of grievances arising under, the terms and conditions of employment of public employees as more particularly provided and set forth in said Chapter, and to negotiate and enter into written agreements with such employee organizations in determining such terms and conditions of employment; and

WHEREAS, the Taylor Law further provides that when an employee organization has been certified or recognized pursuant to the provisions thereof, the Public Employer shall be, and hereby is, required to negotiate collectively with such employee organization in the determination of, and administration of grievances arising under, the terms and conditions of employment of the public employees as provided therein, and to negotiate and enter into written agreements with such employee organizations in determining such terms and conditions of employment; and

WHEREAS, The Broome Administrative and Professional Association, hereinafter referred to as "BAPA" has been recognized by the Public Employer as such an employee organization for those employees hereinafter defined;

NOW, THEREFORE, pursuant to and in consideration of the above and the mutual covenants herein contained, it is stipulated and agreed, as follows:

ARTICLE 1 - PURPOSE

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly, harmonious and cooperative labor relations for the mutual benefit of the Public Employer and BAPA.

ARTICLE 2 - APPLICABLE LAW

- 1) If any provision of this Agreement is, or shall at any time hereafter, be held contrary to law by a court of competent jurisdiction, then such a provision shall not be applicable, performed or enforced, except to the extent permitted by law.
- 2) If any provision of this Agreement is, or shall at any time thereafter, be contrary to law, all remaining provisions of this Agreement shall continue in effect.
- 3) The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of the terms and conditions herein.

ARTICLE 3 - RECOGNITION

- 1) The Public Employer recognizes BAPA as the sole and exclusive representative of those County employees occupying positions listed on Appendix A attached hereto. The County shall maintain an accurate list of all positions covered by this Unit, and BAPA will be advised of the creation of additional positions with duties and responsibilities similar to those of this Unit.
- 2) The County shall notify the BAPA President when a BAPA position is approved by the County Legislature. This notification shall not entitle the union to dispute the classification or grade of any County position.
- 3) Four times a year the County shall provide a listing of all employees covered by this agreement. The listing shall include the employee's name, home address, title, department, membership status and date of first employment with the County.

ARTICLE 4 - NO STRIKE PLEDGE

BAPA affirms that it does not assert any right to engage in a strike against the Public Employer or to cause, instigate, encourage or condone a strike or to impose any obligation upon its members to cause, instigate, encourage or condone a strike.

ARTICLE 5 - BAPA EXECUTIVE BOARD MEETINGS

- 1) The County shall recognize the fact that it may be necessary for the duly elected Executive Board of BAPA to hold meetings during normal working hours. It is therefore agreed that the County will allow each calendar year a maximum of twenty-five (25) hours total for all Executive Board members to attend such meetings. The BAPA Executive Board members will be allowed a reasonable amount of leave with pay away from regular duties in order to carry out the functions of the Board. Leave for the Executive Board members to attend to duties on behalf of BAPA shall not be deducted from the total of 25 hours as herein above provided. Before taking such leave the Board members will confirm their whereabouts with the Department Head (or designee), and such leave shall not disrupt the normal business of the Department(s).
- 2) Where there is appropriate available meeting space in buildings owned or leased by the County, it shall be available from time to time to the Broome Administrative & Professional Association for specific meetings. Requests for such space shall be made in advance, pursuant to County rules for use of such space by the general public.

ARTICLE 6 - DUES DEDUCTIONS

- 1) The Public Employer will deduct from the wages of employees represented by BAPA from whom it has received written authorization to do so, the required amount of membership dues and other authorized deductions. All amounts deducted by the Public Employer in accordance with this Article will be remitted to BAPA on a regular monthly basis. The revocation rights of an employee relating to payroll deductions are recognized by BAPA under this Agreement in accordance with applicable New York State Law.
- 2) No employees must join the Union as a condition of employment, but all employees who are Union members at the commencement of this Agreement must maintain their membership for the duration of the said Agreement. All employees hired after the date of Union ratification of the contract must pay the agency fee for the life of the contract. Any member wishing to withdraw from the Union may do so without penalty by notifying the Business Agent and the Commissioner of Finance during the last 60 days of this Agreement.

ARTICLE 7 - SIMPLIFIED GRIEVANCE PROCEDURE

- 1) The Public Employer and BAPA acknowledge the necessity for a simplified grievance procedure to handle the administration of grievances as defined hereunder.
- 2) The term "grievance" shall mean any claimed violation, misinterpretation or inequitable application of the terms and conditions of employment specifically covered by one or more of the provisions of this Agreement, provided, however, that such terms shall not include additions of new positions or the discontinuance of existing positions, retirement benefits, disciplinary action, promotions, transfers, assignments or demotions of employees.
- 3) The provisions of this Article shall not circumscribe the right and privilege of any employee to initiate a grievance proceeding under the General Municipal Law.

STEP 1 The employee may discuss a situation with the immediate supervisor with or without Union representation. If the employee determines that a Grievance exists, the employee may file a written grievance with the supervisor within 15 business days of the knowledge of the alleged grievance dispute. The supervisor must respond to the grievance within 10 days.

STEP 2 If the employee is not satisfied with the response of the immediate supervisor, he/she may submit a written request for further consideration of the matter to the department head. The department head shall meet with the employee and the Union to hear the facts. The department head shall issue a decision to the parties within 30 days.

STEP 3 If the employee is still not satisfied with the response of the department head, he/she may, within 15 business days of receipt of the Step 2 response, submit a grievance to the Personnel Officer or designee. The Personnel Officer or their designee shall meet with the Union to hear the facts. The Personnel Officer or designee shall issue a written decision to the parties within 30 days.

STEP 4 If the grievance is not settled at Step 3, BAPA no later than 15 business days after a decision under Step 3, may request arbitration, under the terms and procedures of NYS PERB. Such expense as is necessary will be borne equally by the parties. The decision of the arbitrator shall be final and binding.

NOTE; No arbitrator functioning under this grievance procedure shall have any power to amend, modify or delete any provisions of this agreement.

- 4) A BAPA representative shall be allowed reasonable time to process the grievance.
- 5) The time limits set forth in this Article may be extended by mutual consent in writing by the County and the Union.

ARTICLE 8 - MANAGEMENT RIGHTS

Recognizing that an area of responsibility must be reserved to management if it is to function effectively, the following responsibilities are not subject to collective bargaining and management representatives of the department, unless specifically modified by a subsequent section of this Agreement, shall retain the exclusive right to:

- 1) Leave because of extended illness. When an employee has exhausted all of his/her paid leave credits, and is still incapacitated and unable to perform the duties of his/her position, or if the attending physician has recommended a period of rest and convalescence, the Department Head may grant leave of absence without pay for a period not to exceed one year. Broome County recognizes the Family and Medical Leave Act (FMLA) of 1993, which provides up to 12 weeks of unpaid leave in a 12-month period for qualifying employees.
- 2) Leave for educational purposes. On the approval of the Personnel Committee, permanent employees may be granted leave of absence without pay for the period of one year for the purpose of acquiring additional education and training that will increase the usefulness and efficiency of the employee in his/her position.
- 3) Leave of absence to service in another position in County service. Leave of absence without pay not to exceed one year may be granted to a permanent employee in the competitive class to enable such employee to serve temporarily or provisionally in another position in the competitive class. In an exceptional case, an extension of this leave of absence for an additional one-year period may be granted by the Department of Personnel on the recommendation of any department head official. Such leaves do not require the approval of the Personnel Committee.
- 4) When an employee is absent without authorized leave for a period of five (5) workdays, with the exception of proven illness, such absence shall be deemed to constitute a resignation, effective on the date of the commencement of such absence. The failure of the employee to return to his/her position within five (5) work days following the expiration of a leave of absence, or extension thereof, shall constitute a resignation which, for purpose of determining eligibility for reinstatement, shall be deemed to be effective as of the date of the commencement of such leave of absence. Nothing herein shall be deemed to excuse the unauthorized absence of an employee or his/her failure to return to his/her position upon the expiration of an authorized leave of absence, and any such failure may be regarded as misconduct in an appropriate disciplinary proceeding.
- 5) The maximum amount of leave shall be one (1) year, unless the Personnel Committee specifically votes to extend the leave. Any extensions voted by the Personnel Committee shall be at their sole discretion.

- 6) An employee on a medical leave of absence, collecting sick bank benefits or workers' compensation benefits, shall not maintain outside employment in the same or similar capacity as his/her position with the County.

- 13) When the spouse accompanies a County employee, the amount of room charges allowable shall be computed on the basis of the ordinary single-room charge allowable to County employees who are not so accompanied by a spouse.
- 14) Actual and necessary charges for meals shall be allowed. These may include a reasonable tip and, when claiming reimbursement, need not be claimed separately.
- 15) Emergency repair work only shall be authorized on County cars while out of the County. In claiming reimbursement, an explanation of the reason for such repair work should be given.
