AGREEMENT

WHEREAS, Chapter 392 of the Laws of 1967 (hereinafter referred to as the Taylor Law) empowers the County of Broome, hereinafter referred to as "Public Employer", to recognize employee organizations for the purpose of negotiating collectively in the determination of, and administration of grievances arising under, the terms and conditions of employment of public employees as more particularly provided and set forth in said Chapter, and to negotiate and enter into written agreements with such employee organizations in determining such terms and conditions of employment; and

WHEREAS, the Taylor Law further provides that when an employee organization has been certified or recognized pursuant to the provisions thereof, the Public Employer shall be, and hereby is, required to negotiate collectively with such employee organization in the determination of, and administration of grievances arising under, the terms and conditions of employment of the public employees as provided therein, and to negotiate and enter into written agreements with such employee organizations in determining such terms and conditions of employment; and

WHEREAS, the Civil Service Employees Association, Inc., Local 1000 AFSCME, AFL-CIO, by the Broome County Unit hereinafter referred to as "CSEA" has been recognized by the Public Employer as such an employee organization for those employees hereinafter defined;

NOW, THEREFORE, pursuant to and in consideration of the above and the mutual covenants herein contained, it is stipulated and agreed, as follows:

ARTICLE 1 - PURPOSE

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly, harmonious and cooperative labor relations for the mutual benefit of the Public Employer and CSEA.

ARTICLE 2 - APPLICABLE LAW

If any provision of this Agreement is, or shall at any time hereafter, be held contrary to law by a court of competent jurisdiction, then such a provision shall not be applicable, performed or enforced, except to the extent permitted by law.

If any provision of this Agreement is, or shall at any time thereafter, be contrary to law, all remaining provisions of this Agreement shall continue in effect.

The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of the terms and conditions herein.

Neither the County nor the Union shall discriminate against any employee covered by this agreement because of race, creed, color, national origin, age, sex or marital status.

ARTICLE 3 - RECIPROCAL RIGHTS

The Public Employer recognizes the rights of public employees to be represented by CSEA for the purpose of negotiating collectively with the Public Employer in the determination of terms and conditions of employment and the administration of grievances arising there-under.

CSEA recognizes the right of the Public Employer to retain and reserve unto itself all rights, powers, authority, duties and responsibilities conferred upon and vested in it by the Laws and Constitution of the State of New York and/or the United States of America.

The exercise of these rights, powers, authority, duties and responsibilities by the Public Employer and the adoption of such rules, regulations and policies as it may deem necessary will, as they apply to the employees covered by this Agreement and represented by CSEA, be limited only by the specific and expressed terms of this Agreement.

It is understood by the parties hereto that some portions of the County operations are comparatively small and scattered, and that several different kinds of work are performed, in many cases, by the same person; and that reasonable flexibility in interpreting the provisions of this Agreement is applied, so that the Public Employer can meet the requirements of its special operating conditions.

It is mutually understood and agreed by both parties to this Agreement that the management of the County operation and the direction of the working forces, including the right to determine standards of service to be offered by various agencies and to regulate work schedules, to hire, suspend, discharge for proper cause, promote, demote and transfer and other rights to relieve employees from duty because of lack of work or for other proper and legitimate reasons is vested and reserved in the Public Employer, subject to the limitations provided in the law and this Agreement.

Rights of CSEA. The CSEA shall have the sole and exclusive right with respect to other employee organizations to represent all employees in the heretofore defined negotiating unit in any and all proceedings under the Public Employees Fair Employment Act; under any other applicable law, rule, regulation or statute, under the terms and conditions of this Agreement; to designate its own representatives and to appear before any appropriate official of the employer to effect such representation; to direct, manage and govern its own affairs; to determine those matters which the membership wishes to negotiate and to pursue all such objectives free from any interference, restraint, coercion or discrimination by the employer or any of its agents. The CSEA shall have the sole and exclusive right to pursue any matter or issue, including but not limited to the grievance and appeal procedure in this Agreement, and to pursue any matter or issue to any court of competent jurisdiction, whichever is appropriate.

RIGHTS OF EMPLOYEES:

1. Any employee covered by the provisions of this Agreement shall be free to join or refrain from joining the CSEA without fear of coercion, reprisal or penalty from the CSEA or the employer.

2. Employees may join and take an active role in the activities of CSEA without fear of any kind of reprisals from the employer on its agents.

Adhering to the principle that duties and obligations come with rights and privileges, the CSEA agrees to do its utmost to see that its members perform their respective duties in County service loyally, efficiently and continuously under the terms of this Agreement. The CSEA and its members will endeavor to protect the interest of the County and the community, to conserve its property and to give service of the highest quality.

ARTICLE 4 - RECOGNITION

The Public Employer recognizes CSEA as the sole and exclusive representative of all County employees with the following exceptions:

1. Employees who are elected;
2. Supervising and confidential employees appearing on Exhibit A annexed hereto and incorporated herein;
3. Employees who occupy a temporary budget line item (1600 line) in the County Budget and those employees occupying a permanent salary Budget line (1500 line) working on a less than half-time basis.
4. All employees in the following departments, except clerical personnel:
 - a. Highway Division
 - b. Buildings & Grounds Division (except Animal Control)
 - c. Department of Parks & Recreation (maintenance personnel)
 - d. Department of Public Transportation
 - e. Solid Waste / Landfill
5. Employees at Broome Community College
6. Employees of the Sheriffs Department (except civilian personnel)
7. Seasonal employees are excluded from coverage under this agreement and therefore are not entitled to any benefits as provided herein

COVERED EMPLOYEES:

1. Full-time Regular (1000 line) - Employees who work 37.5 or 40 hours/week, and have been appointed from a civil service list, on a permanent basis or are in an unclassified, non-competitive, labor or exempt class position where there is an expectation of continuing employment.
2. Part-time Regular (1500 line)- Employees working at least 18-3/4 hours/week but less than full-time in a position with a full-time equivalent of 37.5 hours per week or 20 hours per week but less than full-time in a position with a full-time equivalent of 40 hours per week and who are serving in positions as described in (1).

ARTICLE 5 - NO STRIKE PLEDGE

CSEA affirms that it does not assert any right to engage in a strike against the Public Employer or to cause, instigate, encourage or condone a strike or to impose any obligation upon its members to cause, instigate, encourage or condone a strike.

ARTICLE 6 - DUES DEDUCTIONS

The Public Employer will deduct from the wages of employees represented by CSEA from whom it has received written authorization to do so, the required amount of membership dues and other authorized deductions. All amounts deducted by the Public Employer in accordance with this Article will be remitted to CSEA on a regular monthly basis, and sent to CSEA, Inc. Capitol Station, Box 7125, Albany, N.Y. 12224. If the employee has no earnings due for that paycheck, CSEA shall be responsible for collecting said dues. CSEA will give the County 30 days notice of any change in the amount of dues to be deducted. The revocation rights of an employee relating to payroll deductions are recognized by CSEA under this Agreement in accordance with applicable New York State Law.

ARTICLE 7 - SIMPLIFIED GRIEVANCE PROCEDURE

The Public Employer and CSEA acknowledge the necessity for a simplified grievance procedure to handle the administration of grievances as defined hereunder.

The term "grievance" shall mean any claimed violation, misinterpretation or inequitable application of the terms and conditions of employment specifically covered by one or more of the provisions of this agreement, provided, however, that such terms shall not include additions of new positions or the discontinuance of existing positions, retirement benefits, disciplinary action, promotions, transfer or assignments of employees.

The provisions of this Article shall not circumscribe the right and privilege of any employee to initiate a grievance proceeding under the General Municipal Law.

STEP 1. The employee, with or without representation of CSEA, may discuss a situation with the immediate supervisor, the department head or the Personnel Officer. If the employee determines that a grievance does exist, the employee, with or without the representation of CSEA, shall discuss the grievance with the immediate supervisor at the earliest possible time convenient to both, but in any event within 90 days of the knowledge of the alleged grievance or dispute. The grievance procedure set forth herein shall be available to an employee provided that it is initiated within 90 days of the knowledge of the alleged grievance or dispute. Nothing in this step shall preclude the CSEA from filing a grievance on behalf of more than one (1) employee.

STEP 2. If the grievance is not settled at Step 1 to the satisfaction of the employee within two (2) working days, it will thereafter be submitted in the form of a written statement by the CSEA representative to the employee's department head. The written statement shall be signed by the employee involved and shall contain a concise statement of the nature of the grievance and reference to the section or sections of this agreement claimed violated.

STEP 3. If the grievance is not settled at Step 2 to the satisfaction of CSEA within five (5) working days, the grievance may thereafter be referred to the President of CSEA, who may submit an appeal on the agenda to the Public Employer. A meeting between two (2) representatives of CSEA and two (2) representatives of the Public Employer will be arranged to discuss the grievance or grievances, appearing on the agenda, within five (5) working days from the date the agenda is received by the Public Employer. If a

decision is not presented in writing to CSEA as a result of this conference within 15 days, the County hereby agrees that it will pay the total cost of any arbitration proceedings arising thereof.

The Public Employer representatives shall be the County Executive, or some County official that he may designate.

STEP 4. If the grievance is not settled at Step 3, CSEA no later than fifteen (15) working days after a decision under Step 3, may request arbitration, under the terms and procedures of the New York State Public Employees Relations Board. Such expense as is necessary will be borne equally by the parties hereto. The decision of the arbitrator shall be final and binding.

No arbitrator functioning under this step of the simplified grievance procedure shall have any power to amend, modify, or delete any provisions of this agreement.

If any employee chooses the legal rather than the grievance procedure, the grievance shall be considered settled by the legal decision and not subject to consideration under this grievance procedure. If the grievance is processed under this grievance procedure outlined here, the determination shall be binding on the parties and not subject to legal interpretation.

ARTICLE 8 - DISCIPLINARY ACTIONS

1. The provisions of Section 75 of the Civil Service Law and the alternate procedure in paragraph three of this article, shall apply to all employees in subdivision 1 of Section 75 and to employees in the noncompetitive and labor classifications after the completion of a two-year period of employment.
2. Employee Rights. Unless an employee timely elects the alternate procedure as provided in this Article, such employee and the County shall be subject to and governed by Section 75 and Section 76 of the Civil Service Law, and the employees shall be deemed to have waived all alternate procedures. An employee shall have the following rights:
 - (a) An employee shall be entitled to CSEA representation at each step of a disciplinary proceeding brought pursuant to Section 75 of the Civil Service Law and the Alternate Procedure in paragraph three of this Article.
 - (b) No employee shall be required by the employer to submit to an interrogation after charges under Section 75 or the Alternate Procedure in paragraph three have been served unless he/she is afforded the opportunity of having a CSEA representative present.
 - (c) No recording devices of any kind shall be used during such interrogation unless the employee is made aware of the fact prior to such interrogation.
 - (d) An employee shall not be coerced or intimidated or suffer any reprisals either directly or indirectly that may adversely affect his/her hours, wages or working conditions as the result of the exercise of his rights under his Article.

3. In lieu of the procedures and rights contained in Section 75 and Section 76 of the Civil Service Law, an employee may elect to proceed under the following provisions.
- (a) The hearing upon charges shall be held by a person designated from a panel of arbitrators provided by PERB in accordance with PERB rules of procedure. Upon the request of either party, the name of a panel member may be removed from said list.
 - (b) The decision of the hearing officer shall be served upon the employee and the appointing authority and shall be binding as to the question of guilt or innocence and the appointing authority shall issue a determination in accordance with such decision. The hearing officer shall also recommend a penalty or punishment to be imposed in the event of find of guilt. The appointing officer of the department or agency concerned shall have the responsibility to determine or impose the penalty or punishment, provided, however, that should such penalty or punishment be more severe than the recommendation of the hearing officer, the employee may seek review of such determination pursuant to Article 78 of the CPLR but solely upon the grounds that the penalty or punishment is excessive.
 - (c) All conduct alleged by the County to constitute in competency or misconduct shall be contained in the charges and specifications. Any other matter which will be alleged by the County to be relevant to the questions of the penalty or punishment to be recommended must be introduced at the hearing in order to be considered. Upon written demand thereof made within 10 days after charges have been served, the employee shall be entitled to copies of all written reports and records in the custody of the employer which will be relied upon at the hearing. Such written reports and records shall be furnished within ten (10) workdays before a hearing is scheduled.
 - (d) An employee who elects to proceed pursuant to the procedure provided for herein shall do so in writing at least seven working days after service of charges upon such employee. Such election shall be deemed a waiver of his right to appeal to the Civil Service Commission or the courts pursuant to CPLR Article 78 except that either the employee or the County may seek review of the determination of an appointing authority pursuant to CPLR Article 75.
 - (e) The method of selection and the selection of the panel referred to above and the method of designation of the hearing officer for a particular case shall be agreed upon by the County and CSEA provided, however, that it is presently contemplated that the essential method of selection of the hearing officer for a particular case shall be by agreement and, failing such agreement, then by lot from the panel established under subdivision 3 (a).
 - (f) Pending the hearing and determination of charges of competency or misconduct, the employee against whom such charges have been preferred may be suspended without pay for a period not exceeding 30 days. If the employee is acquitted of said charges, he/she shall be restored to his/her

position with full pay for the period of suspension less the amount of compensation which she/he may have earned in any other employment or occupation.

- (g) The hearing officer before whom said charges shall be heard shall be entitled to a fee of \$1,000 per diem for actual number of days that said hearing is held. This cost shall be borne equally between the CSEA and the County. The charge for any stenographic record shall be equally borne between CSEA and the County.
- (h) At a hearing conducted under this section the parties shall not be bound by the technical rules of evidence.

3. **Effective January 1, 2012 full-time and part-time employees shall receive a 3% general wage increase added to base salary.**
4. **Effective January 1, 2013 full and part-time employees shall receive a 3% general wage increase added to base salary.**
5. **Effective January 1, 2014 full and part-time employees shall receive a 3% general wage increase added to base salary**

Minimum salaries shall increase by the same percentage as the general wage increase in 2011 and 2013.

4. PERFORMANCE INCREMENTS

- a) Each employee who is at step 4 or below shall receive a performance increment (Step increments= 3% of the base minimum hourly rate up to and including Step 5) on his/her anniversary date in title, provided that he/she has received a satisfactory performance evaluation. For the purposes of this salary plan, the term "anniversary date in title" (current title or grade) shall mean the day upon which the employee assumed the duties and responsibilities of a particular title, whether on a temporary, provisional, probationary or permanent basis, unless the assumption of the particular title is in the same pay grade as the employee's previous title as reflected in the records of the Department of Personnel.

- b) Each unsatisfactory performance evaluation shall be accompanied by counseling, along with appropriate documentation which shall be transmitted to the employee during the course of the twelve (12) month period preceding his anniversary date in title.
- c) Each employee who receives an unsatisfactory performance evaluation may utilize the following procedure:
 - 1. Upon written request from the employee within thirty (30) days after receipt of an unsatisfactory performance evaluation, the department head and the employee shall meet as soon as practicable to review the said performance evaluation. Within ten (10) days after the said meeting, the department head shall provide to the employee a written determination which shall either affirm or reverse the said performance evaluation and state the reasons therefore.
 - 2. Upon written request from the employee within ten (10) days after receipt of a determination affirming his/her unsatisfactory performance evaluation, the Personnel Officer and the employee shall meet as soon as practicable to review the said performance evaluation. Within ten (10) days after the said meeting, the Personnel Officer shall provide to the employee a written decision which shall either affirm or reverse the said performance evaluation and state the reasons therefore.
 - 3. Upon written request from the employee within ten (10) days after receipt of a decision from Personnel Officer affirming his/her unsatisfactory performance evaluation, the Personnel Committee and the employee shall meet as soon as practicable to review the said performance evaluation. The Committee shall consider the unsatisfactory performance evaluation, the determination of the department head, the decision of the Personnel Officer and such other materials submitted by the parties, including oral testimony, which it deems relevant to the inquiry. The burden of proving unsatisfactory performance shall be upon the County. Within thirty (30) days after the said meeting the Committee shall issue to the parties a final and binding award which shall either affirm or reverse the said performance evaluation and state the reasons therefore.
 - 4. Each employee who utilizes this procedure shall have the right to be represented by CSEA throughout the proceeding.
 - 5. This procedure shall be the sole and exclusive method by which an employee may seek review of an unsatisfactory performance evaluation.
- d) Each employee who has been on leave of absence other than military, sabbatical, educational or Workers' Compensation for a cumulative period of more than six (6) months during the twelve (12) months immediately preceding his/her anniversary date in title shall not be eligible to receive a performance step increment.
- e) For the purpose of administering the salary plan, the employee shall not be given performance date seniority credit for the time spent on a leave of absence, except for military leave, educational, and Workers' Compensation leave.

5. PROMOTION:

- a) Each employee who is promoted shall receive the minimum salary for his/her new title, except as follows:
1. Any employee who is promoted to a position which is in a higher grade level than the position previously held shall be entitled to receive the minimum of the new grade or 7% of the minimum of the new grade added to the employee's base salary, whichever is higher, upon assuming the duties of the new position. If the new base salary falls within the 5 step increment schedule, (step increments= 3% of the base minimum hourly rate up to and including Step 5), the employee will be assigned the lower step designation, ie. new base salary falls between Step 3 and Step 4, the employee is assigned Step 3.
- b) The promotional formula set forth herein shall be utilized in determining rates of pay for out of title work in accordance with the employment agreement between the Civil Service Employees Association and the County of Broome.

ARTICLE 10 - PARKING FEES

The parking fee in the Governmental Plaza parking garage shall be \$15.00 monthly.

Employees granted a parking reimbursement shall have up to seventeen (\$17.00) dollars per month reimbursed to them upon presentation of a proper receipt for the month's parking.

Any transfer, individually or by department, which results in a change of the parking site shall be governed by the parking policy of said site; i.e., a department employee who is transferred from a site where a fee is charged (Governmental Plaza) to a site where no fee is charged (Social Services Building) shall not be required to pay a parking fee and vice versa.

ARTICLE 11 - HIRING NEW EMPLOYEES

Department heads or others empowered to hire must hire at the minimum of the range established for the position unless otherwise authorized by the County Legislature and the Union shall be so notified.

ARTICLE 12 - LAYOFF AND RECALL

SECTION 1 - COMPETITIVE EMPLOYEES

- a) Layoffs shall be handled in accordance with Civil Service Law.

SECTION 2 - OTHER EMPLOYEES

- a) Layoff and Notification: It is understood and agreed that in the event the employer plans to lay off employees in the bargaining unit for any reason, the employer will notify the Union in writing of its plans at least one month prior to the effective date that such action is proposed to commence. Upon notification to the Union of such

impending plans, a meeting shall be arranged between the parties within five work days of such notification to review the anticipated layoff and the effect it will have on employees with the bargaining unit.

- b) If, after the implementation of the above, the Employer establishes that a layoff still is necessary, then such layoff shall be accomplished by laying off, first, all employees with temporary appointments within classifications and department. If further layoffs are necessary, permanent employees shall be laid off in classifications within department, in the inverse order of their seniority.
- c) Any employee to be laid off shall receive no less than 14 calendar days written notice.
- d) Laid off employees shall be placed on a recall list in order of their seniority by classification. If the County establishes, funds and decides to refill the previous positions that were abolished for a period of two years, then the employees shall be offered their former position if the following conditions are met:
 - 1. The person is qualified to perform the work, as determined by the County.
 - 2. The person is physically able to perform the work required, as determined by the County.
 - 3. The person must accept the County's offer of re-employment (sent to their last known address) within three (3) weeks, and actually start work within the same three (3) weeks, or the person shall be considered resigned.

ARTICLE 13 - ASSIGNMENTS

Regular full-time employees assigned in a higher job classification will have their salaries adjusted upward subject to the following conditions:

- 1. Employees must be assigned in the higher classification an accumulated period of ten (10) working days to qualify. Such ten (10) days must be within a ninety (90) day time period.
- 2. Except for those employees assigned to a higher classification on a regular and continuing basis, employees must be assigned for a period in excess of two (2) days.
- 3. Upon the written approval of the Personnel Officer, the employee's salary will be adjusted on the same basis as set forth in the first paragraph above. Said adjustment will cease upon completion of the assignment.

ARTICLE 14 - LEAVE FOR CSEA MEETINGS

Leave will be granted to any CSEA member to attend regional and statewide meetings of the Civil Service Employees Association without loss of pay. The leave granted herein shall not exceed a total of thirty-two (32) employee days per year for all employees covered by this Agreement to attend such regional and statewide meetings. Written notice for such leave, certified to by the President of CSEA, must be presented

to the department head, with a copy to the Personnel Officer, at least five (5) working days prior to the requested leave time. The thirty-two (32) days herein provided to attend CSEA conferences or meetings shall include travel time.

The President of the Broome County Unit of CSEA will be allowed a reasonable amount of leave with pay away from his/her regular duties in order to attend conferences and meetings of CSEA and to handle the CSEA business of the employees covered by this Agreement. If the President is unable to perform his/her duties, the Broome County Unit of CSEA may designate another representative to act in place of the President by giving written notice to the Public Employer. Leave for the President to attend CSEA conferences is not to be deducted from the total of thirty-two (32) employee days as hereinabove provided. Reasonable notice to supervision must be made by the union official before union time off shall be allowed.

Certain employees designated as CSEA Certified Grievance Representatives will be allowed reasonable time away from their duties to discuss grievances with other employees within the representative department or division and to assist or represent a grieved employee at Steps 1 or 2 of the grievance procedure as set forth in Article 8. A list of Union Stewards and CSEA Certified Grievance Representatives will be maintained by CSEA, who shall have the right to substitute, add or delete names from said list from time to time as they deem necessary. Such lists shall be updated every six months and a copy forwarded to the Broome County Department of Personnel.

ARTICLE 15 - MEETING ROOMS

The County grants CSEA the right to use County meeting rooms. Arrangements for the use of such space shall be scheduled with the Clerk of the County Legislature.

ARTICLE 16 - BULLETIN BOARDS

The Public Employer shall supply and erect bulletin boards for the exclusive use of CSEA in prominent locations at County worksites with eight or more CSEA represented employees. CSEA shall have the right to post notices and other communications in other areas besides those described above, subject to the prior approval of the content of such notices and communications by the Public Employer.

ARTICLE 17 - BASIC WORK WEEK

- 1. The basic maximum work week for employees in County departments, agencies and institutions, other than employees compensated on an hourly or per diem basis, unless otherwise provided herein, shall be a five-day week, Monday through Friday, except where contrary days of employment exist.**
- 2. The Department Head in his/her absolute discretion shall have the right to designate any department work hours in County Government between 6:00 a.m. and 7:00 p.m. on said Monday through Friday, and establish appropriate work forces to be maintained by the number of employees he/she determines appropriate to staff the department. The workday will entail working continuous, consecutive hours unless otherwise agreed to by the employee and Department**

Head.

3. **Where in any department where the Department Head desires to change or modify the work schedule, the employees necessary to maintain and operate the department shall be chosen as follows:**
 - a. They shall have at least ten (10) working days notice of said change.
 - b. Volunteers by job classification shall have first preference.
 - c. In the event that volunteers are insufficient to meet the department's manpower needs, employees with the greater longevity of employment with the County shall have preference.
 - d. It is further agreed that the initiation of any changes pursuant to paragraph 2 herein shall not result in increased individual daily work hours.
4. Employees in institutions and in positions of a nature requiring emergency or continuous service, establishment of working hours shall be within the discretion of the department heads who shall file a complete schedule of employees' working hours with the Department of Personnel. **An example of such is in the Aviation Department. Maintenance staff assigned to four- 10 hour/day work schedules will have a paid meal break of 30 minutes to allow for immediate response in the event of an emergency.**
5. The Department Head is hereby specifically authorized to develop and implement a flextime program, except that no employee shall be required to work other than the basic maximum workweek as established or modified herein.
6. Nursing Home employees scheduled to work a Saturday, Sunday, or holiday and who call in ill will be scheduled to work the following Saturday, Sunday, or Holiday as make up. Such make up day will not result in the employee receiving overtime payment, as during the pay period a day off will be exchanged for the make up day.
7. Seniority will be defined as the employee's first date in continuous service in a classified title within the County in the application of promotions, transfers, filling of vacancies or assignments. Seniority will be a final consideration when all other criteria are equal.
8. I. Shift Bidding – Department of Emergency Services
 - A. Shift bidding shall take place twice a year to determine the dispatchers shift preference. Bids will take place in January for the period March through August and in July for the period September through February. The bids shall be according to Seniority in Classification.
 - B. Shift assignments will be made taking into account the dispatchers shift preference and Departmental seniority whenever possible, but the department's needs for proper staffing will be the first consideration.

C. Seniority in Classification will be determined based on the following criteria:

1. Date of hire as a full-time Emergency Services Dispatcher with Broome County.
2. A two-month credit will be given for each full year and a one month credit will be given for each partial year of part-time Emergency Services Dispatcher service with Broome County.
3. In the event two dispatchers have the same hire date, then their civil service list position will be used for determination.
4. Dispatchers transferred from the City of Binghamton will have seniority from their date of hire as a dispatcher with the City of Binghamton.

D. Dispatchers may request to change shifts during a period by submitting a written request signed by both dispatchers who want to switch shifts to the Communications Supervisor.

ARTICLE 18 - OVERTIME, EXTRA HELP AND NIGHT RATES OF PAY

- 1a) In departments where the County Legislature has authorized payment of overtime, the employee may be paid overtime or accrue compensatory time, as determined by the Department Head and within the Department's budgetary limits for overtime.
- 1b) Where the Department Head elects payment, the employee shall be paid time and one-half their regular straight time rate for all work performed in excess of 40 hours per week.
- 1c) Where the Department Head elects compensatory time, the employee shall accrue paid time off at the rate of time and one-half for all work performed in excess of 37½ hours per week or 40 hours per week, depending on the person's regular work schedule.
- 1d) Compensatory time accrued in accordance with Section C above shall be taken within 120 calendar days of accrual. The actual scheduling of time-off shall be at the discretion of the Department Head. Employees shall be paid for accumulated compensatory time when they leave the County's employ.
- 1e) Any overtime shall be with the express approval of the Department Head, or their designee(s).
- 1f) In the Security, Airport and Central Foods and Nutrition Services Departments, where an employee's work schedule does not provide for holidays, the following shall apply:

ARTICLE 28 - PENSIONS

Effective January 1, 1989, the Public Employer agrees to provide Plan 75(i) coverage for all employees covered by this Agreement.

Effective January 1, 1973, all employees covered under this Agreement shall be eligible to receive the benefits of Section 41 (j) (conversion of unused sick leave benefits) as provided by the law. The entire premium for this benefit shall be paid by the employer.

ARTICLE 29 - BENEFITS TO REGULAR PART-TIME EMPLOYEES

Regular part-time employees as defined in Article 4 herein shall be entitled to the following benefits only:

1. Holidays – Employees will be paid the number of hours regularly scheduled to work on the days the holiday falls. If the employee is not regularly scheduled to work on the day a holiday falls, no payment will be made.

2. Vacation - The provisions of Article 20 shall apply to all regular part-time employees, except they will receive one-half the number of vacation days as set forth for full time employees. In addition, part-time employees may carryover one-half the number of vacation days as set for the full-time employees.
3. Sick Leave - The provisions of Article 21 shall apply to all regular part-time employees, except they will receive one-half day per month for each month of service.
4. Longevity Service Pay - The provisions of Article 27 will apply to all regular part-time employees, except they will receive one-half (1/2) the amount set forth for full-time employees.
5. Health insurance as set forth in Article 24.
6. A temporary employee filling a position during a leave of absence shall be entitled to full benefits granted to permanent employees when such positions so filled will reasonably be expected to become permanent appointments.
7. When a part-time employee is entitled to bereavement, as defined in Article 26, they shall be eligible for three (3) work days off, if scheduled, from the death of a relative, and shall be paid for the amount of time they would have ordinarily been scheduled.

ARTICLE 30 - TRAVEL ON COUNTY BUSINESS

1. Attention is called to the following extract from Penal Law, Section 175.35-: "A person is guilty of offering a false instrument for filing in the first degree when, knowing that a written instrument contains a false statement or false information, and with intent to defraud the state or any political subdivision thereof, he offers or presents it to a public office or a public servant with the knowledge or belief that it will be filed with, registered or recorded in; or otherwise become a part of the records of such public office or public servant." Offering a false instrument for filing in the first degree is a Class E. felony.
2. All accounts or statements must be submitted on a standard or approved form, and the claim voucher certified by the employee, as required for all claims. All vouchers must be accompanied by receipts for rooms, lodging, meals, tolls, thruways, parking fees, etc. All vouchers submitted without same will automatically be returned to the employee. Employees using their automobiles regularly should submit their claims monthly. Employees who use their automobiles occasionally may elect to submit their claims quarterly. If in the opinion of the County Comptroller circumstances were such that receipts were not obtainable, the receipt requirement will be waived.
3. Claims for mileage must list all business stops and the distance traveled between these stops, except within a city, town, or village, in which all stops must be listed, but if short mileage (less than two (2) miles) is involved, the mileage traveled can be listed after the last stop within such city, town, or village.

4. No mileage reimbursement will be allowed for travel between residence and Court House or other County buildings, except as such reimbursement may be authorized by state law or by regulations of the County Legislature, in which case mileage claim must state and give reason. In cases where an employee starts from his/her residence on official business mileage will be paid in the amount that would have been paid if the employee had begun official business from the work site. In addition, if the employee returns home from an assignment without first returning to the work site mileage will be paid as if the employee had returned to the work site. Beginning official business from home or returning home without returning to the work site first requires authorization from a supervisor.
5. Any person or employee traveling by an indirect route must assume the extra expense, as reimbursement will be based only upon such charges as would actually be incurred by traveling the most direct route. This rule will be waived when the use of expressways, even though not the most direct route, will result in the reduction of travel time.
7. In order to receive reimbursement for mileage at rates hereinafter provided, and for travel expense incurred by attendance at conventions, meetings of associations or organizations, such attendance must have been previously authorized by the County Executive. Such expenses must be listed on a Broome County travel voucher, and accompanied by hotel bills, convention or meeting registration receipts, airline, bus, or train receipts or seat checks, toll and parking receipts. Meals and taxi fares must be listed separately. When claiming taxi fares, starting point and destination must be listed, and if claiming such fares when automobile is available, reason for such charges must be given. Reasonable customary tipping will be allowed, and should be included in the respective taxi charges.
7. When requesting authorization to travel, the request should state the date and time of the anticipated departure from and arrival in the County.
8. When the use of a personally-owned car is authorized by the County Executive to operate on business for the County, all regulations herein contained must be observed, and the rules of reimbursement herein stated will be allowed in all cases, except as otherwise authorized, allowed and directed by state law.
9. The mileage reimbursement herein provided will be allowed for one person only as the owner of the automobile, regardless of the number of employees traveling in the said automobile on the same trip, in pursuance of County business, or to such meetings as may have been previously authorized.
10. All County employees traveling outside the County must have authorization to do so, even though they are passengers in a car and do not expect to have any reimbursement expenses.
11. It is intended that the rates prescribed herein shall be maximum, and actual expenses only shall be charged. Said rates shall not be exceeded, except in such cases and for such employees as are specially excepted and otherwise authorized and directed by state law for particular cases.

12. The mileage rate shall be equal to the mileage allowance pursuant to Federal IRS regulations. Increases shall become effective concurrent with any IRS change.
13. Reasonable and customary charges for room accommodations shall be allowed. Tips for lodging shall be allowed at the rate of fifty (50) cents per hotel stay. Tipping for other types of lodging is not regarded as necessary or customary, and therefore not allowable.

When the spouse accompanies a County employee, the amount of room charges allowable shall be computed on the basis of the ordinary single room charge allowable to County employees who are not so accompanied by a spouse.

14. Actual and necessary charges for meals shall be allowed. These may include a reasonable tip and, when claiming reimbursement, need not be claimed separately.
15. Emergency repair work only shall be authorized on County cars while out of the County. In claiming reimbursement, an explanation of the reason for such repair work should be given.
16. County-owned cars should be fully gassed at County pumps before leaving the County. Gasoline credit cards should be used as much as possible when it is necessary to purchase gasoline while on the road. The receipt received by the employee when using the credit card should be submitted to the Comptroller with his voucher for reimbursement.
17. Charges for long-distance telephone calls on official business will be allowed provided an explanation is given showing the name of party with whom communication was held.
18. New York State hotel occupancy and transportation taxes are not reimbursable. Employees should present exemption certificates at ticket windows and hotel desks.
19. When claiming mileage for use of a personally-owned car, charges for tolls, parking and storage will be allowed, where the same is directly connected to travel for County purposes.
20. Employees whose mileage reimbursement averages \$100 per month or greater, will receive a \$100 per month advance mileage payment.

The Department Head will make arrangements with the Department of Personnel for such review. Such review will be conducted in the Department of Personnel. The material in the employee's personnel file will not be allowed to be taken out of the Department. If copies of the material are desired, said request will be made at the time of review, an employee may enter into the personnel file any statements relating to material covered in the file.
2. Any subsequent requests for review of the personnel file during the calendar year will follow the same procedure. The Department of Personnel will make arrangements for the employee to review the file in an after-work hour's situation.

ARTICLE 37 - BENEFITS GUARANTEED

ARTICLE 39 - EMPLOYEE LISTING

The Employer agrees to forward to the President of CSEA three copies of a data processing runoff of all the employees covered by the terms of this Agreement. Such list shall be prepared and forwarded on or about March 1st and September 1st of each year. The list shall show employees in alphabetical order, divided into their various departments, with a notation indicating members of CSEA and non-members.

On the effective date of this agreement, the employer shall supply to the CSEA Unit #6150 a list of all employees in the bargaining unit showing the employees full name, home address, social security number, job title department location, membership or agency fee status, insurance deduction and first date of employment. Such information shall hereafter be provided to the CSEA Unit #6150 on a quarterly basis.
