2025 Broome County Budget Address

Good evening and thank you for joining me tonight.

First, thank you to Chairman Dan Reynolds, Majority Leader Matt Pasquale, Minority Leader Bob Weslar, and all the members of the County Legislature for working with me on this year's budget.

To our Department Heads – thank you for leading your teams each day with dedication.

And to the two thousand county employees; thank you for everything you do for our community. Your hard work is greatly appreciated.

It's hard to believe that 7 years ago I delivered my first budget address as county executive.

I'm truly grateful for the support and efforts by Chairman Reynolds, the County Legislature, and county staff over the years as we've worked together to develop responsible budgets, improve county services, and collaborate on many meaningful community projects. We've been able to accomplish a lot in the last 7 years and I'm grateful for our partnership.

Tonight, we're here at the En-Joie Golf Club, overlooking the beautiful course, a place that has been under the county's management for the last 17 years.

Under the leadership of Director Mike Deuel, with efforts from Sully Murphy and the rest of the grounds crew, this course is truly a crown jewel in this region.

Every year, the world watches as we host the Dick's Sporting Goods Open, which will continue here for the next five years, thanks to John Karedes and the team at Broome County Community Charities and the sponsorship and generosity of Dick's Sporting Goods and the Myers-Stack families.

This tournament not only has become a source of pride for our community but also brings significant economic benefits to Broome County.

Each year, the event draws thousands of visitors, filling our hotels, restaurants, and local businesses.

And right behind you, some of the world's most famous country, rock, and pop groups have performed, right here in Endicott, in front of tens of thousands of people.

The continued charitable contributions of Broome County Community Charities help turn this world-class event into an opportunity to give back to our community.

Their efforts have raised over 20 million dollars for local charities, providing vital support to those who need it most.

But we are at a pivotal time in this golf courses' history.

The 70-year-old irrigation system is failing. It's taking millions of gallons of water from the Endicott water supply, which has only one functioning water well.

The entire irrigation system needs to be replaced, and if it doesn't soon, the entire course will be unplayable and the tournament will cease to exist.

We're conducting a comprehensive study to determine how to replace the irrigation system and how much it will cost. Our goal is to take the irrigation system off the village water system to give Endicott residents more water capacity. But at the end of the day, the system will cost millions of dollars to replace.

According to the New York State Comptroller, of the more than 533 villages in the State of New York, the Village of Endicott has the 7th highest tax rate. Asking Endicott taxpayers to shoulder the expense of the irrigation system would move them to the highest taxed village in the entire state.

Broome County doesn't want to see that happen.

As we look to the future of En-Joie, Broome County stands ready to take ownership of the course from the Village of Endicott.

We understand the historical and emotional significance this course holds for the village, and we are committed to preserving and enhancing it for the entire community.

Taking on this responsibility will help alleviate the tax burden on Endicott residents.

The county's ownership will also help address a pressing issue for the village – water.

And most importantly we will preserve this community jewel for the next generation of village and county residents.

Just this past week, Golf Magazine ranked En-Joie one of the top 100 courses in the entire United States.

So let's keep moving forward with our success with En-Joie, and not backwards.

Thanks once again to Mike, Sully, and the rest of the staff at En-Joie for all of the great work they do here, you are all rock-stars.

Across the street, you can see where the Red Roof Inn Motel once stood.

For too long the structure was a decaying eyesore, but thanks to the Broome County Land Bank, we turned that blight into an opportunity. Just weeks before this year's tournament, we demolished that building, paving the way for something better to come.

To my right, Grippen Park is undergoing a transformation that will bring new life into this community. What was once a flood-damaged and underutilized space is now on its way to becoming a vibrant hub for activity.

After the challenges of the COVID-19 pandemic, we realized how vital our parks are to the community, and we knew we had to take action.

Soon, families will enjoy new amenities – a place to ice skate, basketball courts, pickleball courts, a wiffle ball stadium, flag football field, accessible playground, and more. This fall, construction will wrap up, and by spring, a renewed Grippen Park will be ready for the community to fully enjoy once again.

With the flood resilient measures built into the design, this park will stand stronger than ever.

And over at the Phoenix Campus, Broome County has committed almost two million dollars to demolishing the empty and condemned old IBM building group, to pave the way for more economic expansion and jobs.

And it's not just Endicott-we've partnered with every municipality in Broome County to work together to make their community better.

And that's the message I bring to you tonight – Broome County is making investments throughout all of our community to improve our quality of life.

And the 2025 budget I'll present to you tonight and during the budget process will build on that.

Our Small Community Fund has made a great impact all over Broome County on our local programs, parks, and neighborhoods with over 100 projects funded since it started several years ago.

This year, through my partnership with Chairman Reynolds and the Legislature, we've awarded 32 organizations with grants from this fund to assist in projects aimed to better our community.

We've supported projects like making improvements to Endicott's little league field, rebuilding the bridge at Wolfe Park in the Town of Chenango, construction of the Deposit Community Park, and getting new life-saving equipment for Windsor Emergency Services.

We see the effect these funds have on our community, and we want to do even more.

In the 2025 budget, we are allocating an additional \$500,000 for Small Community grants, allowing even more local organizations and municipalities to benefit from this funding and continue making positive changes throughout Broome County.

We recently partnered with The Agency to launch the Small Business Grant Program to help local businesses continue to recover from the effects of the COVID-19 pandemic.

We know how much our small businesses mean to this community, and we're committed to helping them thrive.

The Small Business Grant Program is one of the last projects that our American Rescue Plan Funds will be allocated to, as we have just about exhausted our allotment of funding.

I'm proud of how we invested this funding. Working with the county legislature, we used these funds to recover from the COVID Pandemic in a number of ways. We made big investments in mental health, increasing food access, rebuilding parks, supporting volunteer fire and ambulance services, and so much more.

But some of our biggest and most important investments have been in economic development and housing, and for good reason. The unemployment rate in Broome County was at 17% at the height of COVID, and a recent housing study has shown that there's a need for an additional 6,000 units of housing, including all types – single-family homes, market rate, senior housing, and affordable housing.

We've invested millions of ARPA funds in both housing and economic development projects like the EJ Victory Lofts in Johnson City and the transformative Oakdale Commons project.

These projects have not only provided much-needed housing but have also created hundreds of jobs, revitalized neighborhoods, and leveraged hundreds of millions of dollars in private investment in Broome County.

We've seen our economy recover, with our unemployment rate even dipping below 4%. Our sales tax revenues are strong, and several key housing projects we invested ARPA funds in are currently underway, like CMS Monarch's project in Endwell, and Regan Development's project in Johnson City, all which will break ground this year.

Even though our federal funding is exhausted, it's important we continue growing our local economy and building more housing.

So tonight, I'm announcing that we will allocate \$5 million for an Economic Development and Housing Fund for 2025.

Building on this momentum, the new Economic Development and Housing Fund will allow us to continue expanding housing options and supporting economic development projects throughout Broome County.

By creating opportunities for growth and ensuring our residents have access to safe, affordable housing, we're working to make Broome County a place where everyone can thrive.

And while we've seen a lot of progress in our economy and in housing, we still have residents who struggle with housing and even food insecurity brought upon by the Covid-19 pandemic.

Over the past year we have made key investments in our community to help provide more food to people who need it.

Through our small community grant program, we provided funds to CHOW to purchase a brand-new refrigerated trailer, which has allowed them to double the amount of food they can provide for our community.

We also used small community funds to increase capacity for other local food pantries in our community, including school-based pantries and the pantries at Salvation Temple Church and at St. Cyril's.

And in the 2025 budget, we will increase our funding to the Food Bank of the Southern Tier by 33%!

While we've made great strides, we still face challenges. The pandemic has impacted our community in countless ways, including a rise in overdoses.

To date, we've awarded \$1.2 million from the Opioid Settlement Fund to organizations focused on treatment, recovery, harm reduction, and education. These efforts are saving lives.

We see it in the numbers.

In the first 6 months of 2022, there were 56 suspected fatal overdoses in Broome County.

In 2023, that number dropped to 45 for the same period, and this year, it has decreased even further to 36.

A 36% decrease over two years, and a 20% decrease from just last year.

While even one overdose death is too many, we are moving in the right direction.

I'd like to thank the Health Department for their part in dispersing these funds to make a difference.

Our Director of Public Health, Mary McFadden, has retired after more than 30 years of dedicated service with Broome County.

Thank you, Mary, for your tireless efforts and caring for our community's safety and well-being. Lynette Bellmore, our Interim Director, is already doing an incredible job leading our Health Department forward.

And speaking of improving the health of our community, tonight I'm excited to announce that Broome County has been selected by the Department of Defense to be a host site in 2025 for their Innovative Readiness Training Program. A joint military force of close to 200 members of our military will conduct a 10-day deployment readiness training operation right here in Broome County, and will be providing health and dental care at no cost to our entire community.

While more details on this will be coming soon, a number of county departments are committed to supporting this operation, and I want to extend a big thank you to Southern Tier 8 along with our own County Clerk Joe Mihalko who were big supporters of getting this in Broome County and ultimately submitted the winning application.

Over at the Department of Social Services, we're adapting to meet the growing mental health needs of our community.

Nancy Williams will now focus solely on her role as DSS Commissioner, and we've appointed Kim Saunders as the acting Commissioner of Mental Health.

Together, they will ensure that Broome County residents receive the support and care they need.

We're also focusing on helping at-risk youth through a new innovative program launched by District Attorney Paul Battisti.

The Youth Diversionary Intervention Program offers support for 16 to 21-year-olds facing felony charges by providing educational resources, job training, counseling, and mentorship.

This program helps them make positive changes and reintegrate into the community. We've added a Juvenile Justice Coordinator position into this year's budget to coordinate efforts and provide necessary support to these young individuals.

Public safety remains a top priority, and in July, we announced Broome County's new public safety radio system is now fully operational.

This system, which replaces outdated technology from the 1970s, connects our emergency responders instantly and seamlessly across the county.

To strengthen our call center, we are adding four new dispatch positions, and we are once again upgrading pay for our dispatchers.

Our local ambulance services are under pressure due to a high volume of calls, many of which don't require transportation.

To address this, we are introducing new emergency response vehicles specifically designed for on-site care.

These vehicles will allow our teams to address medical concerns directly at the callers' locations, reducing the strain on our ambulance services.

This means that while our new vehicles handle non-transport emergencies, ambulances can be reserved for cases that require transportation to a hospital, ensuring faster and more efficient emergency care, and ultimately improving patient outcomes.

Under the leadership of Acting Director of Emergency Services Neal Haight, we've made significant strides to improve our emergency response capabilities.

I am really proud to see all of the good work that Sheriff Akshar and his team are doing to make Broome County safer. Whether it's changing the culture of the correctional facility to reduce recidivism and help positively change lives of those who are incarcerated or increasing patrols to better protect our citizens, their dedication and efforts are making a difference.

The 2025 budget provides an additional 2 million dollars in funding for the Sheriff's Office. This funding includes support for the sheriff to begin running the STOP DWI program which also adds an additional deputy for the program.

We will also fund 2 new canine positions and 3 additional correction officers to start a brand-new inmate work program.

In 2023 the crime rate in Broome County decreased 6%, and Sheriff Akshar and his team played a large role in that, so it's important we continue to give them the resources they need in the 2025 budget.

As we focus on keeping our community safe, it's equally important that we honor and support those who have dedicated their lives to protecting our country.

For our veterans, working with Director of Veteran Services, Brian Vojtisek, we will continue to support programs like the Twin Tiers Honor Flight and Stand with Me through our veterans fund, including providing free tickets to local sports games like the Black Bears and Rumble Ponies for the men and women who have served on our behalf.

A partnership between Cornell Cooperative Extension and Broome County even offers monthly free cooking classes and farmers markets coupons to our local veterans.

Over 60 veterans have participated in the cooking, gardening, and nutrition programs.

And in the past year, more than 250 veterans have received over \$4,000 in farmers market coupons through the veteran coupon distribution program, helping to support both our veterans and local farmers.

Currently under construction is Broome County's new Veterans Resource Center and Tiny Homes.

The project at 530 State Street on Binghamton's North Side will be completed next year with 10 accessible homes fully furnished with appliances for our veterans. On site, the resource center has been designed to serve the more than 10,000 veterans who live in Broome County with support and educational services.

Our 2025 budget fully supports the operation of our new resource center and our tiny homes when they officially open next summer.

I've also been working closely with our Parks Director, Brenda Gowe. Brenda and her team continue to do an excellent job in taking care of our parks, some of the best in New York state!

Events like Spiedie Fest, Festival of Lights, Beach Bash, and Winterfest will return for our residents, bringing entertainment and attracting visitors to Broome County.

Last week, we broke ground on the Crime Victims Memorial at Roundtop Park, a local hidden gem known for its peaceful surroundings.

This project, led by soon-to-be Eagle Scout Schyler Savage who tragically lost his mom to an act of crime, will serve as a place to honor and remember the lives that have been taken from our community through acts of violence.

Broome County is proud to be the primary beneficiary of Schyler's Eagle Scout project, and to be a part of such a meaningful space for the community.

This year, we celebrated the grand opening for Greenlight Networks Grand Slam Park – a state-of-the-art softball complex that has already shown to be a great investment.

For the next 3 years, the girls softball state championships will be held there.

Teams and their families from different states are coming here, staying in our hotels, eating in our restaurants, and experiencing everything Broome County has to offer.

Next door to the softball complex is SUNY Broome Community College.

In the fall of 2023, roughly 35% of students enrolled and attending school there were from outside of Broome County.

Attracting students from outside the county is vital for our community's future.

These students bring fresh ideas, energy, and skills that can boost our local economy.

When they experience what Broome County has to offer, we encourage them to stay and work after graduation.

By retaining these young professionals, we strengthen our workforce and create future entrepreneurs and leaders.

We will continue to support and invest in SUNY Broome in the 2025 budget, making Broome County a place where students want to live, work, and drive our community forward.

President Tony Hawkins has done an excellent job in his first year, leading the school and its students to reach their full potential, and for that I thank him.

Our contract agencies including Visit Binghamton, the Broome County Arts Council, Cornell Cooperative Extension, GiGi's Playhouse, Discovery Center, and many others, are receiving a 10% increase in this year's budget – the largest one-year increase from the county in decades.

These agencies are important to our community, and we are committed to supporting their continued impact.

Our Department of Public Works, led by Commissioner Roger Brown, has been doing an incredible job of meeting the growing needs of our community's infrastructure.

From installing new LED lights at Otsiningo Park, to upgrading the Courthouse in downtown Binghamton, the Buildings and Grounds team led by Deputy Pete Nefaris is consistently working to improve and enhance Broome County's infrastructure.

In the last four years, our Deputy Commissioner for Highways, Chet Kupiec, has led his crew in making our roads safer, completing a total of 302 miles of road work.

Seven years ago, I announced 40 miles of road work would be completed, which at the time was a county record.

Last year, I announced the reconstruction of twice that number.

Each year, we've surpassed our previous records of miles of roads completed, and we plan to continue our streak in 2025.

Times are changing and we're adapting, modernizing, and streamlining government operations.

In the 2025 budget, we're consolidating the Purchasing Department into the Office of management and Budget. Under the leadership of Director Jane St. Amour and Deputy Directors Terra Adams and Chris Mullins, this move will eliminate redundancies, improve resource management, and ultimately reduce costs.

We're upgrading to a new electronic budgeting software, replacing our antiquated systems. This modern solution will make tracking spending, improving budget forecasting, and financial management even more efficient and transparent.

By embracing technology and updating outdated processes, we're building a more responsive, accountable government that better serves the community.

But at the end of the day, it's our amazing employees who are on the front lines every day delivering quality public services.

County employees are the backbone of our community, working to provide essential services to residents.

Their dedication keeps Broome County moving forward. Just like we've done in the past, we are continuing to invest in our workforce. The 2025 budget includes 271 position upgrades, totaling a \$3.9 million investment.

And just like in years past, we continue to raise incomes and provide the very best benefits so that we can retain and attract new employees.

Tonight you've heard a lot about the things we're doing to improve our economy and address the challenges facing our community.

From investing in parks, public safety, and our workforce, to supporting small businesses and expanding community programs, we're tackling these head-on.

And with all of the additional investments we are making, I'm proud to tell you that we're still cutting the property tax rate once again in 2025. Since 2017, we've worked with the county legislature to produce responsible budgets that have lowered the property tax rate 24%. At the same time, the national inflation rate has increased by almost the same amount. So while costs have gone up across the board, Broome County has successfully eased the tax burden on our residents during this difficult time of high inflation.

I'm looking forward to the next two months of budget hearings with the County Legislature as we work together on a budget that balances our commitment to making big investments in our community while keeping taxes low for our residents.

As we look ahead, I'm confident that Broome County is moving forward with purpose, and together, we will continue to make our community a better place to live, work, and raise a family.

Thank you and God Bless.

Legislature

Legislative Clerk

Mission Statement

The Clerk of the Legislature supervises and coordinates daily activities of the office of the Legislature.

Description

This office drafts and distributes all legislation to appropriate committees, processes, certifies, and disseminates all legislation, provides minutes of all legislative sessions and all committee meetings, prepares and files the required documentation on all approved local laws with the Secretary of State and provides clerical, secretarial, research and operational support to the individual Legislators. Prepares, maintains, and distributes the Directory of Federal, State, County, and Municipal Officials.

The Clerk also serves as the Records Access Officer for Broome County Government, processing Freedom of Information Requests on a continual basis.

Maintains and distributes updates to the County's Charter and Administrative Code.

Provides support to the Agricultural and Farmland Protection Board.

Serves as support staff to the Board of Ethics by maintaining, distributing, collecting, and submitting for review by the Board, the annual Financial Disclosure Statement, which nearly 200 County officials are required to complete.

2025 Objectives

- Improve the paperless process by which resolution requests are submitted.
- Improve the paperless process for the distribution of resolution and agendas to County personnel.
- Make the business of the Legislature accessible to the public using the County website and social media.
- Make accessing public records as easy as possible for the public using a well-designed paper form and an on-line submission form.
- Enhance the capabilities of the office and the Legislative Assistants using student interns.
- Highlight the community through initiatives such as the Veterans of Distinction program.

2025 Budget Highlights

- In the 2025 budget, this office has restricted expenses wherever possible.

Legislature

Legislature

Mission Statement

The Broome County Legislature is the policy-making body and taxing authority of Broome County Government. The Legislature is comprised of 15 elected Legislators each representing a district. Through its power to legislate and approve appropriations, the County Legislature shapes the direction of Broome County Government and provides oversight over county operations. The Broome County Charter further defines the duties and powers of the Legislature.

Description

The County Legislature is responsible for the adoption of all local legislation and the levy of property taxes to fund county governmental operations. Other specific powers include the power to make appropriations, incur indebtedness, and adopt an annual budget, to create, alter, combine or abolish positions (job titles) except those units headed by elected officials, to confirm appointments by the County Executive, to adopt the equalization rates for the City of Binghamton and the 16 towns within the County and to award all contracts for professional services exceeding \$15,000.

The Chair of the Legislature presides at meetings of the County Legislature and appoints all standing and ad hoc committees. The Chair is an ex-officio member of every committee. Additionally, the Chair is a member of the Board of Acquisition and Contract (BAC) and several advisory boards pursuant to the provisions of the Broome County Charter.

The Chair of the Finance Committee, the Chair of the Public Works and Transportation Committee and the Chair of the Legislature are all members of the Capital Project Advisory Committee.

The Legislative Assistants provide research and support to the Chair, the Committees, and Legislators and facilitate activities and initiatives of the Legislature.

2025 Objectives

- Carefully scrutinize all County spending with the specific goal of controlling property taxes.
- Work to create an atmosphere that will promote economic development within the County and region to enhance the County's tax base and employment opportunities.
- Review County Departments and services to determine where administration and other functions can be more effectively managed.

- Consider all possible opportunities for the most efficient delivery of services, including sharing of resources and services with municipalities.
- Work to improve the quality of life for residents of Broome County.

2025 Budget Highlights

- In the 2025 budget the Legislature has restricted expenses wherever possible.

County Executive

Mission Statement

To efficiently and effectively manage all county operations. Manage the capital, operating and grant budgets of all county departments and to provide residents with quality services creating a high quality of life in a cost-effective manner.

Description

The office and duties of the County Executive are established by Article III, Sections 301-312 of the Broome County Charter adopted November 1968. The County Executive is the Chief Executive Officer and administrative head of Broome County government. The County Executive is an elected position serving a four-year term.

The County Executive oversees all County departments. The Executive is also responsible for communicating information regarding county services, programs, activities, and public policy to county employees, the public, and local, state, and federal elected officials.

The County Executive is responsible for implementing local laws and resolutions as defined in the Broome County Charter and Code. The County Executive supervises and directs the internal organization and administration of all department and other administrative units. In addition, the County Executive appoints members to various county boards and commissions.

2025 Objectives

- To work closely with all levels of government, departments, and community partners to meet challenges posed by current economic conditions. The Executive Office will strive to maintain the quality services that residents depend upon and deserve. All services will continue to be constantly evaluated to ensure they are provided in the most cost-effective manner.
- To enhance economic development, the Executive Office will continue to contain property taxes by efficient operations within county government. These efforts will include, but are not limited to:
 - Enforcement of strict guidelines and accountability for spending by all county departments.
 - Emphasis of increased efficiency of all departments improving performance and reducing expenses.
 - Monitoring all capital projects for completion and quality.
 - Ensuring current and planned projects fit within the current economic model and are sustainable in the near as well as foreseeable future.
 - Creating and promoting strategies to make Broome County a viable place for investment.

2025 Budget Highlights

- The department controlled costs to the extent possible.

County Clerk

Records

Mission Statement

Responsible for the processing, filing, scanning, and storage of thousands of crucial property, business, and court documents, with a commitment to delivering exceptional customer service to our office stakeholders.

Description

The County Clerk's Office plays a vital role in Broome County by facilitating the efficient filing and recording of land records, court filings, judgments, and liens. Additionally, it handles passport applications, notary renewals, and citizenship naturalizations, adhering to mandates from the State of New York and federal government.

The office serves as a significant revenue source for Broome County government, while collecting various taxes and fees on behalf of multiple state departments and agencies. In 2023, the office collected a total of \$29,490,586.53. Out of this sum, \$927,062.40 (only 3%) was retained for the county's general fund, while \$28,563,524.13 (97%) was disbursed to other designated entities, such as the Office for Aging and Veterans Services. (Source: BCCO 2024 Annual Report, p.19)

2025 Objectives

The County Clerk's office aims to uphold superior customer service standards while maximizing revenue for the county. Key objectives for 2025 include:

- Continuing to expand e-filing and e-recording programs to enhance operational efficiency, reduce costs, and facilitate remote document access.
- Increasing public accessibility through initiatives like after-hours passport fairs and aligning office hours with local court schedules.

2025 Budget Highlights

While maintaining a revenue surplus over expenses, the County Clerk's Office prioritizes meeting operational needs in the upcoming year. No new initiatives or programs are planned for implementation in 2025.

County Clerk

Motor Vehicles

Mission Statement

Responsible for the processing of motor vehicle transactions, abiding by the laws and guidelines established by the NYS Department of Motor Vehicles and the Federal government, with a commitment to delivering exceptional customer service to our office stakeholders.

Description

The County Clerk's Office plays a vital role in Broome County by facilitating the efficient processing of motor vehicle transactions, including the licensing of drivers and the registering of vehicles.

The office serves as a significant revenue source for Broome County government, while collecting various taxes and fees on behalf of New York State.

Effective, January 1, 2024, a new retention model was implemented, where counties will retain a flat 10.75% of all transactions, whether they are processed in a local office or online. NYS DMV circulated some projections, and they suggest Broome County could see as large as a 37% increase in revenue from the previous. With only one partial year under the new retention model, our office is cautious in how much additional revenue will be retained.

2025 Objectives

The DMV is maximizing public access and the customer experience, while also maintaining important county revenue. We are looking to continue the following:

- Saturday hours at the Endicott DMV office.
- Weekly satellite office in Conklin, Harpursville, Whitney Point and Windsor.
- Six DMV "drop boxes" in Binghamton, Endwell, Harpursville, Johnson City and Whitney Point.
- Sale of E-ZPass tags through the E-ZPass On-the-Go Program.
- Online appointment system for our DMV offices so people no longer need to wait in line.

2025 Budget Highlights

While maintaining a revenue surplus over expenses, the DMV prioritizes meeting operational needs in the upcoming year. No new initiatives or programs are planned for implementation in 2025.

County Clerk

Records Management

Mission Statement

Responsible for the storage and maintenance Broome County's older departmental records in accordance with relevant regulations, and by carefully balancing competing factors of accessibility, security, preservation, and expense.

Description

The Records Management Division provides practical guidance and expertise to departments in the following capacities:

- Determine retention and disposition of records
- Review of requests for records storage
- Coordinate the scanning projects for department records
- Ensure compliance with NYS and Federal retention guidelines

We have also worked to address the continued concerns with the Records Storage Facility located at 1 N. Floral Avenue in Binghamton (aka the Ramp Building). Some repairs have been made to the building, but the expenses of completely addressing the unresolved issues will be daunting. In January 2020, the results of the Local Government Efficiency Study were released. This study recommended that the County Clerk's office should either explore alternative properties or make extensive repairs to the existing building, in addition to redoubling our scanning efforts.

In 2023, the Records Management Scanning team completed digitizing projects for the Finance department and has been scanning long term projects for the Health Department- Clinics and Maternal Child Health.

2025 Objectives

- Continue to work with Information Technology to implement a multi-year Capital Improvement Project to scan older departmental records into the OnBase Document Management system.

2025 Budget Highlights

The office plans to continue to scan & digitize permanent paper records from various departments into the County's OnBase system.

District Attorney

Mission Statement

At the Broome County District Attorney's Office, we are dedicated to promoting public safety, protecting the innocent, and ensuring the safety of the community by enforcing criminal laws and collaborating with law enforcement and community leaders. Our mission is based on the principles of justice for all, honesty, efficiency, and high ethical conduct.

Description

The District Attorney's Office (DAO) has up to 21 Assistant District Attorneys that prosecute all felony, misdemeanor, and violation level offenses annually on behalf of the People of the State of New York and Broome County. The DAO also prosecutes approximately 20,000 traffic tickets annually.

2025 Objectives

- Continue to aggressively prosecute crime effectively and efficiently, while also using crime prevention tools and diversionary programs to reduce recidivism.
- Continued focus on the School Resource Officer Program with an emphasis on education, safety and positive relationship building.
- Continued focus on Bail and Discovery Reform Laws, while, simultaneously, applying for additional funding opportunities and expanding our discovery compliance network.

2025 Budget Highlights

- Purchase of new vehicle for Investigator.
- Creation of a full-time investigator position to be assigned to the Southern Tier Crime Analyst Center.
- Expanding the School Resource Officer Program by increasing collaboration and training within the program.
- Creation of a Juvenile Justice Coordinator.

Audit and Control

Audit and Control

Mission Statement

Audit and Control aims to objectively and independently enhance, protect, and improve Broome County's operations. We strive to ensure that county resources are used in an ethical, effective, and efficient manner and that assets are adequately safeguarded.

Description

The Audit and Control division:

- Provides internal auditing services of various programs, departments, and agencies that assist Broome County in identifying and controlling business risks.
- Ensures that all county bank accounts are reconciled in a proper and timely manner.
- Provides the final review and approval of all disbursements of county funds in a fair, and efficient manner.
- Provides oversight relative to the disbursement of funds for the provision of indigent legal services in Broome County relative to family court matters.
- Manages and maintains Broome County's master vendor file through input controls, maintenance, and archiving of records.

2025 Objectives

- Administer internal self-assessment process with county departments and contract agencies to identify areas of risk throughout the County.
- Use internal audit resources to assist the County in identifying and mitigating business risk.
- Provide guidance for departments relative to accounts payable and internal controls.
- Pay all instruments received within one cycle of receipt.
- Reconcile all bank accounts within 30 days of the bank statement receipt.
- Ensure accuracy of data input into the master vendor file to help safeguard assets.
- Maintain compliance with continuing education and training standards.
- Continue implementing electronic back-up and working towards a paperless environment.

2025 Budget Highlights

- Decrease in Court Assigned Attorney- Family line (600454) – 2024 is the first full year of paying assigned counsel at the increased rate of \$158/hour. Additionally, 2024 is the first year that Audit & Control paid only the family court portion of the County’s assigned counsel responsibility. The decreased amount budgeted in 2025 is reflective of the incurred expenses in 2024.

Audit and Control

Weights and Measures

Mission Statement

To assure a fair and equitable marketplace for both the buyer and the seller by conducting annual inspections and testing of commercially used weighing and measuring devices. To enforce New York State Agriculture and Markets Law Article 16, the New York State Code of Rules and Regulations 1 NYCRR-Parts 220 through 224, and apply the procedures set forth by the National Institute of Standards and Technology.

Description

The Division of Weights and Measures inspects and tests the accuracy and proper operation of commercially used weighing and measuring devices, the accuracy of labeled-by-weight packed in the store commodities, and the quality of gasoline and diesel fuel in accordance with the requirements promulgated by the New York State Department of Agriculture and Markets- Bureau of Weights and Measures.

2025 Objectives

- Participate in the State's fuel quality monitoring program.
- Investigate and resolve all complaints in a timely manner.
- Perform annual safety training review.
- Ensure that all inspections required by law are done on a timely basis.

2025 Budget Highlights

- No significant changes to Weights and Measures budget for 2025.

Elections

Mission Statement

To ensure that all eligible County citizens are offered an opportunity to register and vote in Federal, State, and local elections. Maintain complete and accurate voter information for all registered voters in Broome County. Ensure that the integrity of the balloting process is maintained throughout Broome County. Enforce all provisions of the New York State Election Law. Institute all Federal and State HAVA guidelines. Expand efforts in reaching the public through our website, BroomeVotes.com, and through social media outlets.

Description

The Board of Elections is responsible for the honest and efficient operation of all national, state, and local elections in Broome County. The Board is established pursuant to Section §3-200 of the New York State Election Law.

2025 Objectives

We will continue educating County voters on their newly formed districts, representation, and opportunities to vote in safe and secure elections. We will continue training our staff to remain current with the many New York State mandated Election Law reforms that have been and continue to be signed into law. We will also work with the community to broaden voter outreach with the BroomeVotes.com website, Facebook and Twitter accounts as well as with our Inspector Coordinators to enlist and retain Inspectors. We plan to continue training on the Electronic Pollbooks for Inspectors as well as on our on-demand ballot printers, which continue to ensure easy and secure access to voting for County residents and safeguard voter integrity. We will continue expanding and deploying on-demand printers to more sites, as practicable. In 2024, we successfully upgraded our fleet of voting machines to Clear Ballot Group's dual system, the Clear Cast Go scanner and Clear Mark handicap accessible voting system, for the Presidential Election Cycle. We will look to continue training our Inspectors, Coordinators and Technicians on the new equipment and continue efforts to educate and inform county residents. Board of Elections professionals will continue ensuring the precision and security of each election we oversee while safeguarding the franchise of voting for Broome County citizens.

2025 Budget Highlights

There will be at least 2 elections in 2025, the June Primary for each major party and the General Election in November. The polls will continue to be open for the Primary Elections beginning at 6:00 AM and close at 9:00 PM and Early Voting will be available to voters for each of the 9 days preceding both elections. With the implementation of Automatic Voter Registration, voter record maintenance for our department has increased tremendously, as each interaction with any NYS Agency by a voter now creates documents for us to review, process against their records and recheck. There will be several local elections next year throughout the County and including Broome County Clerk. Another expansion of mail-in voting, Early Vote By Mail, recently went into effect and will require our department to continue shouldering an ever increasing workload. We will

be looking to add 2 full-time positions, Elections Warehouse Coordinators, to help us with this workload by working in a hybrid capacity both overseeing warehouse and voting machine security operations, as well as with in-office work such as processing forms and updating records. As ever, the Broome County Board of Elections seeks to continue serving in our constitutional function by protecting and overseeing the franchise of voting for the citizens of Broome County by employing qualified, proficient professionals committed to our mandate.

Office of Management and Budget

Mission Statement

The Office of Management and Budget (OMB) was established by Local Law 9 of 2010 which amended Article V of the Broome County Charter. The Finance Department and Office of Budget and Research were combined to form this office in 2011. The Director of the Office of Management and Budget is the Chief Fiscal Officer of the County. Accurate accounting and reporting of County financial operations conforming with governmental Generally Accepted Accounting Principles (GAAP) is a primary departmental function. The Director, as County Treasurer, receives county funds and invests cash to maximize return. The department coordinates and prepares the county's operating, capital, and grant budgets, coordinates the biweekly employee payroll process, and prepares necessary state and federal tax and employment information filings. Tax receivable management is a major responsibility.

Description

The Deputy Director for Accounting serves under the Director and oversees accounting, treasury and purchasing. The Deputy Director for Budget works on budgetary and legislative issues along with overseeing the payroll function. This position also assists the Director with the preparation and control of the county operating, capital, and grant budgets.

Town and County real property tax warrants and bills are prepared annually. Information used in their preparation is gathered from various sources. Legislative resolutions are drafted and submitted for approval to the Broome County Legislature.

Certain agreements between local businesses and the Broome County Industrial Development Agency (The Agency) establish payments in lieu of taxes (PILOT) to be paid by the businesses. The county also bills for and collects city payments in lieu of taxes. The Office of Management and Budget computes the charges based on agreements and prepares billings.

Town tax collector warrants expire in April and school and village collector warrants expire in November. Upon expiration of the warrants, the county becomes the receiver of taxes. Unpaid school and village taxes are returned to the county. These amounts are remitted to the school districts and villages the April following their return.

The department receives and records state and federal reimbursement for grant-in-aid and capital programs, departmental income transmittals, sales tax transmittals, mortgage tax transmittals, and proceeds from the issuance of debt.

Sales tax is received from New York State twice monthly (three times in June and December) and distributed to local municipalities quarterly. Mortgage tax is received from the County Clerk monthly and distributed to local municipalities semi-annually. Mortgage tax reports are completed and filed with New York State.

The department maintains county bank accounts using a pooled cash approach to cash management for amounts not legally required to be segregated. Cash is invested to maximize earnings using alternatives prescribed or regulated by state law.

The department maintains the county accounting ledger and prepares the county financial reports. The Annual Comprehensive Financial Report (ACFR) and the State Comptroller's Annual Financial Report (AFR) are prepared in accordance with Generally Accepted Accounting Principles. The department works extensively with external auditors and prepares reports as necessary.

Tax forms are mailed quarterly to establishments authorized to levy the county's occupancy tax pursuant to Local Tax Law. Receipts are made and delinquencies pursued with the assistance of the County Attorney's Office.

Sales tax forms for taxes collected by the county are prepared monthly and uploaded to the New York State Department of Taxation and Finance website.

The department coordinates the county payroll function. This includes various reconciliations and software maintenance. Quarterly and annual payroll reports, including W-2s, are prepared and filed with New York State, the Internal Revenue Service, and the Social Security Administration.

The department is responsible for the management of county fixed assets, except for Willow Point Rehabilitation and Nursing Center.

Debt is issued by the department based on cash needs for the county capital program. An Official Statement is prepared and distributed to capital markets to obtain the best interest rate. Arbitrage computations are completed and mandatory filings to the federal government made.

The Community College budget is also submitted for adoption to the Legislature. Spending guidelines for departments are adhered to, and capital projects are monitored to ensure timely completion.

The Director is also the Secretary/Treasurer of the Broome Tobacco Asset Corporation, maintaining the financial records and prepares the Corporation's financial reports.

General County revenue accounts are presented in the department budget.

2025 Objectives

- Prepare the County Annual Comprehensive Financial Report, federally required Single Audit report, state required Department of Transportation Single Audit Report, and Landfill Financial Assurance Plan.
- Prepare the annual State Comptroller financial report.
- Maintain the financial records and reports of the Broome Tobacco Asset Securitization Corporation.
- Training and cross-training of financial personnel both internal and external to the department.
- Review and update documented processes.
- Issuance of debt as necessary, emphasis on capital project management.
- Maximize earnings on county funds.
- Improve the County financial systems to meet financial information and reporting needs.
- Improve efficiency, enhance performance, and reduce expenses with centralizing financial tasks.
- Assist departments with financial operations.

2025 Budget Highlights

- Continue to be the county center of financial competency and be a resource to county departments including assisting several departments directly with the financial operations in those departments.
- Bring the Purchasing department in as a division of OMB and increasing purchasing staff with two Buyer positions and bringing all staff to 40 hours a week.
- Create an accounts payable team by transferring five existing positions within the county and adding 4 Treasury Clerks and a Manager.
- Change a Principal Account Clerk title to a Treasury Clerk that will be responsible for accounts receivable.
- Upgrading Secretary position to an Administrative Assistant to assist the Director in managing the increase in staff.
- Increase in the education and training and travel appropriations to provide training for all.
- Increase in Interest and Earnings with increase in current interest rates and additional funds available for investment.
- Increase in Tax on Adult Use Cannabis, Casino Licensing Fees, and Compassion Care Act based on trend.
- Reduction in Payment in Lieu of Taxes for the completion of several agreements.
- Increase in copying machine rentals for additional multi-functional printer at Treasury window.

Office of Management and Budget

Purchasing

Mission Statement

To provide quality service through effective teamwork and communication with county departments, political subdivisions, state agencies and vendors in a commitment to obtain the desired goods and services at the lowest possible cost in a professional, ethical, responsible, and responsive and timely manner in accordance with county and state municipal laws.

Description

The Purchasing Division is responsible, in whole or part for:

- The cost-efficient procurement of approximately \$401 million dollars of supplies, materials, equipment, and services for Broome County Government.
- Establishment of County purchasing standards.
- Supervision and implementation of the competitive bidding process.
- Review, preparation, and publication of solicitation specifications.
- Publication of legal notices for solicitations.
- Award notifications.
- Processing of Letter Contracts, Board of Acquisition and Contract (BAC) requests and processing approximately 5,000 purchase orders.
- General contract administration including issuance of notices of default.
- Being the lead agency for service, maintenance and commodity contracts including annual auction, janitorial supplies, office supplies, vending services, and equipment contracts.
- Supervision of the County procurement card programs; County Surplus Auction, vendor purchase programs, vending services.
- Maintain the Purchasing page on County website.
- Supplier relations, department relations, internal & external training, and reporting.
- The relocation, scrapping or selling of obsolete or surplus equipment and vehicles through the bidding process or annual auction (open to the political subdivisions) which generates revenue for all participants.
- Review and sign-off of project MBE requirements.

The Department of Purchasing allows the political subdivisions and any New York State County to participate in purchase contracts. The legislation in Albany passed into law the provision for “piggybacking” on service contracts between counties and municipalities. Adopting a Best Value Local Law allows the County to purchase from National Cooperative Contracts.

Accessibility of our contracts to other municipalities and utilizing National Cooperatives eliminates wasteful bidding or shopping, duplication of time, effort, administration costs, advertising expenses, etc. and has resulted in lower prices generated by the combined larger volume.

2025 Objectives

- Continue to expand the County’s outreach on BidNet’s e-procurement system to post county solicitations. This system increases exposure to County solicitations for prospective bidders, promotes widespread competition and results in better prices for Broome County.
- Continue to provide internal & external education on purchasing goods and services in accordance with General Municipal Law sections 103 and 104.
- Continue our work with Information Technology to implement interdepartmental paperless transactions which will greatly enhance productivity and reduce paper and copier use.
- Continue to educate local businesses on Best Value and how to do business with Broome County through vendor outreach programs, MWBE and Disabled Veterans workshops.
- Promote responsible use of Procurement and Travel cards within Broome County departments.
- Ensure procurement card and travel card controls are being upheld based on New York State Purchasing guidelines, County law, policies, and procedures.
- Continue the Broome County Purchasing Alliance (BCPA) Medicare Advantage Prescription Drug Program.
- Continue expanding the annual auction to include additional political sub-divisions.
- Expand Purchasing to a centralized organization including appropriate staffing to meet the County’s objectives.
- In addition to the annual surplus auction, continue monthly live and on-line bidding.

2025 Budget Highlights

- Implement the process of electronic bidding.
- Liaise with local municipalities to promote national cooperative purchasing and shared services.
- Continue internal education on PeopleSoft Financials and our purchasing and procurement processes.
- Continue promoting internally and externally on the benefits of purchasing via national cooperatives.
- Continue outreach to educate local businesses on how to do business with Broome County and how to join national cooperatives to keep purchases local.
- Continue training and education for Purchasing staff on NYS General Municipal Law (GML).
- Website portal for Best Value tutorials with links to training materials and links to the national cooperatives. Include dates training opportunities will be held.
- Move to phase 3 of the Online BAC module project in partnership with Info Tech.
- Reorganize to a division within the Office of Management and Budget.
- Addition of Buyer positions to provide for centralization of purchasing.

Communication Services

Mission Statement

BCIT Communication Team's aim is to provide innovative and modern services through engaged communication, timeliness, and professionalism.

Description

The Communications Division consists of three main functions:

- The Graphic-Design service uses the latest software and applications to create a variety of customer driven requests.
- The Printing Service consists of full color copy equipment, high-speed, high-volume black and white copy equipment, digital envelope printers and a variety of bindery equipment, along with advanced printing software.
- The Mail Service offers pick-up and delivery, sorting and mail processing for all County departments while using procedures to defray the rising cost of postage.

2025 Objectives

- Work with the Executive's Office to define a standard for all County public facing print and electronic media and providing a manual for departments to follow.
- Explore new revenue sources in local government and non-profit organizations in Broome and surrounding counties.
- Update the Print Shop catalog to include samples and pricing. Distribute the updated catalog to schools, government nonprofits, outside agencies, towns, and villages at the appropriate times of year for each.
- Phase out legacy equipment and replace with modern platforms.

2025 Budget Highlights

- Maintain a balanced budget while advancing toward the use of digital printing technology, reducing the need for printing chemicals while continuing to provide the highest quality and fastest service of print products.

- **E:** Ensure community engagement and creative use of BCIT resources.

Description

Administration Team provides overall direction, general administrative oversight, budget related processes, contract management, and clerical support for the entire division.

Information Infrastructure Team

- **Network Team** is responsible for the design, development, implementation and maintenance of Broome County's network, voice, Wi-Fi, and unified communication systems. They design and manage the network infrastructure including routers, switches, firewalls, and virtual private network connections. They also maintain all data communication lines and wireless data connections between County facilities and many municipalities and non-profit groups.
- **Systems Team** supports all server and security equipment County-wide. This includes resolving problems, maintaining existing equipment, and installing new servers, appliances, network storage, etc. They prepare specifications for all computer equipment and software. They order, receive, test, and install new servers, network storage, spam filters and web filters. The staff also plans all enhancements in

equipment and assists the Programming staff with related matters. They are also the interface between vendor supported applications, the vendors, and the users. System Support Staff also provide 24x7 emergency on-call support for critical safety systems and networks.

- **IT Support Team** staff provides computer user support during regular business hours for all systems and provides emergency on-call 24x7 support of critical safety systems. The staff purchases, configures, and deploys all new desktop, laptop and mobile equipment and peripherals.

Information Application Team

- **Programming/ Application Team** supports and maintains HR, Payroll and Financial systems and related applications. They develop new custom applications where an existing commercial application is not available. They perform problem resolution, conduct feasibility studies, research new solutions and software packages, and develop user documentation and training materials for new programs.
- **Communication Services Team** is responsible for providing services such as graphic design and digital printing, color and black/white photocopying, and mail services to all County departments, designated agencies, non-profit organizations, schools, and local governments.

2025 Objectives

- Engage in a systematic review of BCIT's operational resiliency to improve responsiveness and increase departmental efficiency.
- Provide digital transformation, focused on transforming cloud transition combined with advanced digital technologies.
- Phase out BCIT legacy Applications, Infrastructure and Systems platforms. Provide resiliency needed for continually expanding needs in a secure and fiscally responsible fashion.
- Modernize Cyber defenses that meet all audit, legal and regulatory requirements. Update IT Security policies, procedures, and Cybersecurity Response Plan.

2025 Budget Highlights

- Replace End-of-Life, End-of-Support (EOL/EOS) BCIT platforms in a cost-effective way.
- Evaluate contracts to update the terms of support and phase out legacy and duplicate platforms.
- Replace EOL/EOS storage systems, Wi-Fi infrastructure, network equipment, firewalls, and VOIP with a secure and robust solution while expanding coverage.

LAW

County Attorney

Mission Statement

To legally protect and indemnify Broome County Government in deliberations and actions by providing effective legal representation and advice to the County Executive, the Legislature, and all county departments and various boards.

Description

Draft resolutions, local laws, contracts, and other documents at the request of Broome County departments, boards, officers and employees.

Defend the County of Broome, its officers and employees in all civil actions commenced against them in local, state, and federal courts and to initiate litigation on behalf of the county to recover money and property due the county.

Assist county departments in resolving disputes with outside vendors, contractors, and landlords to avoid litigation when possible.

Represent and advise the Broome County legislature, the Board of Acquisition and Contract, the Public Library, Broome Community College, the Arena Board and other county legislative and advisory boards.

Prosecute children who either break the law or need supervision in the name of the state.

Prosecute health code violations and illegal dumping cases.

Represent the county in all administrative hearings and reviews at the local, state and federal level.

Represent the Director of Office of Management and Budget in her capacity as public administrator of decedents' estates.

Provide formal and informal legal advice to all departments.

Assist the Department of Risk and Insurance in mitigating legal risk faced by the County.

Prosecute School Bus Stop Arm violations.

2025 Objectives

- Continue our policy of vigorously defending the county and settling litigation only when it is clearly indicated to be in the best interest of the county to do so.

- Continue to assist county administration and legislators in county economic development initiatives.
- Assist county administration and legislators in continuing to deliver services to county residents.
- Assist county administration and legislators in reviewing and revising, when necessary, the Broome County Charter, local laws and resolutions.
- Continue to work with the Department of Social Services, Probation and Youth Bureau in managing placement and other services for minors in our community.
- Continue to work with OES and Security to enforce School Bus Stop Arm violations.

2025 Budget Highlights

- Maintain current level of services to county departments.

DSS Legal Unit

Mission Statement

Provide exemplary legal representation and counsel, to effectively support the many programs administered by the Broome County Department of Social Services.

Description

The function of the Legal Unit is to represent the Department of Social Services effectively in court and administrative hearings, and to advise and furnish legal services in support of the department's many programs.

In representing the department's Child Welfare and Child Support Programs, the Legal Unit is the single highest volume user of Broome County Family Court. For 2023, Legal Unit Family Court appearances totaled 2,528.

The Legal Unit is the legal safeguard for Broome County's abused and neglected children. Complex Family Court cases involving child abuse, child neglect, and foster children accounted for 1,255 attorney appearances.

Revenue producing cases seeking reimbursement for public assistance and Medicaid expenditures accounted for 1,273 court appearances. Legal Unit attorneys also appear in significant appellate and other litigation, particularly litigation involving the department's Medical Assistance and Protective Services for Adults Programs, as well as cases involving permanence for foster children. Each of these cases involves extensive preparation and court time.

Despite reorganizations, turnover of department administrative and line staff, and state and federal legislative changes that make recoveries of expenditures more difficult, in addition to its successful Medicaid activities, the Legal Unit continues to be extremely revenue positive. Non-child support collections involving personal injury, property, mortgage, and estate claims for 2023 totaled \$1.44M. For 2024, Legal Unit non-child support collections are projected to exceed \$1.25M. For 2024, child support collections representing recoveries of public assistance expenditures are projected to total an additional \$2M. Overall, Legal Unit 2024 collections are anticipated to total over \$3M.

The Legal Unit historically has successfully taken a leadership role in revenue producing "special endeavors" for Broome County. For example, Broome County's participation in New York State's Medicaid Provider Fraud Demonstration Project. Over 25 audits of local area providers involving over \$50 million in Medicaid claims were audited. Over \$1M in recoveries were obtained through the Legal Unit's Medicaid compliance and other special revenue activities. The Legal Unit also provides significant support for Broome's exemplary welfare fraud program.

In addition to actual monetary collections to reimburse cash welfare and Medicaid programs, the Legal Unit continued to obtain significant Medicaid cost savings through securing court orders requiring private health insurance to pay for health care, prior to Medicaid funds being expended. Legal Unit third party health insurance reimbursement efforts substantially contribute to over \$20 million annual Medicaid savings. These savings facilitate New York State's ability to ease its Medicaid financial burden on counties.

2025 Objectives

- Maintain operations by utilizing necessary technologies to work remotely and effectively. Including, managing high volume "virtual court" requirements for Child Welfare and Child Support caseloads.
- Continue to be revenue positive, through obtaining substantial monetary recoveries to reimburse public assistance and Medicaid expenditures.
- Provide legal counsel to facilitate Social Services' as the county's Persons In Need of Supervision (PINS) lead agency, and assure compliance with state mandated juvenile justice reforms, including facilitating legal compliance with juvenile detention reform initiatives to assure Broome County does not exceed New York State Detention Block Grant funding.
- Maintain compliance with Federal Title IV-E and *Families First* foster care standards, by assuring legally compliant court orders are obtained involving all foster children, thereby facilitating Broome County's continued receipt of substantial federal reimbursement.

2025 Budget Highlight

- Ensure retention and recruitment of skilled professionals to process complex emergency child protective and other litigation documents.

Personnel

Mission Statement

To administer the provisions of the New York State Civil Service Law and the Broome County Civil Service Rules fairly and equitably with respect to the offices and employment in the classified service of 43 Broome County departments and the civil divisions therein, as well as sixteen towns, seven villages, twelve school districts (except Binghamton) the Southern Tier East Regional Board, and the Broome County Soil and Water Conservation District. Labor relations consulting to towns, villages and Binghamton Sewage Treatment Facility is provided as necessary.

The department also administers various human resource functions of county government including employee relations, employee benefits, leaves of absence, record management, recruitment, training, and staff development.

In addition, the department is responsible for the administration of various federal, state, and local laws, rules and regulations including the Taylor Law, Fair Labor Standards Act, Affordable Care Act and Family and Medical Leave Act. The Department's mission is to provide the highest quality personnel services to our employees, retirees, and prospective members of the County workforce, while promoting effective and efficient County government.

Description

The Broome County Department of Personnel is comprised of four functional units as follows:

The Civil Service Administration Unit administers New York State Civil Service Law and develops and maintains the position classification plan. This unit also administers competitive examinations, certifies payrolls, reviews applicant qualifications, reviews and approves appointments and personnel changes, oversees state mandated roster card maintenance, certifies civil service eligible lists, develops and maintains county civil service rules, provides advice, counsel and support to appointing authorities in the county, the towns, villages, school districts and special districts, and calculates all lay-offs for the county and the jurisdictions. All civil service functions are mandated by New York State Civil Service Law which forbids charging for any services; however, we can charge exam fees. The state continues to decentralize more exams which is time consuming for our staff. It is the goal of this unit to uphold the standards of merit and fitness in the hiring of all civil service employees, as required by the New York State Constitution. The unit continues to work with Information Technology in automating as much of these processes as possible to provide better service. In the past several years, the Personnel Department has been providing monthly Civil Service classes at the Office of Employment and Training to assist the unemployed with training on Civil Service procedures, how to apply for exams, navigating the Department's website etc.

The Personnel Administration/Benefits Unit is responsible for the administration of county benefit programs (i.e., health insurance, life insurance, disability insurance, dental, flexible spending accounts, and retirement benefits). This unit also administers the central records system (payroll and position control files), unemployment insurance, leaves of absence, is responsible for maintenance and updates of the Personnel Policy and Procedures Manual and Employee Handbook and maintains personnel files and state required roster cards under the guidance of the civil service unit. Other areas of responsibility include monitoring employee performance evaluations, salary and longevity administration, employee assistance program, recruitment, new employee orientation and development and coordination of programs to improve employee productivity and morale such as flu shot programs and coordination of special training requests. Support is provided to the Personnel Officer and Deputy Personnel Officer by developing and producing specialized reports and researching employee histories. The unit ensures compliance with the Family and Medical Leave Act, Sexual Harassment Training, Affordable Care Act, and COBRA Laws. There is coordination with the New York State Retirement System on special events such as early retirement incentives and seminars. This unit is responsible for the distribution of retirement information from the retirement system to the employees. The unit answers all employee verification requests. It is the goal of this unit to provide information services to the employees, department heads and supervisors of Broome County in an efficient and courteous manner.

The Personnel Department Employee/Labor Relations unit is responsible for negotiating and administering eight collective bargaining agreements. This includes the handling of all grievances, disciplinary matters and improper practices as well as providing advice on topics such as attendance, performance, and layoffs. The Department also monitors compliance with and offers guidance on a variety of laws pertaining to the human resource function including the Family and Medical Leave Act, Fair Labor Standards Act and Taylor Law. Issues regarding unemployment benefits, human rights complaints, and Federal Department of Labor. Equal Employment Opportunity Commission (EEOC) complaints are also addressed as necessary. Supervisory training is also provided in the areas of discipline and contract administration and attempts to resolve issues in an informal manner is always recommended. The goal is to work with county and union representatives to prevent potential problems and to resolve problems that do arise. The Department seeks outcomes in the best interest of Broome County while also providing a fair and equitable workplace for the employees of Broome County.

In many cases, these outcomes alleviate costly legal expenses from arbitration hearings or other litigation. Numerous conflicts have been resolved in 2024 before they reached the arbitration and/or litigation stage. This continuing cooperative relationship between the county administration and the various employee labor unions has proved to be successful and cost effective to both parties.

Due to the relationships built up over the years, most conflicts end up being resolved to the mutual benefit of everyone involved.

EEOC duties and responsibilities are performed by the Personnel Officer, Deputy Personnel Officer and members of the Personnel Administration and Benefits Unit.

The responsibilities of this function include the following:

- Administration of the county affirmative action plan and policies, the Minority/Women's Business Enterprise, and disadvantaged Enterprise programs.
- Education and training of department heads, managers, and staff to ensure that the county is compliant with federal and state legislation such as the New York State Human Rights Act, Federal Equal Employment Opportunity laws, Sexual Harassment, Americans with Disabilities Act (ADA), and New York State disability laws.
- Investigation of alleged discrimination, sexual harassment and non-compliant practices related to equal employment opportunity.
- Analysis of county employment processes including testing, hiring policies, training, promotion, to develop outreach and hiring programs to attract protected class candidates to county employment.
- Outreach activities including participation in public forums focusing on public employment opportunities, the civil service process, and application procedures.
- Consultation with county departments, contractors, and project managers to ensure that the County is compliant with laws, regulations, and contractual agreements with federal and state funding agencies.

2025 Objectives

- Provide in-house guidance and training for county departments in the following areas: General management and supervision skills and defining the impact of Civil Service Law, federal and state labor laws, HIPAA, FMLA, FLSA, Sexual Harassment and labor relations issues such as employment, discipline, and discharge issues.
- Expand automation of processes:
 - Establishment of certification of eligible candidates electronically for all eligible lists.
 - Work with New York State Civil Service to streamline access to exam information.
 - Accept civil service exam applications and payments online.
 - Continue to work with Information Technology to facilitate personnel transactions, including benefit options, to be completed on-line, which was introduced in early 2019.
 - Update website and expand on available support material.
 - Continue the electronic forms project with the goal of all Personnel new employee orientations available in the near future.
- Provide education and training to department staff.
 - Identify appropriate training to enhance employee skills and improve efficiency.
 - Utilize New York State Department of Civil Service, NYSAC, and various human resources associations free or low-cost training.
- Expand training and education for civil service jurisdictions.

- Updates on civil service requirements.
- Support the county administration efforts to provide labor relations and human resource support services to municipalities throughout the county.
- Support the PeopleSoft/Oracle Human Resources and Talent Acquisition software, and paperless human resources efforts to analyze and streamline departmental procedures, including recruitment and onboarding.
- Implement and expand Personnel involvement in full cycle recruitment.
 - Create and maintain up to date position vacancy list for each department.
 - Implement candidate sourcing efforts through advertising on Broome County Career page, Job Boards and social media (Indeed, LinkedIn, Facebook).
 - Attend local in-person job fairs and virtual job fairs to recruit qualified candidates.
 - Continue to streamline the hiring process from time of application today of orientation.
 - Create, maintain, and utilize applicant tracking system.

2025 Budget Highlights

- Civil Service Application Fee revenue from civil service exam fees is estimated to be \$13,000 in 2025.
- Health Care Administration – The Risk and Insurance Department is charged for the salary and fringe benefits of the Personnel Assistant position responsible for benefits administration. That revenue shown in Health Care Administration is included in the 2025 budget for \$84,993.
- The Risk and Insurance Department is charged back for administrative services of the Personnel Assistant. This revenue is recorded in Other Departmental Chargeback. The 2025 amount budgeted is \$26,000.
- The majority of Personnel staff have many years of experience in the Department and along with this experience much institutional knowledge that is extremely difficult to replace at time of staff retirements. We had a long-term employee retire in 2024, but she has agreed to stay on and help us train staff, therefore I have increased my temporary salaries to accommodate this. This retirement has also caused us to make some changes with our staffing. We promoted a Personnel Associate to a Sr Personnel Associate, and then flip the Personnel Associate position to a Trainee to promote a Personnel Assistant. I am also requesting to change our Secretary to a Personnel Assistant. The duties being performed by that position more align with this title.
- In 2024 we began utilizing a labor relations law firm to provide us with professional services regarding Civil Service Law, Unemployment Insurance Law, Human Rights/Discrimination, Sexual Harassment Investigations, Contract Administration and Enforcement, ADA, FMLA and many other areas. Most importantly, they have provided negotiating services in 2024 for the four bargaining units that expire at the end of 2024, and they will continue to provide negotiating services for the four bargaining units whose contracts expire on December 31, 2025. I have also added additional money in anticipation of arbitration that they will handle for us in 2025.

Public Defender

Mission Statement

Our goal is to provide client-centered representation and zealous advocacy in all courts throughout Broome County with support from our team of advocates, investigators, interpreters, and other staff. We endeavor to ensure that those facing incarceration have their constitutional and statutory rights protected, that the law is administered with neither discrimination nor disproportionate punishment, and further, that no one who is innocent is wrongfully convicted. Our commitment is to treat our clients with dignity, compassion, and fairness.

Description

The Broome County Public Defender's Office provides legal representation to all indigent persons accused of crimes in Broome County as mandated by the Constitutions of the United States and the State of New York. This office, with support from our team of advocates, investigators, interpreters, and other staff, acts as defense counsel from arraignment through trial and all stages of appeal for criminal cases ranging from simple violations to homicides. We also represent those subject to violations of probation or parole. This involves the full range of investigatory, pretrial, sentence mitigation and appellate representation required in criminal cases. This office services each of the 19 Village and Town Justice Courts, the Broome County Centralized Arraignment Part, the Binghamton City Court, Superior Courts of Broome County, and all higher Appellate Courts. Attorneys and Investigators are on call 24 hours a day, seven days a week to assist recent arrestees.

2025 Objectives

- Continue to provide effective defense to all clients through client-centered representation so that all constitutional rights are guaranteed, including the right to a fair trial.
- Recruitment, retention and promotion of valuable staff and attorneys.
- Continue to implement ways to increase the efficiency in the delivery of our services at every level.
- Integration of the required Caseload Standards for indigent defense for Broome County.
- Continue to partner with the Binghamton University School of Social work for field placement internships and expand our non-attorney social support staff.
- Working with Gideon's Promise to develop and implement the core values of our office.

2025 Budget Highlights

- Criminal Defense Services Funding \$625,000 [S.4003-D/A.3003-D (p. 111)].

Funding for defense service and expenses incurred pursuant to a plan as yet prepared by the DCJS Commissioner and approved by the Division of Budget. As of the date of this memo, DCJS has yet to promulgate the regulations setting forth Broome County's share of the funding, specific funding criteria and claiming said funds.

- Criminal Defense Discovery Funding \$625,000 [S.4003-D/A.3003-D (p.110-111)]
Funding for defense services and expenses related to discovery implementation, including but not limited to digital evidence transmission technology, administrative support, computers, hardware and operating software, data connectivity, development of training materials, staff training, overtime costs, and litigation readiness.
- Continued grant funding from the NYS Office of Indigent Legal Services to supplement our operating budget.

Assigned Counsel

Mission Statement

The Broome County Assigned Counsel Program (BCACP) is committed to providing and coordinating critical resources for assigned attorneys to utilize to aid in their representation of individuals who are unable to afford retained counsel in criminal defense cases, and to promote quality representation by employing guidelines that will ensure compliance with Indigent Legal Services (ILS) standards for indigent defense as well as New York Rules of Professional Conduct.

Description

The Assigned Counsel Program implements the New York State 18-b plan for all Broome County criminal defense case conflicts.

2025 Objectives

- Continue staffing of the program administrator, a deputy administrator/supervising attorney, full-time chief investigator, executive administrative assistant, and administrative assistant to support panel attorneys in their representation of clients in assigned criminal matters from arraignment through appeal.
- Maintain a resource center for panel attorneys to utilize in connection with their assigned criminal cases that will include a conference room, private workspace, internet access and other IT resources.
- Maintain a panel of private investigators, experts, and other non-attorney professional services in connection with plea negotiations, trial preparation, litigation, mitigation, sentencing and post-conviction relief.
- Implement a case management program/system for panel attorneys to utilize to simplify workflow and work product, aid with capturing, reviewing, and storing discovery, and improve time keeping.
- Develop and maintain second-chair and professional development programs; and
- Provide/coordinate regular fee CLE programs to panel attorneys through the Broome County Bar Association, the New York State Association of Criminal Defense Lawyers, the New York State Defender's Association, and other approved and accredited providers.

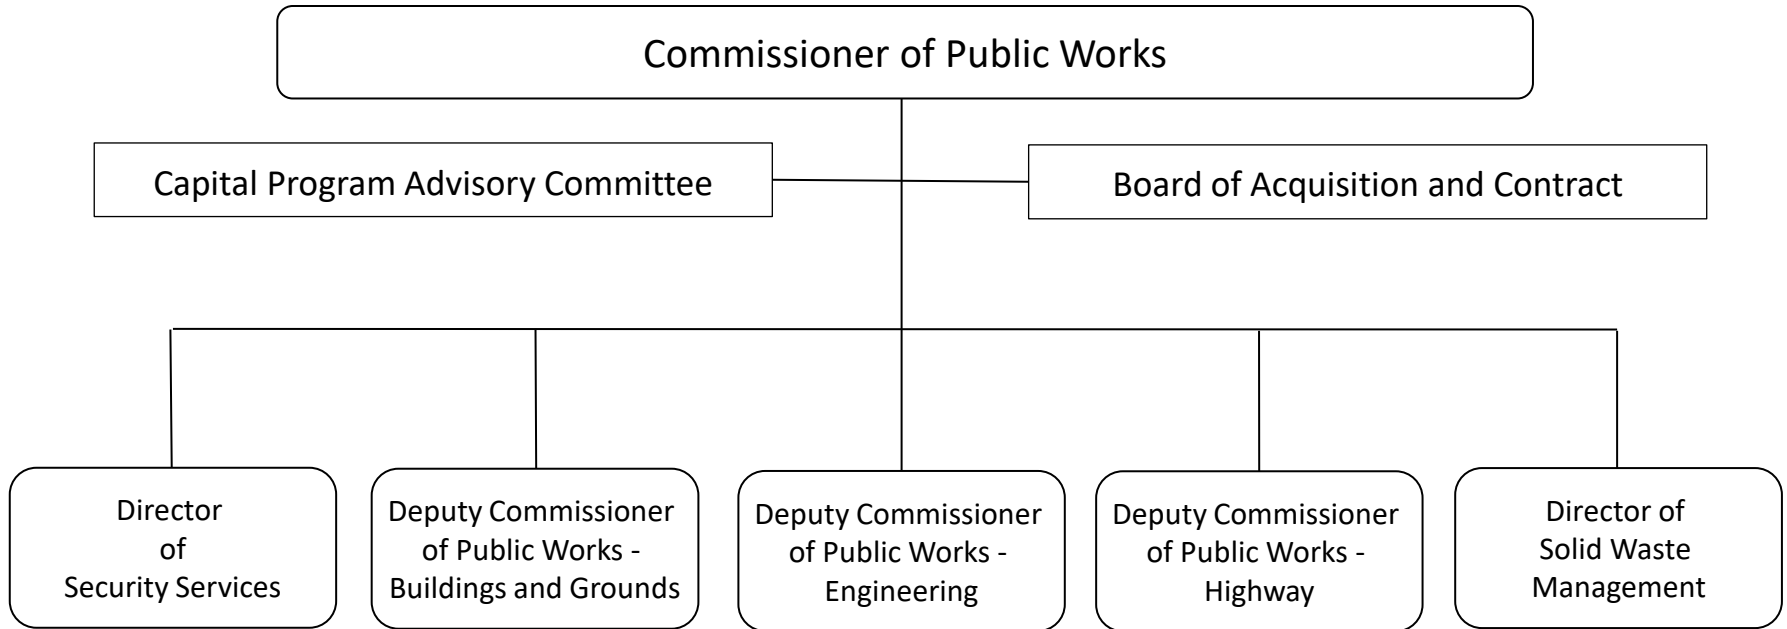

2025 Budget Highlights

- BCACP will continue fulfilling the 18-b Attorney vouchers on all criminal matters.
- The Assigned Counsel Program, by implementing and maintaining the quality improvement initiatives set by the New York State Office of Indigent Legal Services is able to take advantage of a budget line of \$500,000 per year for the next three years from the Office of Indigent Legal Services that provides funding for Increased Vouchering Costs upon reaching annual benchmarks. That is an additional 1.5 million dollars available to satisfy assigned counsel vouchers that Broome County would otherwise be responsible for.
- Additionally, by maintaining thorough and complete vouchering records, Broome County can seek further reimbursement from New York State under the program to assist counties with increased vouchering costs. This program, also through the New York State Office of Indigent Legal Services, has accepted Quarterly Claim for Payment forms and source documentation from the ACP. The result is that Broome County has been able to reclaim more than \$130,000, QUARTERLY, from New York State.

Public Works

Administration

Mission Statement

To provide leadership, management, oversight, and support to all divisions within the Public Works Department.

Description

Provides general administrative functions to other divisions of the department, including management and leadership support related to coordination between the department divisions and the executive and legislative branches of the county government. This includes support with capital improvement program planning and implementation, as well as division budgeting and support with general administrative needs.

2025 Objectives

- To provide high-quality management of all department divisions with an emphasis on continued first-class service of Public Works functions to both county staff and residents of Broome County.
- To provide efficient and cost-effective guidance and organizational leadership with the primary goal of maintaining and improving the physical attributes of Broome County through good planning and implementation of the county's capital improvement program.
- Centralize administrative functions between all department divisions to better distribute workload and cross-train for absences and continuity of functions.

2025 Budget Highlights

- To continue to provide the administrative resources and management support necessary for the Department of Public Works to maintain existing levels of service.

Engineering Division

Mission Statement

To provide quality engineering design, support, and project management services required to maintain county infrastructure including roadways, bridges, culverts, parks, and county buildings and facilities; and to serve the residents of Broome County.

Description

As a primary unit of the Broome County Department of Public Works, with a principal goal of providing quality engineering services in support of maintaining and upgrading the County's Infrastructure (parks, bridges, culverts, roadways, and buildings/facilities). The division accomplishes this mission as follows:

- Implementation and management of projects assigned by the Commissioner of Public Works in conjunction with the Capital Improvement Program identified and approved by the County Legislature.
- Taking the lead in maintenance, repair, and rehabilitation projects related to county bridges and large culverts including design and construction monitoring of bridge and culvert repairs to address structural flags and/or deficiencies.
- Managing facility-related upgrades and projects within the parks system and county wide.
- Providing engineering support to other units with Public Works as well as to other Departments within the Broome County Government.
- Providing a myriad of other infrastructure and County-wide program management and support function such as annual monitoring and inspection of the county's dams/watersheds and petroleum bulk storage facilities; oversight to county's building permit program; managing and overseeing the county's MS4 program; and oversight of the county's ADA compliance program.

2025 Objectives

The Engineering Division is committed to furnishing engineering services to Broome County in an efficient and cost-effective manner. We strive for engineering excellence and professional development. Our long-range objectives include:

- To deliver cost effective service to all county departments and the public in a timely manner.
- To work in unison with all county departments regarding their maintenance needs and capital improvement programs and to assist in their efforts to develop infrastructure inventory, and repair/upgrade plans.
- To advance the development of a multi-functional engineering division with a multi-disciplined staff, and to promote high technical standards, encourage leadership and foster career development among staff.

- To advance the goal of mapping all county infrastructure utilizing GPS and developing a geographical catalog of county infrastructure for use by Public Works.

2025 Budget Highlights

- Increasing salaries across the division to encourage qualified candidates to apply to backfill vacant positions.
- Creating and filling two additional lower-level positions expand our internal capacity to manage projects and engineering support services to the County.
- Create new stipend to encourage staff in the Assistant Engineer, Engineer I, and Engineer II positions to obtain their Professional Engineering License in New York State. \$750 annually for those who complete the Fundamentals of Engineering examination and \$1,500 annually for those that complete the Principles and Practices of Engineering examination and maintain licensure with New York State.
- To future develop our internal capabilities regarding federal aid, highway and facility design and project management.

Public Works

Fleet Management

Mission Statement

To provide and maintain a fleet of vehicles that will meet the needs of the individual departments with respect to safety, efficiency, and ease of operation.

Description

Maintain the fleet vehicles from purchase to disposal in accordance with the established Broome County Fleet Management Vehicle Replacement Policy/Program. Vehicles are purchased per state contract prices and are serviced and inspected for safety. Vehicles are disposed of as replacement funds become available.

2025 Objectives

- To continue to provide service to vehicles at a cost less than the IRS rate per mile.
- To develop a newer more fuel-efficient fleet.
- To continue to purchase new vehicles to meet criteria on alternatively fueled vehicles.
- To reduce the incident ratio on repairs to vehicles.

2025 Budget Highlights

- Maintain a fleet of safe vehicles cost effectively.
- Purchase fuel efficient vehicles to contain costs.

Real Property Tax Services

Mission Statement

Real Property Tax Services Department is mandated by New York State Real Property Tax Law, Section 1530, and is responsible for coordination of assessment administration in the towns, villages, and city. Under the Broome County Charter, the agency also has tax enforcement and property recording duties. The department operates with authority under the New York State Real Property Tax Laws and County Charter. Additionally, Section 1184 establishes procedures to collect taxes through an installment program, which the department administers. School taxes are collected for the Binghamton City School, Sunrise Terrace, Chenango Valley, Chenango Forks, Deposit, Harpursville, Johnson City, Maine-Endwell, Susquehanna Valley, Union-Endicott, and Whitney Point school districts. Property taxes are also collected for the City of Binghamton and the towns of Binghamton, Chenango, Conklin, Dickinson, Fenton, Kirkwood, Nanticoke and Union. We are a Taxpayer Customer Service driven Department.

Description

Assessment Administration includes the production of assessor field books, tentative and final assessment rolls, annual assessors' reports, annual exemption reports, computation of utility, special franchise, state land, telecommunication, and railroad assessments for sixteen Towns, the City of Binghamton and seven Villages. It further requires maintenance of ownership records, assessors training and support, Board of Assessment review training, and tax error investigations for twenty-three County municipalities.

Tax Roll and Bill Processing includes tax corrections and refunds, special district re-levies, tax roll balancing, collector input, tax rolls and bills for sixteen Towns, the City of Binghamton, six villages, nineteen school districts, and four hundred fifty special districts. Duties include interfacing with the NY State ORPTS, filing and recording parcel information into the RPS System for proper tax bill printing and issuing individual municipal/school tax warrants in the County.

Foreclosure includes title searches, legal notices, mailings, postings, court filings, financial accounting, property inspections, tax sale auctions, and other enforcement duties, on the annual average of 2,500 delinquent taxpayer properties in the County.

Taxpayer Assistance includes helping taxpayers with assessment issues, exemption clarification, correcting errors in property tax bills, tax map problems, pending tax foreclosures, tax foreclosed property management, municipal code compliance and general assessment administration questions. The Department implements the Tax Installment Agreement Program allowing delinquent

taxpayers an opportunity to pay taxes in 24 monthly installments. Plus receiving/recording payments and issuing certificates for redemption, withdrawals, and reinstatement. Real Property administers the Hardship Sellback program.

Tax Map includes map changes by deeds including splits, combinations, filing of subdivisions, error investigations, corrections, issuing of maps to sixteen Towns, the City of Binghamton, seven Villages. The GIS Information System available on County Website is an important tool and gaining in popularity with the public with over 200,000 annual parcel views with 8,900 printing of PDF tax maps. Mapping and RPS provided by Real Property is the source of this information. GIS assists in Economic Development and is a critical function. Mapping issues 911 address location for new parcels.

County Tax Foreclosure, including Social Service and Office of Aging interaction implements; title searches, preparation of legal documents (Deeds, RP-5217's and TP-584's), vouchers, tax searches, appraisals, court documents, and record follow-up. Addressing and insuring proper handling of the Hardship Sellback Program opportunity to taxpayers. Establishing the County Real Property tax auction, calculating base tax owed, managing the preparation of the properties, and handling the vacating of occupants and squatters while controlling the cost of the property maintenance.

Tax Collection includes collecting, posting, daily deposit preparation, performing warrant adjustments, sending escrow receipts, assisting taxpayer and escrow companies, resolving problems, reconciliation of property tax warrants and settling with OMB in Broome County and 4 other counties for school tax collection. Switching to **Municipay** for tax payment by credit/debit card and e-check has been highly successful with excellent reporting systems and minimal problems across all towns and school districts. We work with our vendor ATC to roll out a new tested collection system to make for seamless reporting to taxlookup.net.

Installment Program includes the necessary research, implementation, collections, record-keeping, and statistical analysis to administer over 350 agreements annually. This also includes interacting with taxpayers individually as they request to enter and maintain their agreement. Includes daily interaction with the public in the collection of a debt and the situations that arise. The success rate of this program is eighty-seven percent effective.

Property Management include securing and repairs to maintain the present condition of foreclosed properties; cooperating and addressing municipal code violations of County owned property and resolving occupant/squatter issues in attempt to minimize the County's liability.

2025 Objectives

- Continue to assist all municipalities within Broome County with their assessment and tax collection goals. Real Property will continue to offer the service of tax collection for any municipality in the county.
- The assessment community will continue to be updated with the most current county and state legislation as it applies to the assessors. We will continue to assist local assessor in Tax Certiorari cases that place local municipalities at risk of unbalancing budgets.
- Internal restructuring within the department will enable the department to operate in a more efficient manner and cross train individuals in multiple disciplines, within Union guidelines, thus to minimize disruption due to personnel changes or illness.
- Enhance a tax collection software program for better support and reporting. This will enable both systems for County tax receiving and City delinquent tax collection along with other functions necessary for accurate tax collection both at County and City levels.

2025 Budget Highlights

- With the new decision made on In-Rem foreclosure process, our department will face many challenges in the upcoming year with the administration of the tax foreclosure and auction process including the disbursement of auction surplus.
- Upgrade one position to include an Appraiser beneficial for the new changes to foreclosure law and begin training for valuation and appraisal values of property within the County.
- We will continue to build upon our relationships with the municipalities through meetings and communication with Town Supervisors regarding our pending foreclosed properties and interfacing with the Building Code Departments to enhance affordable owner-occupied housing.
- Address the aging and potential retirement of local Assessors across all municipalities within Broome County. The historical knowledge and consistency these individuals retain requires documentation and active succession plan coupled with adequate training program and mentoring.
- Continue our work with the Broome County Landbank and Habitat for Humanity to address the demolition of blighted properties and facilitate the selection of both County and City properties for affordable housing programs. Also, will work closely with Southern Door Land Trust to encourage and foster their mission of affordable housing.

Health Insurance

Mission Statement

Provide a cost-effective alternative to commercial health insurance for eligible current and former county employees.

Description

The Health Insurance Fund, established by Resolution 81-298, is an Internal Services Fund providing health claims administration including in-patient and out-patient medical treatment, and prescription drug coverage.

2025 Objectives

- Continue to improve, explore cost saving programs, and increase administrative efficiencies to improve the County's profitability by reducing health insurance costs.
- Closely monitor and manage high-cost claimants of the Plan to keep cost minimal.

2025 Budget Highlights

- Continuing budget with appropriate inflationary trends.
- Continue to leverage the pharmacy coalition to offset typical municipal pharmacy inflationary trends. The goal is to help the health plan save money by combining our purchasing power.
- Continue to leverage the Medicare Health coalition to offset typical municipal Medicare inflationary trends.

Risk and Insurance

Risk Management

Mission Statement

To maintain an effective program of identifying, controlling, and financing risks to the county.

Description

The Office of Risk and Insurance, as part of the Law Department, is responsible for:

- Risk identification through inspections and review of operations.
- Risk control through enforcement of code and regulatory requirements and recommendations for risk containment.
- Risk financing through commercial, funded, or unfunded programs.
- Transferring risk to vendors by requiring and reviewing vendor insurance.
- Claim investigation to aid in claim denial, settlement, or defense.

The County has been self-insured since 1979 when the Risk Management Office was established by Local Law 16 of 1979.

2025 Objectives

- Implement strategies to reduce the total cost of risk using various enterprise risk management concepts.
- Examine Excess Insurance costs to cap liability to the reserve fund.
- Continue to increase Broome County Reserve Fund.

2025 Budget Highlights

- Continuing budget with appropriate inflationary trends.

Workers' Compensation

Mission Statement

To provide a professionally managed workers' compensation program for Broome County and participating municipalities in accordance with Local Laws 1 of 1956 and 10 of 1974.

Description

- Provides claims administration and pays all workers' compensation/volunteer firefighter indemnity and medical claims as well as state assessments.
- Processes all requests for coverage under the 207-C General Municipal Law, arranges hearings, and reviews determinations when appropriate.
- Processes claims for the county as well as fourteen participating municipalities. Cost for the county and participating municipalities are levied by legislative resolution.
- It is accounted for as an Internal Service Fund and was established in 1956 by Local Law 1 of 1956.

2025 Objectives

- Review all current indemnity cases for possible closure via settlement and prioritize accordingly with goal to reduce lagging claims.
- Continue to utilize aggressive nurse case management to provide the appropriate medical care to claimants and control costs.
- Keep current on proposed legislation that may have a financial impact on our program.

2025 Budget Highlights

- Workers' Compensation Average Weekly Wage will change resulting in an increase in the maximum benefit. The new rate for July 1, 2024, to June 30, 2025, increased from \$1,145.43 per week to \$1,171.46. Volunteer Fire and Ambulance weekly benefit has increased from \$400 to \$650 per week.
- Electronic filing of forms will continue to be closely monitored and we will continue to pursue our goal of 100% timely filing by working with employers. Requiring a quicker response time from employees and Supervisors. Penalties will be assessed against employers who fail to meet these standards.
- Continue efforts to settle claims with the intention to decrease the plans long term liability.

Risk & Insurance

Information Security

Mission Statement

To safeguard our community's vital information and systems through effective and proactive security measures. We are dedicated to identifying and addressing potential risks to ensure the smooth and secure operation of essential services. By fostering a culture of vigilance, collaboration, and continuous improvement, we aim to protect public trust and enhance the safety and reliability of Broome County Government operations.

Description

The Information Security Division: maintains and ensures compliance with Broome County Information Security policies; provides cybersecurity awareness training for Broome County employees; coordinates cyber incident response; collaborates with departments to identify and remediate risks associated with the use of information systems; assists with compliance to relevant cybersecurity and regulatory frameworks; identifies and classifies Broome County systems and data so appropriate security controls are applied; monitors Broome County systems for threat activity; reviews external threat intelligence; coordinates with state and federal cybersecurity programs; identifies and provides remediation guidance for vulnerable and/or unsupported systems.

2025 Objectives

- Develop new information security policies, standards, and processes to help protect Broome County Government's information and systems.
- Help increase employee's cybersecurity awareness.
- Coordinate with Broome County Information Technology (BCIT) to create additional segmentation that will limit the "blast radius" of an attack.
- Improve the security and support experience of Broome County's IT vendors.
- Develop deeper relationships as a service provider to Broome County departments.

2025 Budget Highlights

- This is a transfer of the BCIT Information Security Team to the Risk & Insurance Information Security Division. The budget impact will be neutral.

Corrections

The Corrections Division is required to comply with NYS Correction Law, Title IX of Executive Law Part 7000 (NYSCOC Minimum Standards) and NYS Sheriff's Association Accreditation Standards. The Corrections Division shall operate in compliance with applicable Federal laws and both Federal and NYS case law.

- Operate a cost-effective and staff efficient correctional facility.
- Maintain a safe and secure atmosphere for staff, civilian personnel, and inmates.
- Maintain a humane correctional environment by providing programs and services to criminal offenders.
- Securely, safely, and humanely keep all prisoners committed to the custody of the Sheriff, and to offer those offenders opportunities for self-improvement.
- Comply with federal and state laws which govern our facility.
- Demonstrate the highest level of ethical and professional standards in our operations by holding ourselves accountable to the public.
- Work in cooperation with law enforcement agencies, governmental entities, and members of the community.

Description

The Corrections Division operates the Broome County Sheriff's Correctional Facility located at 155 Lt. VanWinkle Dr., Binghamton, NY. Inmate supervision is accomplished through "direct supervision" management requiring Corrections Officers to constantly intermingle with offenders. This management concept has resulted in lower costs to the County in terms of vandalism, injuries and other factors associated with jail operations.

2025 Objectives

- Continue to increase the effectiveness of the Corrections Division through Federal and NYS case law.
- Use of available cell space to generate revenue by housing prisoners for the U.S. Marshals Service, U.S. Immigration and Customs Enforcement and other New York counties.
- Continued tracking of New York State reimbursement and compliance with law regarding the reimbursements and removal from County custody of State-Ready inmates.
- Continue internal programs to impact local criminal recidivism while maintaining current budgetary spending.
- Continue to expand with the assistance of area medical service providers to implement a cost-effective opioid treatment plan option for released inmates.

2025 Budget Highlights

- Maintain current spending trend while continuing to generate revenue to offset operational cost.
- Work with the New York State Office of Mental Health, to improve our efficiencies with mentally ill inmates who need hospitalizations.
- Provide appropriate jail staffing in compliance with State-mandated levels for the jail and medical unit facilities.
- Continue to work with the Sixth Judicial District, the Broome County Public Defender's Office, the Broome County District Attorney's Office, and all local police agencies and criminal courts by providing the Centralized Arraignment Part Court within the jail.
- Continue to work with the Northern District of NY federal court system to provide the first of its kind remote integrated system for use by all facets of the federal court system.

Sheriff

Law Enforcement

Includes: Administration, Highway Patrol, Training, Detectives Unit and the Civil Division

Mission Statement

The Mission of the Broome County Sheriff's Office is to deliver effective, responsive, and impartial law enforcement services dedicated to the preservation of public safety in our continuous effort to build a stronger, safer Broome County for all its residents.

Members of the Sheriff's Office shall perform their duties with the highest level of professionalism, honesty, honor and integrity, treating each other and the community with dignity and respect. In turn, the Broome County Sheriff's Office recognizes that our employees are our most valued asset and will provide the support and opportunities to improve their personal and professional growth through education, training and development.

Description

The Administrative Division oversees and directs the Law Enforcement, Corrections, Records and Civil divisions of the Sheriff's Office. It enforces Broome County's policies and procedures governing intake and distribution of funds on behalf of the Sheriff's Office. This includes all budgeting, purchasing, accounts payable and payroll operations for the agency. It maintains inmate and commissary records in accordance with bookkeeping rules and regulations. The records section processes and maintains records of all incidents and accidents investigated by the Sheriff's Office and responds to all Freedom of Information Law requests from the public.

The Highway Patrol Division is responsible 24 hours a day for patrolling 350 miles of county roads, 1008 miles of state highways, and 927 miles of town roads. The patrol division is the primary law enforcement for 52% of the residents of Broome County. It serves as the primary backup for five municipal agencies within Broome County.

A vital part of the Highway Patrol Division is the Community Policing function, which provides the following services:

- Community Outreach:
 - Assist with any new or existing neighborhood watch groups.
 - Interact with multiple facets of the community to strengthen the police-community relationship.
 - Assist with any recruitment (patrol, corrections, civil).
 - Oversee programs such as Yellow Dot and Operation Lifesaver.

- Police Traffic Services (PTS):
Coordinate speed-trailer locations, analyze the data from these trailers and provide to Highway Patrol.
Manage the PTS and Motorcycle Safety Grants through the Governor's Traffic Safety Committee (GTSC).

- Social Media Outreach:
Provide up-to-date information to the public involving community risks, safety tips, road closures, emergency actions and accidents.
Continue to inform the public of the ongoing actions, arrests, and community outreach events.

The Detective Division is responsible for the investigation of crimes as well as matters that cannot be effectively investigated by the Patrol Division members due to their complexity. It is responsible for initiation of investigations pertaining to narcotics trafficking and vice-related crimes. Detectives interview suspects, witnesses, and informants with the objective of developing information on reported or suspected criminal activity. Detectives are also responsible for the preparation and submission of case reports for prosecution. Detectives work closely with the Broome County District Attorney's Office as well as local, state, and federal agencies to solve crimes and apprehend offenders. The division is also responsible for the management and execution of arrest warrants issued by Broome County Supreme Court, Family Court, and local criminal courts throughout the county and the extradition of prisoners from other states.

The Training Division operates the Broome County Sheriff's Law Enforcement Academy which provides for all State mandated and in-service training within the Broome County Sheriff's Office. The Academy also serves as the central training point for Zone 6, which encompasses forty police agencies in a seven-county region. Training conducted at the Academy includes firearms, defensive tactics, use of force, cultural diversity, fair and impartial policing, professional communication, supervisor school, basic corrections and recruit schools, in-service schools and seminars on numerous topics. The Academy is dedicated to maintaining the highest level of training available to the law enforcement officers that serve our community.

The Civil Division operates under the provisions of NYS Civil Practice Law and Rules (CPLR), Family Court Act (FCA) and Real Property Law (RPL). The division is mandated to serve documents and execute all decisions handed down by the courts including, but not limited to, Sheriff's sales, income and property executions, evictions, summons and complaints, subpoenas, orders of seizure, warrants, temporary orders of protection and personal services (juvenile neglect and abuse). Civil Division staff maintain computerized records of all actions taken for mandated reporting to the appropriate court.

Office of Emergency Services

Operations

Mission Statement

To provide planning, training, resources, response, warning, coordination, and information through communications to the public, elected officials, and public safety agencies, to assist them in preparing for, and mitigating, emergencies, and disasters, which affect the residents of Broome County.

Description

The Office of Emergency Services is comprised of six divisions: Communications, Public Safety Programs, Emergency Management, Emergency Medical Services, Fire Prevention and Control and Public Safety Systems.

Communications administers the Broome County Emergency 911 Dispatch Center and assists local agencies in planning for future communications needs. Provides command post communications support at incidents and planned events.

Public Safety Programs administers Broome County's School Bus Stop-Arm Camera Program. Coordinate school safety and school planning with school districts within Broome County.

Emergency Management conducts hazard vulnerability studies and maps hazards. Provide disaster planning and assistance for preparedness, response, and recovery. Coordinate alerts and warnings for river flooding, chemical spills, and response during emergencies. Administer the Animal Response Team, and Community Emergency Response Team. Manages the school safety program.

Emergency Medical Services administers New York State certified emergency medical training programs. Plans delivery of adequate emergency medical services. Administers mutual aid plan among ambulance services and coordinates medical disaster planning, and Tactical EMS team.

Fire Prevention and Control administers and implements county fire mutual aid plan, county arson plan, county fire investigations, local New York State fire training program, county hazardous materials response team, county water rescue dive team, and county wild land search and rescue team. Conducts fire code enforcement inspections on county facilities and certain special events.

Public Safety Systems administers the county's public safety communications infrastructure. Oversees the construction of the new public safety radio system. Maintains a database for the NYALERT emergency public notification system.

2025 Objectives

- Continue management of emergency public notification system (NY Alert), review and update Continuity of Operations/Continuity of Government plan. Design, plan and carry out required drills and exercises to test emergency plans and improve performance.
- Train, equip and recruit members for the seven volunteer teams in Emergency Services (Animal Response Team, Community Emergency Response Team, Wildland Search Team, and Tactical EMS, Technical Rescue (Rope/Dive), Hazardous Materials Team, and Critical Incident Stress Management Team).
- Continue to improve and expand the public safety communication system.
- Continue to improve the staffing and efficiency deficits in the Communications Division.

2025 Budget Highlights

- Continue to upgrade and replace equipment in the public safety communications system.
- Continue replacement and preventative maintenance of firefighting equipment.
- Maintain critical services.
- Improve efficiencies in the County-wide school bus stop-arm program.
- Establish a county-based EMS system.
- Upgrade 911 dispatcher salaries.

Office of Emergency Services

E-911

Mission Statement

To provide for a universal 911 emergency telephone reporting system within Broome County. To provide, within the confines of revenue produced through the 911 surcharge, a communications system and enhancements to public safety agencies in the county with the 911 system.

Description

The 911 system is funded through the 911 telephone bill surcharge and the E-911 wireless surcharge. These surcharges provide revenue for the operation and maintenance of the system and enables enhancement of the communications system.

2025 Objectives

- Cover recurring expenses with in the 911 center.
- Implement efficiencies within the 911 center.
- Implement APCO EMD.

2025 Budget Highlights

- Maintain services to public safety agencies and the public who relies on this critical service.
- Improve efficiency in the communications system.
- Continue to build reserves for future planned infrastructure projects.

Probation

Mission Statement

The Broome County Probation Department is dedicated to reducing crime and delinquency and facilitating the rehabilitation of offenders of the law. This is accomplished through investigation, supervision, and diversion of offenders that have violated laws of the Family Court Act, the Penal Law, Vehicle and Traffic Law and other laws of the State of New York. This Department works closely with the Courts, police agencies, treatment agencies and other human service agencies in Broome County to rehabilitate offenders. The Probation Department strives to balance community safety with offender rehabilitation.

Description

As referenced in the mission statement, Broome County Probation serves to rehabilitate offenders and at the same time ensuring the safety of the community we serve. This is accomplished with the hard and sometimes dangerous work of the officers in the various divisions, employing the services of referral agencies and by working with the court system. The New York State Department of Criminal Justice Services/Office of Probation and Correctional Alternatives (DCJS/OPCA) also aids in our goals by acting as a regulatory agent. They regulate the number of contacts made with each offender through mandatory risk assessments, dictate mandatory training requirements, guide, and advise on policy and oversee critical incident reporting.

The Broome County Probation Department is comprised of the Criminal Division, the Family Services Division, and the Pre-Trial Unit. The Criminal Unit consist of four separate units that are responsible for the completion of Pre-Sentence/Pre-Plea Investigations and the supervision of general caseloads as well as specialized caseloads. The specialized caseloads include offenders that have committed crimes that include domestic violence, sex offenses, DWI, gun involved convictions (Gun Involved Violence Elimination) as well as a semi-specialized mental health caseload. The Pre-Sentence Investigations that are completed by these units are a vital component in the criminal justice system informing courts, the prison system and other law enforcement agencies of offender's histories and recommended sentences. One unit is dedicated to the completion of Pre-Sentence/Pre-Plea and Certificate of Relief of Disability Investigations. The other three criminal units are responsible for the supervision of persons sentenced to Probation, but also complete Pre-Sentence/Pre-Plea Investigations related to offenders who have committed crimes that would fall into a specialized caseload. Once sentenced by a Court, an officer can supervise a probationer convicted of a Misdemeanor for 3 years and a Felony conviction for 5 years. Sex offender terms of Probation supervision are longer, 6 years for a Misdemeanor and 10 years for a Felony. In any given year the Criminal units can complete more than 630 investigations and supervisor 1000 individuals.

The Criminal Division also provides Pre-Trial Release services as an alternative to incarceration for individuals who have been arrested but not yet convicted. The main goal of this unit is to ensure that defendants make it to each of their court appearances. The Pre-Trial Unit screens individuals

at City Lock Up as well as the Broome County Jail to see if individuals qualify for the program. The unit also receives direct referrals from the 21 Justice Courts, Binghamton City Court, Broome County Court, and the Central Arraignment Court. The Pre-Trial Unit can supervise over 380 individuals at any given time and a yearly total of upwards to 700 with only three staff members. Since bail reform, this program has increased in the number of supervision cases as well as the number of individuals being monitored via electronic monitoring.

The Family Services Division provides Pre-Dispositional Investigations for Person in Need of Supervision and Juvenile Delinquency petitions. The division also completes Adoption Investigations as ordered by Family Court. The Division provides the Court Pre-Dispositional Supervision services for youth pending Court appearances which can also include Electronic Monitoring. Youth placed on Probation through Family Court are supervised according to the contact rules established by the State and mandatory risk assessments. The Family Unit also provides JD Diversion services to prevent youth from entering the Court system. Probation works closely with stakeholders including Social Services, community agencies, law enforcement and the County Attorney's Office. The goal is to divert youth from Court and avoid costly detention and out of home placements by engaging youth and families in community services and interventions to address the underlying causes for their behaviors.

In addition, the Family Services Division is also responsible for the Raise the Age youth (16 to 18-year-olds) that are adjudicated/convicted in Youth Part Court or removed Family Court. As a part of the services provided to youth involved in the Youth Part Court, Probation provides Voluntary Case Planning and Assessment, Pre-Trial Services and Electronic Monitoring as an alternative to detention pending Court appearances, Pre-Plea and Pre-Sentence Investigations and Supervision if sentenced to Probation by the Court. The sentencing terms for Probation Supervision are analogous to the sentences of adult criminal Courts.

2025 Objectives

- In recent years, there has been an increase in violent offenders being sentenced to Probation Supervision. The main objective for 2025 is to receive funding to arm every eligible probation officer with firearms and related equipment. This will require an increase in the miscellaneous operating supplies line as well as other fees for service lines. Once approved in the budget, firearms and the necessary supplies will be purchased. The next objective will be to schedule psychological exams for all officers and schedule initial firearms trainings for late 2025 or early 2026.
- Probation will continue to manage caseloads with increasingly higher levels of supervision requirements and needs. There has been an increase in offenders at every level of contact with the Department from juveniles to adults who have allegedly committed or have committed more serious and violent offenses. This trend has its roots in substance use, mental illness, and the proliferation of weapons in our community. Probation continues to address gun involved crimes through the GIVE initiative that requires specific conditions including electronic monitoring and other specialized services. A GIVE Probation Officer also with the Crime Analysis Center regularly and attends their monthly meetings regarding gun crimes and activities within in the community.

- The need to manage the changing offender demographics has also impacted the Pre-Trial Unit. Since bail reform in 2020, offenders who historically would not be released to Pre-Trial are now being supervised. The trend has been for individuals to stay on Pre-Trial for a longer period of time and be placed on Electronic Monitoring for extended periods of time.
- Recruit and maintain staff. In the last few years, the number of candidates taking exams for Probation positions has decreased significantly. Staff will continue to work with local agencies and participate in job fairs to recruit qualified candidates.
- Probation will continue to manage un-funded New York State mandates, including increased mandatory training requirements for Peace Officers. All new officers need to have three and half weeks of Probation Fundamentals Training in Albany and 162 hours of training for the Basic Course for Peace Officers. This equates to about nine weeks of travel, food, and hotel expenses.
- Probation will continue its involvement with Drug Court, Domestic Violence Court, Veterans Court, and the Integrated Domestic Violence Court. Administration and staff will continue to participate in the DWI Impact Panel, Domestic Violence Impact Panel, Magistrates Association meetings, Juvenile Justice Task Force, the Criminal Justice Advisory Board, Broome County Youth Bureau and other collaborations and boards with other County and community service agencies. Probation will also be working with the District Attorney's Office on their new initiative, the Broome County Youth Violence Diversionary Intervention Program.

2025 Budget Highlights

- A total increase in the amount of \$52,800 in the supply line and other fees for service line to fund arming the department. Out of the \$52,800 approximately \$40,300 would be a one-time expenditure on equipment and psychological testing. It is anticipated that future increases for arming supplies would be in the range of \$10,000 annually after the initial expenses in this budget.
- The increase cost of arming would be offset by \$9,650 in cuts on the general budget. Other offsets to this increase would include the Raise the Age reimbursable grant in the amount of \$317,000. This covers the salary and fringe of two officers in the amount of \$106,004 as well as the electronic monitoring expenses for this population. The GIVE grant in the amount of \$110,00 that covers the cost of two half time salaries and fringe in the amount of \$87,160, \$8000 in overtime, \$7000 in travel and education, \$5000 in miscellaneous supplies, as well as the electronic monitoring costs up to \$20,000. A Discovery grant that retroactively reimburses the Pre-Trial Unit's expenses. These funds cover \$186,597, the salaries of a Pre-Trial Investigator as well as two Probation Assistants and covers \$35,000 in electronic monitoring costs. The Pre-Trial unit also received an award from DCJS in the amount of \$558,775 that would cover anything needed for the Pre-Trial unit. A chargeback from the STOP DWI program in the amount of \$20,000 that partially covers the cost of one Senior Probation Officer in the DWI unit as well as an Ignition Interlock Device grant that covers the Probation's cost for monitoring the Interlock devices.
- Maintain the Travel line expenses to pay for the increased training requirements of the Basic Peace Office Course and Probation Fundamentals.

Dog Shelter

Mission Statement

Maintain a safe and orderly atmosphere for the at large Dog Population until the animals entrusted in our care can be reunited with their owners or rehomed through our adoption program. The Dog Shelter is committed to rendering assistance to our community members while encouraging compliance with Agricultural and Markets Laws. Provide services as required, which are best provided by a Municipal Dog Shelter. To provide support to the eleven towns, villages and the City of Binghamton as needed.

Description

The Broome County Dog Shelter provides contracted dog shelter services for eleven towns and the City of Binghamton.

2025 Objectives

- Maintain a professional and safe environment for employees and visitors to the Broome County Dog Shelter.
- Assess and purchase equipment/software as needed to increase efficiency and utilize newer technology to benefit the care of the animals entrusted to the Dog Shelter.
- Continued participation in various community outreach programs/events to increase awareness of the Dog Shelter, increase adoptions and reduce length of impoundment.
- Plan, procure and implement policy and procedure updates to increase operational efficiency.
- Plan building revisions to align with new State Regulations that will take effect in December of 2025.

2025 Budget Highlights

- Maintain a safe environment for visitors to the Broome County Dog Shelter during the adoption process.
- Continue to assess current technology while researching newer technology to better serve our animals.
- Addition of 1 new Full-Time position to increase care and efficiencies during daily operations.
- Continue to make updates to the facility to meet upcoming state regulations.

Security Division

Mission Statement

Maintain a safe and orderly atmosphere upon County properties and elsewhere by rendering assistance, encouraging compliance, and providing enforcement as necessary. Protect the County facilities and assets from damage and loss. Provide services as required, which are best provided by a security organization, to enhance governmental operations and reduce liability. To provide support to local Law Enforcement Agencies as needed. Provide specific Security related functions as may be required.

Description

The Division consists of four units, which are responsible for unique and separate services. Administrative Services include maintenance and operation of the County ID Badge System, pre-employment screening process, access control system, parking management, property and evidence management, video surveillance management, security records, equipment, training, and evaluation of staff performance. Security Operations include uniformed security services at County facilities such as the Department of Social Services, Health, Airport, Arena, Forum, Parks, Government Complex, CCSC, Willow Point Nursing Home, Library, Endicott DMV, Landfill and Intermodal. The Case Integrity Unit conducts welfare fraud investigations for the Department of Social Services and internal investigations as needed. The Broome County Dog Shelter provides contracted dog shelter services for eleven towns and the City of Binghamton.

2025 Objectives

- Maintain a professional and safe environment for employees and visitors to County facilities through a comprehensive and efficient deployment of Security personnel and resources.
- Investigates recipient fraud in the Social Services benefit programs with a focus on Front End Detection System (FEDS), Safety Net and emergency housing programs.
- Continuing our migration of divisional records into ONBASE, increasing our MOBILE capabilities for EMS, Patrol and Investigators to enhance efficiencies and capabilities while working in the field.
- Assess and purchase equipment/software as needed to increase efficiency and utilize newer technology to benefit the care of the animals entrusted to the Dog Shelter.
- Continued participation in various community outreach programs/events to increase awareness of the Dog Shelter, increase adoptions and reduce length of impoundment.

2025 Budget Highlights

- Maintain a safe environment for visitors to the Broome County Facilities, Parks, Arena, Forum, and special events.
- Continue to assess the County wide video surveillance system and upgrade existing cameras to newer technology to better serve in the detection and prosecution of suspected criminal activity.
- Continue administrative and enforcement efforts of the countywide taxi program and stop arm camera program.
- Maintain technology and infrastructure resources with AXON, TASER, BEAST, PELCO and BEST Access System.

Health Department

Administration

Mission Statement

The Administration division establishes and maintains the health department's infrastructure to assure all public health services are delivered with the highest quality and in the most effective and consistent manner. The department strives to reduce inefficiencies, promote workforce development, practice cost containment strategies, and ensure compliance with regulations, accreditation standards and laws established by governing bodies. Administration serves as a "hub" between external recipients and internal recipients of services.

Description

The Administration Division is composed of three units: fiscal, departmental support, and administration.

The fiscal unit is responsible for all facets of the Health Department's finances. Under the direction of the fiscal services administrator, the fiscal staff provide payroll and personnel processing, accounts payable and receivables, cash management, statistical and financial analysis, billing, claiming and grants management. In addition, the unit prepares complex financial and statistical reports including cost reports, state aid applications, and various reports for Health Department programs. Staff provides information and guidance on fiscal matters to the other divisions. Fiscal staff act as liaisons to agency and non-agency staff regarding fiscal and program operations, departmental budget requests, and grant programs. The fiscal services administrator coordinates the budget process, fiscal procedures, and personnel activities for the entire Health Department.

Departmental support assigned staff members are responsible for maintaining a clean and safe physical environment for the clients, visitors, and staff. Expenses support the infrastructure of the Health Department including telecommunications, service contracts, and information technology.

Administration plans, directs, and administers all public health programs and services according to applicable laws and regulations as described in the Broome County Charter, Public Health Law, and federal regulations; serves as a primary and expert resource for establishing and maintaining public health policies, practices, and capacity; conducts public health surveillance, investigates public health issues, and evaluates public health interventions targeting chronic disease prevention and control, emerging infectious disease outbreaks, toxic exposures, environmental health problems, injuries, unintentional child fatalities, injuries or deaths due to motor vehicle, pedestrian and bicycle crashes, opioid overdoses, communicable diseases, maternal child health morbidity, and tobacco control and preventive cancer services; directs the 2019-2024 Community Health Assessment and Community Health Improvement Plan process, functions as a community liaison in the process, and during the annual updates; provides oversight and verifies direction of proposed community health education and promotion activities; oversees coordination and administers health education and health promotion activities in collaboration with other community agencies, stakeholders, residents, and elected officials; and provides direct supervision and direction to the fiscal and departmental support staff.

The Public Health Emergency Preparedness and Response Program improves the capacity of Broome County to prevent, protect against, mitigate, respond to, and recover from emergencies and disasters of public health significance. This mission is accomplished by maintaining and updating the *Public Health Emergency Preparedness and Response Plan*, conducting emergency exercises to test and improve upon current capabilities, and providing training and education to first responders, health department staff, the health and medical community, and the general public.

The Broome-Tioga Regional Child Fatality Review Team (CFRT) is a multidisciplinary team of professionals established in 2019 pursuant to New York State Social Services Law to review the death of any child under the age of 18 whose death is unexpected or unexplained. Priority is given to instances where any child has an open case with Child Protective Services, an open preventative services case in Broome or Tioga County, is in the care and custody or guardianship and custody of a Social Services or voluntary authorized agency, or a report was made to the New York Statewide Central Register of Child Abuse and Maltreatment regarding the fatality.

2025 Objectives

- Engage in meaningful research of community health status, measured by jurisdictional mortality, incidence, or prevalence of disease. Assess county characteristics and social determinants of health such as poverty, housing, unemployment, health disparities, and health literacy to determine health behaviors, adverse health events, and populations at risk.
- Coordinate stakeholders from all sectors to participate in the Community Health Improvement Plan.
- Develop a well-trained and competent workforce through assessing training needs and collaborative planning with institutions of higher learning; especially Binghamton University's Master of Public Health Program, in order to maintain the technological tools of the public health infrastructure that are necessary to support all essential public health services. Continue to participate in the New York State Public Health Corps Program to build public health capacity that supports critical public health operations and increases response to future public health emergencies.
- Increase awareness of chronic disease prevention through evidence-based health promotion and education activities and strategies that encourage lifestyle changes and engages community members where they live, learn, work, play, and pray.
- Build the capacity of community organizations to provide health information and programming as part of "doing business" offering cost-effective programs that impact health outcomes and are easy to replicate.
- Collaborate with institutions of higher learning, especially Binghamton University's Master of Public Health program to bring in expertise in planning and evaluation, epidemiologic studies, data collection, and management.

- Continue to support, coordinate, and develop the Broome Overdose Action Collaborative (BOAC) along with strengthening the planning capacity of the county to reduce the social and health harms related to the misuse of opioids and other drugs. The multidisciplinary council, led by the Broome County overdose prevention coordinator, seeks to improve the county's response to the ever-changing overdose crisis facing residents and to reduce the incidence and prevalence of drug dependence and overdose death. Three new goals have been established for BOAC within the 2023-2026 strategic plan: 1) Improve access to basic needs, 2) Improve interagency coordination and 3) Advocate for policy change at local, regional, state and national levels.
- Provide oversight, monitoring and coordination of Opioid Settlement Funds as advised by federal, state and county authorities. Ensure funds are supporting the restricted approved uses as prescribed in the *Schedule C, Exhibit N of the Distributor Settlement* and reported appropriately to the documentation requirements in the National Opioid Settlement Funds Portal.
- The Public Health Emergency Preparedness Program will utilize grant funding to enhance infrastructure for responding to emerging and the re-emergent vaccine preventable infectious diseases such as H5N1, Dengue Fever, Mpox, Zika, Ebola, Measles, Polio, RSV, Influenza and COVID-19 which may affect the health and safety of Broome County residents. This may include meeting with hospital personnel, convening drills, practicing donning, and doffing of personal protective equipment, and communication exercises with EMS, hospital CMOs, and the County Executive Office.
- The Broome-Tioga Regional Child Fatality Review Team will continue to improve our understanding of how and why children die in Broome and Tioga counties, identify systemic and policy issues and clinical and community interventions to improve child health, safety and protection, and to prevent other child deaths.

2025 Budget Highlights

- Continue to maintain emphasis on reducing the overdose epidemic with the direction of the Broome County opioid prevention coordinator and Overdose Data to Action Grant to help build and support the county response infrastructure.
- Maintain health education activities to provide for coordination of efforts to prevent diseases and encourage healthy lifestyles by building the capacity of community organizations and by seeking insurance reimbursement where appropriate.
- Improved community health assessment and surveillance activities through coordination with other community agencies to develop, implement and evaluate a new community health assessment for 2025-2030.
- Continued maximization of grant funding to support operating budget as the focus of public health shifts from direct services provision to surveillance, assurance, and policy development.
- Prioritization of expenses to reflect identified staff needs for education and technology, while focusing on equitable salary levels for recruiting and retaining staff.
- Received a NYSDOH *Strengthen Public Health Workforce and Foundational Capabilities Grant* to help rebuild and retain local public health workforce after the effects of the COVID-19 pandemic.

Health Department

Community Health

Mission Statement

Broome County Health Department's Community Health Division focuses on promotion of maternal-child health, prevention of disease, and the control of infectious diseases through the coordination of community resources, surveillance, health education, consultation, and direct care based on community need.

Description

Community Health Division fulfills its mission by providing communicable disease surveillance, which investigates infectious diseases including those transmitted by direct contact, fomites, aerosol, ingestion, and vectors; public health clinical services, including tuberculosis screenings and treatment of latent and active cases, STD detection and treatment, and immunizations for children and adults that are uninsured, underinsured, and/or may not have a primary care provider; Broome County Correctional Facility inmate STD testing and treatment services; confidential HIV and Hepatitis C testing and referrals; maternal-child health promotion through education, support, and referrals; lead poisoning prevention via outreach and education to local providers and community members, and via primary prevention inspections of housing units; care coordination for children with lab-confirmed lead poisoning; immunization promotion and outreach, including coordination of the Broome County Adult Immunization Coalition; New York State Immunization System (NYSIIS) technical assistance and support for local school districts and medical providers; act as the local immunization resource for community members, providers, and educational institutions.

2025 Objectives

- Maintain a system to monitor infectious diseases by subgroup.
- Evaluate for tuberculosis infection and reduce transmission by providing targeted testing, education, surveillance, and direct service to populations at risk.
- Reduce the transmission of sexually transmitted diseases by providing education, surveillance, testing, and treatment.
- Offer confidential HIV and Hepatitis C testing.
- Improve breastfeeding initiation rates and duration through education provided to mothers of newborns through support of postpartum women and infants as soon after delivery as possible.
- Provide outreach to mothers and families with newborns including phone outreach and welcome packets to all new babies.
- Ensure appropriate newborn bloodspot screening, follow-up testing, and referral to services.

- Increase the number of children tested for lead poisoning at age one and two by providing information to parents, communicating with and providing technical assistance to physicians, and resuming blood lead testing of children enrolled in WIC.
- Facilitate care coordination and education to families of children with identified elevated blood lead levels and refer at risk dwellings for inspection.
- Utilize local data to expand resources and motivate action toward elimination of lead poisoning in collaboration with the Environmental Health Division and community agencies.
- Prevent and minimize vaccine-preventable diseases by providing education, surveillance, and direct service as needed.
- Promote the “Immunization Quality Improvement for Providers” (IQIP) model to work with local providers to increase the vaccination rates of children and adolescents.
- Build and strengthen the Broome County Adult Immunization Coalition to promote the importance of immunizations for adults.
- Increase staff development and training in their fields of expertise and programs, including communicable disease, tuberculosis, sexually transmitted disease, immunizations, and lead poisoning prevention.

2025 Budget Highlights

- Continue to expand revenue collection procedures for all clinic services by establishing contracts with third party payers and continuing to bill for sexually transmitted disease services with patient approval.
- Maximize grant revenues to support the operating budget.
- Restructure division and titles to serve the community with cost-effective, efficient, and evidence-based programming.

Health Department

Environmental Health

Mission Statement

To promote public health and prevent communicable disease, chronic conditions, and injury by ensuring regulated facilities adhere to New York State Sanitary Code, providing technical assistance and education to regulated facilities as well as the public. Program areas include, but are not limited to food service, emergency preparedness, water and indoor air quality, rabies control, swimming pool inspections and public health nuisances. The Division is charged with the enforcement of the New York State Sanitary Code, the Broome County Sanitary Code, and sections of the Public Health Law.

Description

The Division of Environmental Health conducts routine inspections of approximately 1,500 regulated facilities, responds to complaints within regulated facilities, maintains a rabies control program, enforces the Clean Indoor Air Act and the Adolescent Tobacco Use Prevention Act, reviews plans for public water and private sewage disposal systems, permitting and regulation of swimming pools, bathing beaches, mobile home parks, temporary residences, food service facilities, campgrounds, children camps, enforces lead poisoning prevention efforts and Lyme disease education, conducts communicable disease outbreak investigations and educates facility operators and the general public with training events, media interviews, and social media. The Division of Environmental Health also responds to emergencies and participates in other department emergency planning initiatives.

2025 Objectives

- Continue to monitor and reduce public health hazards found during inspections within program areas, along with increased education and enforcement actions.
- Implement new program policies and procedures to maintain accountability and efficiency.
- Modify Environmental Health staff roles to meet the increasing demands with limited staff and funding.
- Develop partnerships with all municipal code enforcement officers to minimize residential environmental hazards.

2025 Budget Highlights

- Minimize unnecessary and costly human post exposure prophylaxis by providing health care specialists the tools necessary to make sound judgments when providing treatment.
- Change job titles after retirements to make programs more cost effective.
- Continue to meet all New York State Department of Health program deliverables with a limited budget.

Health Department

Maternal Child Health and Development

Mission Statement

Promote the growth and development of children with special needs and their families through identification, assessment, education, and service provision. Improve the health of women, infants and children through health teaching, health counseling, and early identification of real and potential health problems.

Description

The Health Department has sponsored the Women, Infants and Children's (WIC) Program in Broome County since 1979. Broome County WIC helps in safeguarding the health of low-income women, infants, and children up to the age of 5 who are at nutrition risk by providing nutritious foods to supplement diets, information on healthy eating, and referrals to health care. The program offers an enhanced peer counseling program to support and promote breastfeeding. Anthropometric measurements and hemoglobin levels are obtained to assist with assessment of the participants health status and the staff communicates with health care providers as needed. WIC staff continue to screen for elevated lead levels for children in collaboration with the Community Health staff. Clinics are held daily with evening and weekend hours to meet the needs of the families enrolled.

Early Intervention Program service coordinators work closely with families of children with developmental delays and/or diagnosed conditions with a high probability of delay, to identify the families' concerns and priorities for their children. Individualized family service plans are constructed by the service coordinator with the family and agreed upon by the family and the early intervention official/designee, and can include therapy (occupational, physical, and speech) as well as social work and special instruction. Early Intervention service coordinators also offer referral information to families regarding a variety of topics, including childhood lead poisoning, health insurance and community events where families can connect with other families of children with developmental disabilities and delays. The Early Intervention Program is a federally mandated statewide program offering evaluations and therapeutic support services for infants and children (from birth up to three years of age) with special needs and their families.

The Child Find component of the Early Intervention Program focuses on ensuring at-risk children are engaged in primary health care, will receive appropriate developmental surveillance and screening from a primary care provider, are referred to the Early Intervention Program for a multi-disciplinary evaluation when indicated and have health insurance coverage. The Public Health Law definition of "elevated blood lead level" is ≥ 5 micrograms per deciliter, which increases the number of children referred to Child Find as at-risk for developmental delays.

From Early Intervention, a child may transition into the Preschool Special Education Program for children aged three to five with a suspected or confirmed delay or disability which affect his or her ability to learn. Children aged three to five may also be referred directly to the Preschool Special Education Program. Resources including special education and therapy (occupational, physical, and speech) are available to assist parents of preschool children with disabilities to help them prepare their children for the transition to school (kindergarten). Participation in quality learning experiences is important for all children to achieve high educational standards. Allowing children with and without disabilities opportunities to learn together in the least restrictive environment, whenever possible, benefits all children.

Outreach is provided to community agencies, schools, and primary care providers to streamline the referral process for children with, and at risk for, developmental delays. The Children and Youth with Special Health Care Needs (CYSHCN) Program assists families in ascertaining community resources, as well as providing outreach throughout the community to increase awareness of resources available, to identify unmet health and related needs, and to collaborate with community partners to develop plans to overcome barriers and increase access to services. Outreach activities typically include participation in community health fairs and events, presentations at meetings of community and health organizations, and informational sessions sponsored by the CYSHCN grant.

Healthy Families Broome is part of a statewide initiative, Healthy Families New York (HFNY). The HFNY program works to improve the health and wellbeing of families, infants, and children. The program offers voluntary home-based services to expectant families and new parents, beginning prenatally or shortly after the birth of a child.

2025 Objectives

- Increase the number of children screened for lead poisoning at age one and two by providing information to parents, communicating with physicians, and providing referrals to the Environmental Health division and continuing screening of children enrolled in WIC.
- Continue to meet nutritional demands of women, infants, and children through the WIC program, continue to improve breastfeeding initiation and duration through support of the WIC nutrition and peer counseling staff and breast pump program.
- Continue to review and update Quality Assurance Corporate Compliance Plan in the division to ensure program integrity, accuracy, appropriate authorization of service and quality of care.
- Ongoing and increasing need for services in both the Early Intervention Program and the Preschool Special Education Program demands assurance of adequate capacity of needed services for infants and children identified as having developmental and/or learning delays and/or being at risk for developmental delays. Continue working to identify new service providers and service modes, including teletherapy, and expansion of individual contracts in the Preschool Special Education Program.
- Navigate billing and third-party insurance changes in the Early Intervention Program as a result of the Covered Lives Bill that was passed in 2022.
- Continue to strive to meet both federal and state performance standards in the Early Intervention Program.

- Collecting and reporting child outcomes is a requirement of the Individuals with Disabilities Act (IDEA). The performance of the New York State Part C Early Intervention Program on improving child outcomes is reported in the Annual Performance Report. Continue to strive to improve child outcomes for children enrolled at least six months in the Broome County Early Intervention Program.
- Identify and participate in various community organizations to better foster collaboration and increase awareness of available services.
- Continue to work with and utilize the preschool software program intended for billing Medicaid to maximize reimbursement of eligible services and efficiently capture data that will be useful in completing reports to assist in proficient program management.
- Continue to develop procedures for monitoring of services provided in the Early Intervention and Preschool Special Education programs to ensure that plans developed for each child match both their needs and their ability to participate.
- Continue dialogue with Committee on Preschool Special Education Chairpersons, tuition-based programs, and NYS Education Regional Associates to ensure that eligible children are receiving Free Appropriate Public Education (FAPE) in the Least Restrictive Environment (LRE).
- Work with New York State BEI and regional/local agencies to determine the impact of Health Homes for Children and respond accordingly.
- Healthy Family Broome (HFB) program's goals are to increase number of referrals, assessments, enrollments in the program.
- Continue to attend trainings, meetings and webinars and ensure service coordinators and billing staff are prepared for the transition to the State's new Early Intervention system, the *EI Hub*.

2025 Budget Highlights

- Continue to assist families in ascertaining community resources to meet their health care needs, through referrals and linkages with community agencies.
- The new Operational Support System for the Early Intervention Program, the *EI Hub*, will replace NYEIS, and is to include Provider Enrollment and Management, Child/Case Management, and State Fiscal Agent services. Due to the COVID-19 pandemic, the go-live date has been postponed several times. The anticipated launch date is planned for the end of 2024.
- New York State passed the Covered Lives Bill in 2022. The bill intends to eliminate the need to bill third party insurance and allocates funding for counties to pay through Escrow. Third party insurance coverage of services in the Early Intervention Program have historically been marginal, with Medicaid and Escrow funds bearing the majority of the costs. Work to ensure that Medicaid coverage is fully utilized before payments are made from Escrow funds.
- Ongoing and increasing requirements of children with disabilities and developmental delays will continue to challenge the department to find resources to meet their needs. As the national incidence of young children diagnosed as having autism continues to rise, the increase is being seen at the local level as well. This will continue to present a challenge to identify appropriate services that will adequately support them.
- The COVID-19 pandemic created a delay in referrals to the EI Program and the Preschool Special Education Program as well as a delay in evaluations and services. There has also been a shortage of providers, increasing the delay in services. Continue working to ensure that these children are appropriately served in a timely manner.

- Understanding of the effects of Adverse Childhood Experiences (ACES) is emerging. Focus efforts to increase awareness and develop ways to support survivors.
- Healthy Families Broome will continue to identify vulnerable families and implement areas of collaboration with Department of Social Services and other human service providers to prevent child abuse/neglect.

Mental Health

Mission

To promote and protect the wellness of individuals, families, and communities of Broome County with intentional planning and service provision regarding mental health, substance use, and intellectual and developmental abilities.

Vision

Transform the wellness of our community through a comprehensive continuum of innovative, and compassionate behavioral health services, ensuring interventions and programs are safe, effective, timely, equitable and person-centered.

Description

Pursuant to NYS Mental Hygiene Law, the Commissioner of Mental Health is the Chief Executive Officer of the Local Government Unit (LGU) and is statutorily mandated to plan, develop, coordinate, and evaluate all local services for the three disabilities identified in New York State Mental Hygiene Law: Addiction, Mental Health, and Intellectual/Developmental Disabilities. This requires robust communication and coordination with three separate state agencies: Office of Addiction Services and Supports (OASAS), Office of Mental Health (OMH), and the Office for People with Developmental Disabilities (OPWDD). With funding from these agencies and other sources, the LGU oversees a multi-million System of Care that

enables the department and other agencies to provide necessary services. Collaboration with diverse public and private organizations is essential to build and sustain a comprehensive continuum of services in Broome County.

Mandated by New York State Mental Hygiene Law, Forensic Services (1) perform court-ordered mental health evaluations, (2) facilitate involuntary transport orders for emergency assessment, (3) designate qualified physicians to designate involuntary psychiatric hospital admission, (4) manage the Assisted Outpatient Treatment (AOT) and Secure Ammunition and Firearms Enforcement (SAFE) Act programs and (5) facilitate referrals from NYS incarcerate facilities for individuals with Serious Mental Illness (SMI) for transition to appropriate community services.

2025 Objective

- Operationalize *System of Care* planning principles to ensure responsible fiscal stewardship, resource development, and coordinated interoperability with service providers.

2025 Budget Highlights

- The department is conscientious in its use of County Tax support. Expenditures include those that cannot be deferred to other sources.

Willow Point Rehabilitation and Nursing Center

Administration and General

Mission Statement

It is the mission of the Willow Point Rehabilitation and Nursing Center (WPRNC) to serve the elderly and disabled individuals of Broome County that need skilled nursing care and short-term rehabilitation. This includes a comprehensive interdisciplinary approach to care planning with emphasis on quality of life, preservation of dignity and independence for the residents. The team at WPRNC is committed to meeting the physical, emotional, social, and spiritual needs of the residents.

Description

Broome County's Willow Point Rehabilitation and Nursing Center has provided skilled nursing care since 1969.

WPRNC is licensed to care for up to 300 residents. The facility is made up of three separate buildings that are connected on at least one level. The South Building was built in 1969, which includes three floors, each with single, and double bedrooms. The North Building built in 1971, contains three floors with a mix of single and double bedrooms. In 2016 the first floor became home to the new rehabilitation unit composed of 39 single beds. This included a new gym with upgraded equipment to enhance the rehabilitation experience. The newest building: West Wing was built in 1988. The West Wing is comprised of a 43-bed secure nursing unit for Alzheimer's and dementia care of residents who are also at risk for wandering unsafely. One floor is designated primarily for sub-acute care or short-term rehabilitation services. The rest of the facility provides a variety of skilled nursing care services.

Federal and State regulations dictate the standards required to operate a skilled nursing facility. The New York State Department of Health (NYSDOH) is the licensing and lead oversight entity that is responsible for ensuring regulatory compliance. NYSDOH conducts routine, unannounced inspections and complaint investigations. WPRNC is required to meet all standards or pay penalties, fines, and potentially disqualification from the Medicare and Medicaid programs (the primary payment sources). As a government-sponsored facility, there are additional requirements that must be met. For example, State Civil Service employment, Broome County purchasing processes and cash-based accounting rules.

The Administrator is responsible for the overall operation of the facility. Administration has oversight for all Departments and is assisted by the Deputy Administrator for Administrative Services and the Deputy Administrator for Fiscal Services. Administration also has direct oversight over Admissions and Personnel. The Personnel Coordinator is responsible for employee hiring, corrective actions, and discharges.

The Fiscal Department is divided into four supervised areas: Payroll, Accounts Receivable and Resident Banking, Accounts Payable and Budget, General Ledger Accounting and Cost Reporting. Each area has specifically assigned support staff. The Fiscal Services Department is overseen by the Deputy Administrator for Fiscal Services, who reports directly to the Administrator.

2025 Objectives

The primary objective for WPRNC is to provide quality resident care in a caring and cost-responsible manner. Everything that Willow Point does for our nursing home residents must strive to meet this goal.

- Continue to develop and coach the leadership team and focus on attracting and retaining talent that consistently exceed expectations in resident care.
- Decrease re-hospitalization rates by utilizing internal resources and knowledge to provide care prior to hospitalization becoming necessary.
- While it is impossible to eliminate DOH complaints and findings, it is necessary to implement processes to improve documentation and processes.
- Increasing staffing to appropriate levels will provide support in all areas of the skilled nursing facility.
- Continually develop relationships with outside providers and facilitators, such as the hospital systems, DSRIP, and Remedy Partners.
- Continue to improve monthly and annual financial performance metrics.
- Re-develop an assessment of equipment and a multi-year replacement plan.
- Evaluate current Infection Control policies and procedures and determine best practices and necessary equipment to minimize impact of Public Health disasters.
- Continue to evaluate Dietary, Therapeutic Recreation (Activities), and Social Services for areas of improvement.
- Evaluation of Departments through utilization of grants available through the State and Federal government.
- Nursing Administration along with the Administrator are developing a plan to implement Peritoneal dialysis as a service to provide for Willow Point Residents. Dialysis centers are a stable investment as there is a growing need for them.

2025 Budget Highlights

The 2025 objectives were applied in making budget decisions. The goal continues is to get the census higher on the rehabilitation unit and operating as before. Expenses were kept in line with prior year, other than contractually obligated increases. A big change in expenses was the shift from salaries to contracted services for agency staff. Willow Point continues to struggle hiring staff. The goal will continue to be to recruit and retain staff.

- Revenue projections for 2025 reflect an occupancy level of two hundred fifty beds being occupied in the long-term care area and short-term rehabilitation unit, for an overall projected census of 83.33%. Decreasing the re-hospitalization rate will improve the confidence that the local hospitals have in our abilities to meet the needs of long and short-term residents. The implementation of new programs will increase census and raise revenue, The facility's quality measures have improved year over year, further solidifying our reputation with the hospitals, our primary referral base. The MCS Medicare Compare rating system continues to be a struggle, but the facility continues to meet NYS DOH Quality Measures designating it in quintiles eligible for additional reimbursement. The facility will use these notable achievements to foster provider relationships to poise for the future.
- Medicare rates are based on historical utilization under the new PDPM Reimbursement Model.
- Medicaid reimbursement rates increased to 7.5% from 6% in 2023.
- The projected occupancy rate is calculated and predicted using the 2023 and year-to-date census statistics.
- All other revenue amounts are based on historical information and reasonable projections. (Excludes COVID-19 effects)
- Overall, revenue projections were affective due to several factors: Increase in census days, increase in insurance rates based on the year-to-date average and an increase in private pay rates.
- The Intergovernmental Transfer Program (IGT) that benefits County Nursing Homes continues in 2025. The proposed budget reflects the anticipation that the county will be able to match IGT. The program will continue for the 2025 budget year and Management estimated \$3.4 million as anticipated revenues from the Program. The amount is subject to change based on revenue and expenses.
- Expenses reflect the continuing challenge of providing quality resident care and services in a facility with increasing staffing needs.
- Every vacant position continues to be evaluated before hiring to seek improved efficiencies and reduced expenses.
- Contractual expenditure increases were mainly impacted by the census increase.

Mission Statement

To provide an array of required rehabilitation services and programs designed to address issues of pain and debility, striving to maintain optimal functional levels. To implement programs to meet the many needs of the Community.

Description

The Physical Therapy Department provides evaluations and treatments that are designed to restore and maintain the physical functions that have been lost or impaired, such as the ability to walk or stand. Techniques used include gait and balance training, manual skills and therapeutic exercise. The Department also addresses the causes of pain, wound issues, and community re-entry concerns.

The Occupational Therapy Department provides treatment and training programs designed to restore and maintain residents' ability to function independently. These abilities include activities of daily living, self-care retraining, eye-hand coordination, strength and walk tolerance, range of motion, cognitive processing, and home skills. Treatments include the use of assistive and adaptive devices, orthotic and prosthetic devices, positioning, sensory stimulation, reality orientation, visual perceptual training, and therapeutic activities and exercises, activities of daily living/self-care retraining, and cognitive processing activities.

The Speech and Language Pathologist performs evaluations of hearing and speech disorders, as well as addresses concerns with swallowing dysfunction and diet management. Therapy may be recommended to improve communication of speech and language or to provide an alternative means of communication. In-services are provided by a licensed audiologist or licensed speech-language pathologist.

These therapies are provided through a contract with a third-party vendor.

The facility contracts with a Pharmacy that provides all necessary medications for each resident on a unit dose bases. Services also cover a monthly review by a pharmacist for policy review, resident drug review, survey of stock drugs, and handling of controlled medications.

The facility contracts with a dental agency to provide dental care to residents and in-service to the staff. A full dental office is maintained at Willow Point Rehabilitation and Nursing Center.

The facility contacts with Podiatry to provide care to residents and to support staff with education.

2024 Objectives

- Continue to proactively address the needs of the resident population to support maximum functional recovery and successful discharge where applicable.
- Engage with community services to provide a complete care plan to benefit our residents.
- Operate efficiently within budgeted appropriations to meet care and equipment needs.
- Continue to evaluate performance and opportunities under the new CMS Medicare Part A reimbursement model known as PDPM or Patient Driven Performance Model.
- Develop and implement programs that are driven to serve the needs of Broome County and Surrounding Community.

2025 Budget Highlights

- Increase in the expense budget is due to contractual agreements that are largely impacted on the increase in census.

Willow Point Rehabilitation and Nursing Center

Cleanliness and Safety

Mission Statement

It is the mission of Cleanliness and Safety to keep the building and grounds at Willow Point clean and in good operating condition. The goal is to provide the residents a safe and clean environment to live in.

Description

The Department of Public Works (DPW) has oversight of the Maintenance, Housekeeping and Laundry Departments at WPR&NC through a Full-Time DPW employee, the Facility Manager. The Maintenance Mechanics, under the Facility Manager's direction, are responsible for providing general and preventive maintenance for the physical plant, equipment, and grounds. The Maintenance staff is also responsible for upkeep of the facility-owned equipment including but not limited to beds, lifts, and wheelchairs.

The Housekeeping Supervisor oversees the Housekeeping Department and is charged with providing a safe and sanitary environment. The Housekeeping Department duties include all basic cleaning functions and custodial work provided by the Custodial Workers.

The Housekeeping Supervisor also oversees the laundry and Laundry Workers. They are responsible for laundering residents' personal clothing, facility curtains and draperies, and miscellaneous resident care items. Laundry also manages the contracted linen supply service.

2025 Objectives

- Look for the best ways to contain maintenance costs.
- Upgrade or replace old equipment and infrastructure that have reached the end of its useful life and repairs are more costly than the replacement.
- Strive for a deficiency free survey.
- Provide a clean and sanitary environment.

2025 Budget Highlights

- Increase in expense because CPI increase to contractual agreement and utilities.
- Funded the Assistant Housekeeping Supervisor for succession planning. The Assistant Housekeeping Supervisor process invoices for the department, yearend inventory and assists with scheduling.

Willow Point Rehabilitation and Nursing Center

Dietary

Mission Statement

The Dietary Division provides food service that meets the daily nutritional needs of residents and ensures that special dietary needs are recognized. The goal is to work with the food service vendor, Sodexo to ensure the food is served in a manner that is nutritious, appetizing, visually pleasing, and of sufficient variety to ensure resident satisfaction and maintain acceptable parameters of nutritional status. Consideration is given to food habits, preferences, ethnic groups, activities, and holidays.

Description

Food and beverage services are contracted with a third-party vendor Sodexo. Sodexo provides all related meals, supplements, and snacks to the residents. The kitchen is located at Willow Point and is staffed by Sodexo employees. Sodexo employees prepare and serve meals out of the Pantry's located on each floor. The Food Service Director works with Sodexo to ensure the mission and goals of service are achieved.

2025 Objectives

- Continue to work proactively with Sodexo to achieve a positive dining experience for all residents and strive for a deficiency free survey.

2025 Budget Highlights

- Increase in contracted services with Sodexo. Contract is based on cost basis and the increase in census has a direct impact of the increase in cost.

Willow Point Rehabilitation and Nursing Center

Nursing

Mission Statement

It is the mission of the nursing department to provide the highest quality nursing care for residents while recognizing that resident(s) and family are an integral component to the plan of care. We strive for a comprehensive interdisciplinary approach with emphasis on quality of care and quality of life, while assuring preservation of dignity, and independence for all residents.

Description

The Nursing Department is supervised by the Deputy Administrator for Health Care Services (DAHCS), who also serves as the Director of Nursing, a position required by NYSDOH. The DAHCS has oversight of areas where Nursing and other departments intertwine, specifically Minimum Data Set (MDS reporting), Staff Development and In-service Training, Infection Control, Wound Care, and Central Supply. The DAHCS shares Administrative On-Call duties with the Administrator.

Day-to-day supervision of the Nursing Department is handled by the Associate Director of Clinical Care (ADON). A primary duty of the ADON is the responsibility for all resident investigation(s) including follow-up and the mandated NYS Department of Health reporting for all reportable resident incidents/accidents. The ADON reviews & investigates all resident incidents and/or accidents to determine if an incident is reportable. Another primary responsibility for the ADON is the supervision of two staffing positions. These duties include but are not limited to scheduled time for nurses, CNAs, unit helpers, maintaining rotation schedules, approval of valid reasons for time off, participation in interviews, and review of nursing applicants. Evaluations and engagement in personnel issues of all nursing staff is another area the ADON has responsibility. At least one Registered Nurse is working in the facility 8-hours every day and is also available on-call the remaining time. Each nursing unit also has a manager with 24-hour responsibility; the Clinical Care Coordinators (CCC).

The Nursing Units, under the guidance of the Deputy Administrator for Health Services, provides leadership in resident care supervised by Clinical Care Coordinators. There are seven skilled nursing units in the facility. The Alzheimer's Dementia Unit is a secure unit. Another unit is designated to meet the needs of residents who are considered subacute. The professional nursing staff, in conjunction with the attending physician, nurse practitioner, family, and all disciplines implements plans of care for each resident. Staff duties include administering medications, treatments, maintaining infection control, monitoring, and documentation relating to the care of residents, and as mandated by State and Federal Regulations.

The Nursing Department employs RNs, LPNs, CNAs and Unit Aides. RNs and LPNs complete assessments and identify signs and symptoms of illness that may affect a resident's overall health. Medication administration and treatments are completed routinely and as needed. Care is designed to restore and maintain resident abilities and functions for quality of care and ultimately, their quality of life. Certified Nursing Assistants maintain daily records which provide the nurse with necessary information about the progress of the residents. Unit Aides support the objectives of the department in providing basic services for residents. The work involves performing a variety of helper tasks to assist the nursing staff.

The Staff Development Department is responsible for the orientation and continued education program for all employees. Various community resources and consultants are used for presentation of programs.

The Alzheimer's Dementia Unit provides specialized care to those residents with dementia who are experiencing memory loss, impairment of functional abilities, and loss of other cognitive skills. The goal is to maintain each resident at his or her highest practicable level of functioning for the longest period possible.

The Infection Control Department monitors all departments for infection control compliance. The department provides an ongoing employee health program, administers resident and staff flu vaccine, administers resident pneumococcal vaccine, and administers residents, staff, and volunteer Mantoux testing program. The department also reviews the Occupational Exposure Control Program and monitors compliance, oversees the administration of Hepatitis B vaccination program, and assists the employee in education regarding Infection Control issues, while maintaining documentation compliance.

The Sub-Acute Rehabilitation Unit is intended to address residents acutely impacted by a clinical event. Whether the need for services is for extensive nursing services or for rehabilitation services provided by physical, occupational, or speech language clinical staff, comprehensive care to ensure a positive outcome is provided to all participants. It is our express ambition to manage this unit in accordance with these guidelines to ensure that every resident of the Subacute Unit receives full attention and support throughout his or her recovery period.

The budget includes nursing positions necessary to meet the care needs of the residents as required by regulation. The amount of nursing staff scheduled to work on any given day is set by a historical standard that considers the care needs of each resident.

Nursing Administration along with the Administrator are developing a plan to implement Peritoneal dialysis as a service to provide for Willow Point Residents. Dialysis centers are a stable investment as there is a growing need for them.

2025 Objectives

- Make appropriate adjustments to implement a new Medicaid Case Mix Methodology, whatever the NYS DOH decides that shall be.
- Continue to maintain a 2 Star or higher CMS Rating, 2nd Quintile NYS DOH ranking and improve quality measures.

- Strive for a deficiency free survey.
- Continue efforts to reduce re-hospitalizations.
- Successfully implement changes necessary to accommodate and comply with the new Medicare reimbursement model, PDPM (Patient Driven Payment Model).
- Continue efforts to adequately staff the building, hire employees, and retain employees.
- Evaluate the healthcare needs of our County post-COVID-19 to determine how we can best support those needs with appropriate training and education.
- Build a strong training program with a new Director of Facility Education.

2025 Budget Highlights

- Added a new position Director of Facility Education.

Willow Point Rehabilitation and Nursing Center

Social Programs

Mission Statement

It is the mission of the Social Programs is to identify resident's psychosocial, mental and emotional needs along with providing, developing, and/or aiding in the access of services to meet those needs.

Description

The Social Work team is led by the Director of Nursing Home Social Services. The Director assists in providing leadership and guidance to three full time Social Work Assistants and one Discharge Planner. The Director of Nursing Home Social Services reports directly to the Administrator.

The Social Services staff supports residents as they adjust to living at Willow Point, their illnesses, or their disabilities. Additionally, they assist the residents to achieve the highest possible quality of psychosocial, emotional, and spiritual life by arranging for services to meet these needs.

The Therapeutic Recreational Services Department is directly overseen by the Director of Therapeutic Recreational Services. The Leisure Time Activities Leaders provide an ongoing program of activities designed to meet the interests and the physical, mental, and psychosocial well-being of each resident. These programs include large and small groups and one-on-one activities involving all ages, interests and abilities. The department is also responsible for the volunteer program, gift shop and the contract for hair care services.

2025 Objectives

- Enhance facility staff knowledge of social work services and how to create an effective system of referrals.
- Improve efficiencies in the discharge planning process to meet the demands of the short-term rehabilitation unit.
- Implement determination of capacity for all Willow Point Residents upon Admission to facility.
- Provide an ongoing program of activities that enhance the resident's lives by creating a blend of meaningful, stimulating and enriching an array of activity programming.
- Utilize the Memory Maker Project which is an art and culturally based program specifically designed to meet the needs of residents who have dementia or Alzheimer's Disease. This program will provide resident stimulation as well as facility exposure to the people and organizations affiliated with the program in the outside community.
- Develop new and meaningful activities that also align with core principles of infection control practices.

2025 Budget Highlights

- Social Services budget was changed and geared towards education.
- Increases are due to contractual obligation such as entertainment and cable TV services.
- Added expense for the Memory Maker project.

Mission Statement

BGM strives to be a regional economic partner providing our community convenient Commercial and General Aviation transportation services and modern facilities for passengers, businesses, and development.

Description

The Greater Binghamton Airport has provided for the air transportation needs of our community for over 70 years. It continues to be an economic driver for Broome County by providing jobs, services, and facilities for aviation and non-aviation uses. Additionally, the Greater Binghamton Airport is vital to the future economic growth of Broome County by providing necessary global connectivity and developable properties for business recruitment and expansion.

The operation of the airport is provided for in Article X of the Broome County Charter. The airport is regulated by the Federal Aviation Administration and the Transportation Security Administration under Title 14 of the Code of Federal Regulations, FAR Part 139 Commercial Aviation Airports; as well as various other state and federal authorities involving safety, environmental, and funding concerns.

The department maintains two intersecting runways, twelve taxiways, three aircraft aprons, (total pavement = 68 lane miles) and all required lighting/signage. The department also maintains; a 74,000-square foot passenger terminal, three large aircraft hangars, 20 T-hangars, a 7,500 square foot aircraft/rescue/fire-fighting facility, a 24,000-square foot maintenance building, a 70,000-gallon fuel farm, and an 8,000 AvGas Self-serve fuel farm. The department is responsible for the roadway serving the facility, water/sewer services along the entire line, and a total of 900 parking spaces in the public, car rental, and employee parking lots.

Delta provides scheduled commercial service with daily flights to Detroit (DTW). Aviation Department continues to seek additional air service options. The Commercial Airline activities are complimented by the following based groups; FAA Air Traffic and Facilities, the Transportation Security Administration, Civil Air Patrol, United States Customs and Border Patrol, two car rental agencies, ground transportation services, and National Weather Service.

2025 Budget Objectives

- Focus on minimizing financial impact to community as costs increase nationwide.
- Replace air service options by focusing on adding new routes with existing and new carriers.
- Provide increased services and opportunities for General and Commercial Aviation at the Airport by providing fueling and ground services expected at quality Airports.
- Continue our initiative focused on preparing designated airport property for aeronautical and non-aeronautical development.
- Refocus efforts towards both aviation related sources and non-traditional sources of revenue such as land development, terminal advertising, non-airline tenants.

2025 Budget Highlights

- Reduction of departments and condensing budget lines in overall budget as directed by Administration.
- Continued development of a new department and revenue stream in the FBO Department.
- Increased revenue from updated non-aeronautical leases for land and buildings at the Airport.
- Adjust revenues to account for flight changes and provided Aviation services by the Department of Aviation
- Increasing commercial aviation activities.
- Account for the Terminal Renovation Project outcomes for building changes during construction.
- Increased short term debt for the Terminal Renovation project and as a result increased County contribution to Aviation.
- Guiding the Aviation Department towards self-sustaining practices shown to be successful in other airport applications.

Public Works

Highway (County Roads and Road Machinery)

Mission Statement

Provide a highway road system to move people and goods throughout the county, in a cost effective, efficient, and professional manner to enhance community growth, economic well-being and quality of life.

Description

The Broome County Public Works Highway Division is located off Fallon Drive in Chenango Bridge, New York. The Division's facilities occupy 31,850 square feet, which includes: a maintenance shop, garage, storage area, and office space. The Highway Division is responsible for the routine maintenance, repair and snow and ice control of 343 center lane miles of highways and 108 bridges, with a span of more than twenty (20) feet.

2025 Objectives

- Continuation of the ongoing Surface Treatment Program on at least twenty-five (25) miles of County Roadways.
- Performance of routine maintenance (cleaning) on bridges and culverts five (5) feet in diameter.
- Continue rebuilding and re-grading shoulders and ditches along County Roadways to address drainage and maximize the lifespan of our County Roads.
- Continue maintenance of our guide rail system throughout our County Highway System.
- Continue removal of trees and other roadside hazards throughout the County Highway System.
- Continuation of the Division's Safety Training Program, as directed and working with our Risk Management Department.
- Work in conjunction with the Engineering Division regarding the replacement and / or rehabilitation of larger culverts on County Roads.
- Continue surface treatment of roads on a ten (10) year cycle.
- Provide responsible records for mandated programs (such as the County's MS4 program).
- Rebuild/Resurface various county roads as needed and as appropriations allow. Modern methods to include Cold In-Place Recycling, Cold Mix Paving, Hot In-Place Recycling, Mill and Fill Hot Mix Paving, Hot Mix Overlays, Crack Sealing, Micro Paving and Slurry Sealing, Oil and Stone Surface Treatments. To continue with the efforts of the Engineering Department on a current Pavement Maintenance (Preservation) Program.

2025 Budget Highlights

- Continue to provide safe travel on Broome County Roads, in a fiscally responsible manner.
- Plans to Rehab, Mill and Fill with Hot Mix Asphalt our Highway Departments Facilities.
- Remain educated with the latest technology available to increase efficiencies both on the Highway Department side and the Road Machinery side.
- Replacement and Re-Design our Highway Facilities Post Plant Building which has deteriorated over time as it is seventy (70) years old.
- Replacement of our heavy truck and equipment fleets as needed per condition and age of both.

Public Transportation

Mission Statement

To provide safe, clean, reliable, and affordable public transportation to the community in the most effective and cost-efficient manner.

Description

Mass Transit has over a 150-year history in Broome County. In 1968, Broome County assumed ownership and operation of transit services from the Triple Cities Traction Corporation creating the Department of Public Transportation (aka BC Transit) by County Charter, Article X of the Broome County Charter.

BC Transit currently operates the community's Public Transportation programs including Fixed Route (Transit), ADA mandated Paratransit Service (BC Lift), Elder Transportation (OFA Minibus) and Rural Demand Service (BC Country). By operating the Department of Public Transportation as an Enterprise Fund, the department generates its annual funding largely through Federal and State aid, and to a lesser extent, through ridership fare revenues.

BC Transit's main facilities are the Transit Center located at 413 Old Mill Road in the Town of Vestal and the Greater Binghamton Transportation Center (Intermodal) located in downtown Binghamton. The Intermodal facility leases space to Interstate Carriers Greyhound, Coach USA, OurBus, Flix Bus and Adirondack Trailways. The Department operates a network of 19 fixed routes and 2 Commuter Routes using the Intermodal as a central transfer point. The Fixed Route service operates seven days a week with extended hours into the evening and requires 38 buses at peak times. BC Transit maintains a fleet of 44 wheelchair accessible transit buses for Fixed Route service, providing just under 2.0 million rides while traveling over 2.0 million miles annually.

BC Transit services both the BC Lift (ADA) and OFA minibus transportation, providing rides for the disabled and elderly customers in the community's urbanized area. BC Transit also provides a rural transportation demand service program, BC Country, which combines with the BC Lift service for a total fleet of twenty-three 14-passenger vans and provides nearly 50,000 rides per year to all demand service users.

2025 Objectives

- To continue the transition to clean fuel electric and hybrid electric buses and necessary infrastructure. BC Transit had 4 hybrid electric buses delivered in 2024. 6 new battery electric buses should arrive in August of 2025 with another 7 to be purchased in late 2026 thanks to the award of competitive grant funding through the Federal Transit Administration.
- To maintain the highest standards for; safe and efficient field operations, FTA, ADA and NYS/DOT compliance, and sound fiscal management.
- To maximize State/Federal funds so county share of capital is 10% or less of all capital project and continue to pursue all competitive grant opportunities.
- Expansion of demand service applications in Broome County with a focus on Work/Commuter transportation.
- Staffing to accommodate growth in demand service and expanded hours of operation.

2025 Budget Highlights

- Continue fiscal responsibility regarding the use of the County's contribution to support BC Transit. County share has been lower in the last 3 years compared to pre-pandemic figures.
- Introduce a pilot bike share program for the greater Binghamton area.
- The battery electric bus fleet should begin serving Broome County residents in the fall of 2025, with the second phase of the project kicking off in 2025 as well. The second phase includes 7 additional buses, along with solar power and a battery electric storage system to help ensure that BC Transit's fleet will operate in all emergency or weather-related events in our area.

Office for Aging

Mission Statement

The mission of the Broome County Office for Aging is to improve and enrich the quality of life for all older persons residing in Broome County.

The Broome County Office for Aging:

- Promotes the dignity and independence of the older person.
- Ensures comprehensive and coordinated services are readily available.
- Encourages age friendly county wide planning.
- Fosters public awareness of the value and contribution of older persons to the community.

Description

The Broome County Office for Aging is one of 59 area agencies on aging in New York State. The agency is a dedicated focal point for information, advocacy, and coordination of aging services. Services are provided directly by the agency and through contracts with over 40 community organizations. Through several locations and programs, the Office for Aging annually provides services to 21% of the 60+ population in Broome County.

The Office for Aging services falls into five main categories.

- Access: Caregiver Counseling and Support, NY Connects, Information and Assistance, Elder Abuse Prevention and Outreach and *Senior News* monthly newsletter.
- In-Home Services" Case Management, Expanded In-Home Services for the Elderly, Home Delivered Meals, Shopper Program and Respite Services.
- Community Based Services: Health and Wellness Programs, Health Insurance Information, Counseling and Assistance Program, Legal Services, Senior Centers, Group Respite and Transportation.

2025 Objectives

- Continue to address needs in unmet areas of in-home services through creative solutions that aim to increase respite options to Caregivers and aide supports to older adults who reside in the community.
- Continue outreach efforts to reach those who are vulnerable and most in need of service. This includes older adults with language barriers and/or limited English proficiency and/or low literacy, persons with disabilities, those with a minority status, those who reside in rural areas, those who are frail, low income and/or isolated, LGBTQ+ older adults and those who are caregivers to older adults.
- Continue to encourage and increase the use of technology to improve older adults' access to information and access to online activities and programs to reduce social isolation.
- Continue to develop business cases to bring in additional revenue sources from Managed Medicare companies and continue to outsource skilled case management services.
- Continue to increase post pandemic programming at local senior centers to battle social isolation issues.
- Increase overall volunteer participation at the senior centers, in the Foster Grandparent Program and Group Respite program.
- Continue to work with local partners in addressing transportation needs within rural areas and to the urban core from rural areas.

2025 Budget Highlights

- The mortgage tax, Office for Aging's dedicated revenue stream, continues to be consistent and we have projected accordingly. The department is submitting a budget for 2025 that increases the net county support from 2024, while maintaining current service levels to the older population of Broome County. This was achieved by looking closely at each grant budget. Federal American Rescue Plan funding and stimulus funds have been expended and are no longer available.
- The suggested contributions for some of the services that OFA provides are going to be increased for 2025. This is due to the increased cost for the services provided.
- Our agency is expecting an increase in state Unmet Needs funding which will help offset the wage increases for the home health care aides who service our homebound clients. This funding will also help OFA to provide unique opportunities to clients such as home clean outs, laundry service and increase contracts with some vendors.

Social Services

Administrative Services

Mission Statement

The Administrative Services Unit of the Department of Social Services ensures the department's compliance with fiscal and operation policies dictated by the federal and state governments regarding claims and revenue. It is this department's goal to assist county government in understanding and pursuing the most advantageous use of our welfare funding.

Description

Administrative Services is responsible for a variety of functions. Including budget preparation, fiscal planning, accounting, security, operations management, resources, third party health insurance, and personnel as provided for in Article XVII (1) (a) of the New York State Constitution, and various sections, Title 18 of the New York State Code Rules, and Regulations.

2025 Objectives

- Prepare a budget that will meet the needs of our clients and be financially sound.
- Provide timely and accurate payments to clients and to providers on behalf of our clients in all program areas.
- Prepare monthly claims for state and federal reimbursement of program and administrative expenditures.
- Assist external auditors in their audit of department records.
- Maintain individual personnel files for all employees which includes personnel data records (PDRs), leave of absences and disability forms, bi-weekly payroll, and computerized sick and vacation records for more accurate and efficient record keeping.

2025 Budget Highlights

- Ongoing re-engineering effort to focus on efficiencies and cost reductions.
- Conduct a department wide imaging program to increase efficiencies and reduce dependence on paper files.
- Fiscal measurement reporting has been rolled out and will continue to be reviewed monthly.
- Document, update, and flow chart all financial processes to enhance departmental controls and optimize process efficiencies.

Social Services

Central Administration

Mission Statement

Staff Development

The Staff Development, Planning, and Volunteer Services Unit are committed to improving the organization through its employees and to provide services and resources that enable the organization to realize its goals. This division is results-oriented and focuses on continuous improvement in training, planning, and volunteer services.

Family Violence Prevention Council

The mission of the Family Violence Prevention Council is to reduce the incidence and severity of family violence in Broome County including child abuse and neglect, domestic violence, and elder abuse by developing and implementing a comprehensive, coordinated community program for preventing, as well as identifying, assessing, and treating all forms of family violence.

Operations

The Operations Unit is committed to providing quality service and support to the staff and customers of the organization. This unit focuses on continuous improvement in safety and environmental concerns for the organization.

Description

Staff Development

The Staff Development and Planning Unit are in Suite 203 on the second floor of the Main Street office and serve all employees of the department. The development and maintenance of the department's educational program is a major function of the unit. In addition to the specific duties performed by the unit related to training, planning, and volunteer services, the unit is considered the lead office for major initiatives such as process re-engineering, grant writing, organizational communication, and team facilitation.

Family Violence Prevention Council

The Family Violence Prevention Council office and staff are located on the third floor of the Thomas P. Hoke Human Services Building. There are approximately forty members of the Council and an additional group of volunteers that are members to the ten standing committees of the Council. Members of the Council serve a three-year term and the council meets at least six times per year. The function of the Council is to provide interagency collaboration, community and professional education, program development, and advocacy.

Operations

The Operations Office is located on the second floor of the Main Street office and serves all employees of the department. Operations include janitorial, maintenance, and courier and mail service, as well as scheduling and maintenance of the agency fleet for staff use in local and out of County travel. Operations tracks and maximizes fleet operations and monitors conditions for safety, security, and cleanliness. In addition, facility projects are coordinated with the landlord, the Department of Public Works, and vendors.

2025 Objectives

Staff Development

Training

- Provide mandatory training programs to all new employees.
- Maintain educational opportunities for employees through SUNY Broome and Binghamton University.
- Provide optimum uses of electronic communication options throughout the training curriculum.

Volunteer Services

- Maintain and/or increase the current level of volunteer service to the department.

Family Violence Prevention Council

The Council has five functions.

Interagency Coordination and Management of Cases

Provide interagency coordination to maximize institutional responses to family violence by encouraging and/or developing mechanisms to facilitate sharing of information among agencies and coordinating the management of cases.

Program Development

Encourage and support the coordinated development of programs and services to provide prompt professional crisis intervention, treatment, and prevention services for family violence. The council will review and assess community needs and develop and implement a plan to address those needs.

Training of Professionals

Facilitate early intervention in instances of suspected family violence by supporting and/or providing training for all professionals to increase their skills in identification/assessment, reporting/referral procedures, and appropriate responses.

Community Education

To facilitate the expansion, development, and implementation of education and public information programs designed to inform the community of critical family violence issues, heighten community awareness of resources available to prevent and treat family violence, promote community support for actions directed toward preventing, and responding to family violence.

Advocacy

To affect the formulation of local, state, and federal policy and legislation relating to all aspects of family violence including funding for programs.

The work of the ten committees focuses on these functions.

Operations

- Maximize the high level of fleet usage.
- Purge and destroy old documents and provide for high-density filing systems.

2025 Budget Highlights

Family Violence Prevention Council

- The Council will continue to increase its funding sources by providing members with advertising opportunities on projects shared throughout Broome County.

Mission Statement

Temporary Assistance

To determine initial and continuing eligibility for income-based cash grant programs, including emergency assistance, within statutory time limits and ensuring program integrity; to utilize diversion such as one-time cash assistance or referral to other programs or benefits. Enable recipients to achieve self-sufficiency by utilizing case management with the assistance of the Employment, Employability/Medical Review and Chemical Dependency Services units. Temporary assistance is administered under the authority of the New York State Social Services Law and Title 18 of the New York Code of Rules and Regulations.

Medical Assistance

To determine initial and continuing eligibility for medical assistance, within statutory time limits, responsively and accurately to facilitate self-sufficiency; to utilize third party health insurance and Medicare benefits; to maximize federal reimbursement through the utilization of federal categories; to involve eligible Medicaid recipients in managed care. Ensure level of care assessments and referrals for community placements or in-home services are provided in the least restrictive but most appropriate setting. Medical assistance is administered under the authority of the New York State Health Department Law and Title 18 of the New York Code of Rules and Regulations.

Supplemental Nutrition Assistance Program (SNAP)

To determine initial and continuing eligibility for SNAP, within statutory time limits, responsively and accurately; to refer appropriate food stamp recipients to the Employment unit for participation in employment programs to facilitate self-sufficiency; to increase participation in the program in line with New York State directives; to comply with additional New York State program initiatives such as e-filing, and other facilitated application services; to comply with current program requirements of Electronic Benefit Transfer and Home Energy Assistance Program (HEAP). SNAP is administered under the authority of the New York State Social Services Law, Title 18 of the New York Code of Rules and Regulations, and Title 7 of the United States Code of Rules and Regulations.

Employment

To assist nonexempt applicants and recipients of public assistance to achieve their maximum level of self-sufficiency through the provision of the services, training, education, case management, and supportive services needed to help them overcome barriers to employment and meet the mandates of federal welfare reform legislation. Programs include work experience, job search, educational training, and on the job training.

2025 Objectives

Establish the most efficient business processes to ensure our expanding caseload is well served at our current staffing levels.

Temporary Assistance

- Reduce the need for temporary assistance by assisting applicants in achieving self-sufficiency through diversion.
- Ensure assessment and participation of recipients in work programs through integration with the Employment unit.
- Ensure Temporary Assistance applicants are provided benefits in a professional, efficient manner within prescribed timeframes.

Medical Assistance

- Defray costs by maximizing other health care alternatives such as third-party insurance, managed care, Medicare, and community clinics.
- Attend community and educational meetings and trainings related to the New York State Department of Health changes to the Medicaid Program with community providers.
- Provide level of care assessments and appropriate placements for Medicaid recipients and in-home services in the least restrictive setting that meets the consumers' needs.

Supplemental Nutrition Assistance Program (SNAP)

- Increase client participation in the program as mandated by New York State directives including the Working Families Initiative and utilization of the "my benefits" state website.
- Maintain program integrity and statutory timeframes for case determination.
- Ensure compliance with all applicable regulatory requirements.

Employment

Monitor processes and work activities to ensure the agency is meeting participation rates mandated by state and federal legislation.

- Provide case management services to identify and address barriers to employment.
- Implement and monitor new policies for employable applicants and recipients to eliminate or reduce their need for public assistance.

2025 Budget Highlights

Temporary Assistance

- Divert 30% of new applicants to other resources to eliminate the need for Temporary Assistance.
- Refer 100% of new applicants to the FEDS/EVR process.
- Ensure timeliness of determinations for Temporary Assistance benefits to ensure they are within the New York State statutory time limit of thirty days from the application date.

Medical Assistance

- Make initial determinations for chronic care Medicaid within the state statutory time frames.
- Make initial determinations for SSI-related Medicaid within the state statutory time frame of 45 days from application date.

-

Supplemental Nutrition Assistance Program (SNAP)

- Ensure timeliness of determinations for SNAP benefits to ensure they are within the New York State statutory time limit of thirty days from application date.
- Review and process 100% of SNAP applications eligible for expedited service within seven business days.
- Bring error rate to state acceptable standards through enhanced quality control and staff training.

Employment

- Work with community agencies to expand and develop new work sites, projects, and job skills trainings for consumers.
- Enable 320 recipients to secure employment.

Social Services

Services

Mission Statement

The Services Division provides support, counseling, case management, and case planning to children, adults, and families whose health and safety are at risk due to abuse, neglect, maltreatment, or dysfunction.

Description

Whenever possible, services are provided to prevent out of home placement. If placement out of the home is required, the lowest level of care, that is appropriate, is sought for the shortest duration of time possible. Services are provided in accordance with federal and state mandates, laws, and regulations. Services include the following areas: child protective, adult and family intake, foster care, adoption, preventive, juvenile services including PINS Diversion, and purchase of service programs.

2025 Objectives

- Timely investigations by Child Protective Services (CPS) of all reports made to the State Central Registry.
- Continue to promote “Safe Sleep”, through community outreach and education.
- Continue to Increase the number of children placed in relative foster care, by prioritizing placement with relatives.
- Provide supportive and preventive services to families whose children’s health and safety are at risk to reduce the likelihood of out of home placement.
- Achieve timely permanency for all children in foster care.
- Provide services and referrals to victims of domestic violence through our partnership with Rise.
- Monitor performance improvement plans for child welfare outcomes.
- Monitor outcomes for the preventive partnerships with Binghamton and Whitney Point school districts (local share paid by school district), that places caseworkers in the schools.
- Continue to regularly review children’s foster care status and stays during Permanency Planning Review Team meetings.
- Open appropriate cases for on-going preventive services.
- Assess services along the Juvenile Justice continuum to provide the most intensive services to those most likely to go into placements.
- Promote and provide educational opportunities to lessen child abuse, elder abuse, and domestic violence.
- Continue to have placement meetings on all children being considered for placement in foster care.

- Continue the “kinship firewall” to assure all kin resources are exhausted before placement in traditional foster care.
- Continue the congregate care firewall to assure that children are placed in the lowest level of foster care.
- Continue to comply with Family First legislation including the requirement of QI assessments and Long Stayer Reviews for children placed in congregate care.
- With technical assistance from the Redlich Horwitz Foundation assess our array of Purchase of Services programs to ensure maximum utilization and that the community needs are met.
- Create a Multi-Disciplinary Unit within CPS.
- Increase the use of Family Assessment Response in CPS.

2025 Budget Highlights

- Continue to maintain congregate care at less than 12%.
- Increase kinship foster care placements to 50%.
- Maintain successful preventive programs at full capacity.
- Investigate 4,000 reports of abuse and neglect.
- Investigate 450 reports of adult abuse and neglect.
- Provide preventive purchase of service programs to those families in need.
- Continue the Family Assessment Response (FAR) in CPS.
- Free 30 children for adoption.
- Place 30 children for adoption.
- Increase KinGap placements.

Social Services

Support Services

Mission Statement

Master Control

Provide vital and diversified service to all divisions in the department.

Child Support Enforcement Unit (CSEU)/Support Collection Unit (SCU)

The Child Support Enforcement Unit (CSEU) and the Support Collection Unit (SCU) are responsible for establishing and enforcing support orders against legally responsible relatives, and on behalf of Temporary Assistance applicants/recipients, as well as for non-applicant/recipient individuals who make application for child support services. These units are also responsible for establishment of paternity for all children born out of wedlock for these applicants as well, as necessary. The CSEU also has a responsibility to secure a court order for third party health insurance on behalf of all children in receipt of Temporary Assistance and Medicaid only benefits. Additionally, the SCU has primary responsibility to collect, monitor, and enforce all support as ordered made payable through it by any court of competent jurisdiction.

Welfare Management System (WMS)

The Welfare Management System (WMS) Division administers local Department of Social Services electronic data processing and administrative systems. This division also coordinates the interface between the WMS, the Medicaid Management Information System (MMIS), the Electronic Medicaid Eligibility Verification System (EMEVS), the Electronic Benefit Issuance Control Subsystem (EBICS), the Client Notice System (CNS), and in the mechanism for issuance of the Common Benefit Identification Card (CBIC).

Additionally, the division maintains the overall responsibility for all Electronic Data Processing (EDP) procedures that affect the department, including maximizing the efficiency of the department by designing and implementing personal computer applications. Electronic Benefit Transfer (EBT) Electronic procedure that allows recipients the ability to redeem benefits directly from authorized vendors and ATM machines. The Welfare Management System is authorized under Title 18, Part 655.1, Chapter 2, Subchapter G, of the New York State Social Services Law.

Description

Master Control

This unit prepares Temporary Assistance, non-Temporary Assistance SNAP, HEAP and Medicaid applications assigning case numbers, and entering each one into the Master Control database. Master Control prepares statistical reports, orders and distributes state and local forms. Master Control is the records custodian for all active, ancillary, and closed Temporary Assistance, SNAP, HEAP and Medicaid cases. The unit also houses three scanning stations and is responsible to oversee scanning all temporary assistance openings and denials; Temporary Assistance Recertification and miscellaneous paperwork from TA Undercare. The Master Control staff is responsible for issuing benefit cards for Expedited SNAP and Temporary Assistance applicants and recipients. Staff are also responsible for greeting and directing visitors in our Main Street Waiting Room.

Child Support Enforcement Unit (CSEU) and Support Collection Unit (SCU)

CSEU: location of non-custodial parents (NCP), financial investigation of NCP, health insurance investigation, non-support and/or paternity petition preparation and filing, arrange (County provided) legal representation as necessary and appropriate, assistance with identifying and obtaining any and all supportive information or documentation, preparation of any and all other documentation as necessary, monitor and maintain case, update and re-investigate as needed.

SCU: Receive order of support from various courts, create and maintain support account, collect and disburse support payments, prepare and file non-payment violation petitions. Submits accounts for eligible enforcement processes, including but not limited to income withholding orders for immediate wage withholding, federal and New York State Tax Intercept, property execution, and revocation of driving privileges.

2025 Objectives

Master Control

- Provide ongoing records management for Social Services case documents.
- Provide support services for Temporary Assistance, Medical Assistance, and Non-Public Assistance SNAP case preparation and department-wide telephone support.
- Enter case numbers and corresponding information into the Master Control database.
- Scan Temporary Assistance cases as they close, or are denied, to aid in our space problem.
- Provide excellent customer service at the reception area of the Main Street waiting room as well as internal customers.

Child Support Enforcement Unit (CSEU) and Support Collection Unit (SCU)

- Increase total child support collections for 2025.
- Filling of existing staff vacancy's in both the SCU and the CSEU.
- Meet or exceed federal and New York State mandated performances measures through intensive review of cases identified by NYS's Department of Child Support Enforcement. Review of over 1,200 cases will result in additional petition filings for paternity and support, in addition to securing court orders for third party health insurance. Approval of overtime funding will assist in case review. Securing orders for child support and third-party health insurance are potential cost avoidance for Broome County.

Welfare Management System (WMS)

- Implement various applications including Connections and voice recognition software.
- Implement records imaging solution for the department.
- Develop Human Services Enterprise Network (HSEN) to fully integrate the state and local systems.
- Develop reports using the Sidney on SQL Server and COGNOS Impromptu.
- Process all applications and authorizations in data entry within a 24 to 36-hour timeframe.

2025 Budget Highlights

Master Control

- Provide case file management support for 18,000 Assistance Program applicants.
- Scan, index, commit, and quality control assurance for 200,000 documents annually.
- Greet and direct over 80,000 consumers annually to our Main Street Waiting Room.

Child Support Enforcement Unit (CSEU) and Support Collection Unit (SCU)

- Through full staffing, meet or exceed number of child support petitions filed in 2024, which will lead to an increase in child support collected.
- To increase the unit's Paternity Establishment Percentage (PEP) from 94.48% as of December 31, 2023 to 95% by December 31, 2025. The minimum federal performance standard for this category is 90.00%.
- Increase the unit's Support Enforcement Performance (SEP) to meet or exceed the minimum federal performance standard of 80%. Broome is currently at 92.37% as of December 31, 2023.

Welfare Management System (WMS)

- Provide 14,348 authorizations per month.
- Perform 287,000 transactions per month.

Social Services

Social Services Programs

Mission Statement

Promote self-sufficiency and assure the protection of vulnerable individuals. We strive to have an organization, which values the needs of the customers, the contributions of the staff, and the participation of the community. This vision shall be achieved through a culture, which encourages continuous improvement.

2025 Objectives

- Provide supportive transitional services, such as childcare, transportation, medical assistance and other benefits that enable recipients to increase and sustain their ability to maintain employment and become self-sufficient.
- Reduce the local cost of assistance payments through aggressive procurement of alternative benefits, diversion efforts, and enhanced FDS programs.
- Aggressively work with TANF recipients to ensure progress toward self-sufficiency during the five-year limitation.
- Reduce care days in foster care with emphasis on reducing congregate care and focus on placing children with relatives in kinship foster care where appropriate.

2025 Budget Highlights

- Savings in residential placements.
- Savings in Safety Net expenditures.
- Use of detention only when warranted.
- Monitoring Raise the Age placements.
- Reduced traffic in the lobby due to implementation of mobile document upload for submission of documents and telephonic interviews.

Veterans Services

Mission Statement

To provide counseling and assistance to veterans and their dependents by making them aware of federal, state, and local benefits and to assist preparing, presenting and aid in the prosecution of claims governed by the laws and regulations established by the Department of Veterans Affairs.

Description

The Veterans Service Agency renders a wide variety of services to an estimated 11,000 veterans and their families, of all wars and conflicts, as well as peacetime veterans. Service is also extended to active-duty servicemen and women and their families. Professional assistance and advice are given in the filing of applications for benefits under existing federal, state, and local laws and regulations. In addition, it is also a primary function of this agency to familiarize veterans and their families of the benefits available to them by the Department of Veteran's Affairs.

The Veterans Service Agency assists veterans and their families in applying for such benefits as service connected compensation, nonservice connected income based pensions, widow benefits, referrals for VA healthcare services, certification and replacement of Separation of Military Service Records, VA insurance benefits, VA Home Loan Guaranty benefits, Veteran's property tax exemptions, burial benefits, GI Bill entitlements, burial benefits to include memorial flags and government markers.

2025 Objectives

- Coordinate all veterans' groups, service organizations in Broome County and refer to county departments to maximize service to veterans and minimize duplication of services.
- Review nursing home cases to ensure veterans and their surviving spouses are receiving accurate VA pensions and entitlement to additional aid and attendance benefits.
- Fund indigent burials of honorably discharged veterans, as well as family members who have died without sufficient means to pay funeral expenses.
- Ensure all Honorably discharged veteran's graves have adequate flag holders, flags, and headstones.

- Provide professional counseling and make appropriate referrals for VA healthcare needs and behavior health evaluations.
- Assist veterans/dependents in applying, maintaining, and appealing adverse decisions.
- Expand services by conducting home visits to housebound veterans and dependents whose disabilities inhibit their ability to present for in office consultations.
- Participate in continual monthly and biannual certification training to maintain knowledge of current laws and regulations governing VA benefits.
- Review all VA rating decisions to ensure veterans and their dependents receive maximum benefits.

2025 Budget Highlights

- This year the Veterans Service Agency continued to promote quality of life programs by providing financial assistance to local veteran's projects including the Tier Tiers Honor Flight program and free tickets for veterans to attend local sporting events as well as supporting Cornell Cooperative Extension Veteran's Resiliency Project promoting wellness and nutrition.
- The Veterans Service Agency continues its partnership with the non-for-profit *ClearPathForVeterans* Organization in administering the Pfc Dwyer Peer to Peer Mentorship program to raise awareness and prevention of veteran suicide and to connect veterans with community services.
- Continue to partner with the Veteran's Coalition consisting of the Binghamton Vet Center, The Southern Tier Veterans' Support Group, and *StandWithMe* Service Dog training to identify veteran's needs and network with community organizations.
- In an historic announcement, the Broome County Veterans Service Agency will be relocating to a Veterans Resource Center currently under construction. This facility will service as a multifunctional center where veterans can receive numerous services under one roof.

Planning and Economic Development

Mission Statement

To enhance the quality of life in Broome County through balanced and sustainable economic, physical, and environmental planning for Broome County and its constituent municipalities. Provide technical planning and environmental services assistance to the County Executive, County Legislature and municipal jurisdictions and implement projects and programs designed to improve the economy, environment, and physical infrastructure of the County.

Description

The Department of Planning and Economic Development provides professional services to Broome County Government, its departments, and municipalities as well as to other public and private entities. The Department assists in land-use planning, zoning, grant writing, economic development, environmental planning, local land use reviews (GML 239), community assistance, GIS mapping, research, and infrastructure development. Advisory guidance is provided by the Environmental Management Council and BMTS Advisory Committee, and the Broome-Tioga Stormwater Coalition. We adhere to planning best practices in the areas of public participation and engagement to ensure that plans and policies reflect the needs of residents and local communities.

2025 Objectives

Comprehensive Plans, Studies and Technical Assistance:

- Continued update of sections of the Broome County Comprehensive Plan and related detailed studies, including a county-wide resiliency plan.
- Continue providing support and assistance to Broome County municipalities on local comprehensive plan development.
- Collaboration with County Departments for planning and implementation of efficient and resilient capital improvements.
- Conduct training and workshops for municipal officials.
- Work with municipal officials to coordinate 239 reviews, zoning, and subdivision reviews.
- Administer the Susquehanna Heritage Area program to protect and preserve our cultural resources.
- Continue to collaborate with Broome County Land Bank.

Economic Development:

- Initiation of County Arts and Culture Master Plan.
- Continue work in iDistricts in Binghamton, Endicott, and Johnson City.
- Collaboration with local municipalities on brownfield opportunity area projects, including grant for work in the Brandywine BOA.
- Implementation of broadband improvement efforts.
- Plan for modernization of infrastructure and services.
- Administer and market the Go All Out Broome campaign.
- Continue work through the Greater Binghamton Fund.
- Continue the effective collaboration with the Agency for economic development services and business assistance grants.
- Collaborate with economic development entities in the region for a continued coordinated approach to economic development.

Disaster Mitigation and Management:

- Ongoing maintenance of federally required five-year Hazard Mitigation Plan Update.
- Continued coordination with flood impacted communities through the Flood Task Force, flood mitigation grants and planning for flood resilience.
- Continue implementation of federally mandated Storm Water Management Plan and facilitating public education and participation for permit compliance.

Grants and Grants Administration:

- Effectively manage the Hotel-Motel fund to maximize its impact by leveraging the fund with other resources.
- Pursue state, federal, and other grant funding to meet County goals and objectives.

Agriculture:

- Implement the Agriculture Economic Development Plan.
- Continue to work with the Agriculture Task Force to support and expand farming in Broome County.
- Continue participation on and provide support for the Ag and Farmland Protection Board.

Environment:

- Initiate environmental assessments of brownfield sites.
- Focus on continued sustainability projects and initiatives as a bronze certified Climate Smart Community.
- Begin development of Sustainable Operations Action Plan to identify projects and funding for county operations and facilities to enhance efficiency and sustainability.
- Develop a comprehensive County energy plan for inclusion in the Comprehensive Plan.
- Implementation of the Local Waterfront Revitalization Plan and related projects.

GIS:

- Implement transition to updated ArcGIS software.
- Implement stormwater asset mapping strategy and explore other options for intermunicipal mapping coordination.
- Continue to expand the County's GIS capabilities.

Continue participation on the following Boards and Committees:

- Agriculture and Farmland Protection Board
- Agricultural Task Force
- BMTS Pedestrian and Bicycle Advisory Committee
- BMTS Planning Committee
- Broome County Community Health Assessment Steering Committee
- Broome County COVID-19 Recovery Task Force

Solid Waste Management

Mission Statement

Provide the community with an integrated program for managing solid waste in an economically sound and environmentally safe manner.

Description

Since its inception in 1989, the Division of Solid Waste Management has been responsible for County solid waste operations with the cost of operations financed by user fees.

Complying with changing state and federal regulations governing the solid waste industry, the Division of Solid Waste Management has effectively contained costs and remained economically competitive.

Landfill operations focus on maximum compaction of the waste resulting in the most effective use of airspace. Recycling goals are set by the New York State Beyond Waste Plan. As per regulations, the County has developed a Solid Waste Management Plan (SWMP) which is a ten (10) year plan that was updated in 2020. The SWMP outlines waste reduction, recycling and composting goals specific to Broome County.

A solid waste management system is a critical part of Broome County's infrastructure in supporting public health, safety and welfare in the County as well as providing present and future economic development potential. Safe, environmentally sound, and stable solid waste disposal is not only critical to the residents of this County, it is essential to commercial and industrial entities that would do business in our community.

The Division of Solid Waste Management oversees:

- Implementation of the comprehensive Broome County Solid Waste Management System.
- The County material recovery programs including waste reduction, reuse, recycling, and composting.
- The operations and maintenance of the County sanitary landfill and solid waste disposal facilities serving the entire County are located at the intersection of the towns of Barker, Maine, and Nanticoke.
- The implementation and management of all charges and user fees imposed by the County Legislature for solid waste disposal or handling.
- The coordination of all engineering services for solid waste management operations.
- The procurement, evaluation, and selection for the Legislature's consideration such firms as necessary to provide professional services in conjunction with County solid waste management programs.

- Public education and outreach to all County residents, businesses and schools.
- The Eco Center featuring a community giveback program and reuse of building materials to increase waste reduction and sustainability.
- Operate and maintain a permanent household hazardous waste facility to provide proper disposal of hazardous waste and electronics from residences and Conditionally Exempt Small Quantity Generators.

2025 Objectives:

- Administer the solid waste management system for our community.
- Manage landfill gas collection efficiently and effectively.
- Maximize the generation of electricity from the collection of additional landfill gas.
- Continue to investigate food waste composting opportunities in the region.
- Efficiently manage the hazardous waste facility.
- Manage the countywide recycling program and increase waste reduction efforts.
- Improve the division's comprehensive health and safety programs.
- Maximize compaction techniques used on the landfill to make the efficient use of airspace.
- Match revenue with expense.
- Operate our leachate treatment facility as efficiently as possible and continue to maximize the amount of treated leachate discharging into the sewer system.
- Manage ongoing O&M of landfill, its properties, programs and functions so that
 - The facility continues to follow all applicable permits and regulations, and
 - To ensure the health and safety of the public, the environment, and all landfill employees.
- Investigate future grant opportunities through the NYS DEC.
- Continue to support and foster product stewardship efforts.
- Promote the paper shredding event to provide secure recycling of residential documents.
- Promote the special event recycling bin loan program to increase recycling.
- Continue the Beautification and Environmental Stewardship Grant program.

2025 Budget Highlights

- Maintain residential programs such as the recycling drop-off, paint recycling, battery recycling, electronics recycling and hazardous waste program. The hazardous waste program has set days and hours when it is free where the other listed materials are always free during normal operational hours.

- Continue reducing leachate generation as a result of the reclamation project and continue to develop the 13 acres of reclaimed area as redeveloped landfill space.

Visions Veterans Memorial Arena

Mission Statement

To provide diversified entertainment to the community maximizing safety and efficiency.

Description

The Visions Veterans Memorial Arena is accounted for as a special revenue fund.

Located conveniently in downtown Binghamton, home of the Federal Prospects Hockey League Binghamton Black Bears, the Visions Veterans Memorial Arena continues to bring quality entertainment to Binghamton, NY. Aside from professional and scholastic sports, the Arena is also host to an array of other events, including concerts, family shows, ice shows, and trade shows. With its versatile seating of 4,910 permanent seats and 2,000 portable seats, the Arena truly is the area's premier multi-purpose venue.

2025 Objectives

- Continue our partnership with the Federal Prospects Hockey League Binghamton Black Bears.
- Improve concession operations to better suit fan experience.
- Increase the number of non-hockey events.
- Continue to provide a facility for community/scholastic events.
- Capital improvement request to reflect our need for additional professional equipment/facilities for a more diversified use.
- Reduce utility costs through mechanical system and control upgrades.
- Bring the facility and staff into compliance with current state and federal code requirements.
- Renewed focus on preventative maintenance and system repairs to reduce system down time and emergency repair costs.
- Continue to upgrade and improve the facility using state and federal grants when available.

2025 Budget Highlights

- Increased rental and fee revenue from non-hockey events.
- Increased cost to service mechanical systems to prevent major failures during events.

Forum Theatre

Mission Statement

To provide diversified arts entertainment to Broome County and surrounding areas as safely, efficiently, and cost effective as possible.

Description

The historically registered Forum Theatre is home to the Binghamton Philharmonic, Tri-Cities Opera, Broadway Theatre League, Binghamton Theater Organ Society, and various dance groups. Located in historic downtown Binghamton, this restored vaudeville house provides an intimate setting for these Broome County arts groups as well as other touring concerts and family shows. Built in 1919 with a seating capacity of 1,525, the Forum Theatre remains a central cultural facility for the region.

2025 Objectives

- Maintain a best-in-class performing arts theater.
- Continue to market the Forum for various shows and concerts.
- Complete yearly facility inspections.
- Address equipment repairs and replacement.
- Identify needed upgrades and improvements to the facility and develop a plan to complete the projects.

2025 Budget Highlights

- Continued marketing revenue through membership in the Fair Game Partnership.
- Required code and mechanical system improvements as identified.
- Capital improvement request to reflect our need for additional professional equipment and facilities to allow a more diversified use.
- Continue to upgrade and improve the facility using state and federal grants when available.

En-Joie Golf Course

Mission Statement

The En-Joie Golf Club is in business to provide its members and patrons with a very high-quality golfing experience. For over 50 years this golf course has hosted a professional golf tournament and will continue to do so for hopefully many years to come.

Description

En-Joie Golf Club is a municipal championship golf course nestled along the Susquehanna River in Endicott. En-Joie has been the focal point of golf in the Southern Tier and has a storied history within the golf community.

The golf course features 50 sand bunkers, numerous water hazards, bent grass greens and narrow tree-lined fairways that are sure to challenge any golfer. The facility includes an off-site practice driving range, large putting green, full-service restaurant and grill room, men's and women's locker rooms, and a professionally run golf shop.

En-Joie offers annual membership and is also open to the public. The golf course is typically open from early-April through late-November based upon weather.

The golf course hosts an annual event on the PGA Tour of Champions, the Dick's Open, which draws visitors to the area and viewers from all over the country. The 2025 golf season will begin a new 5-year contract for the Dick's Open.

2025 Objectives

- Provide an extremely relaxing and enjoyable environment for the game of golf.
- Promote the game of golf within the community.
- Provide superior customer service to all members and guests.
- Provide innovative and technically sound golf instruction.
- Offer new and appealing merchandise for sale to the public.
- Maintain the best conditioned and manicured championship golf course in the County.
- Host member, charity, corporate, and municipal outings.
- Continually improving goodwill and faith within the surrounding community.

Parks, Recreation and Youth Services

Administration

Mission Statement

The Administrative Division of the Parks, Recreation and Youth Services Department mission is to provide support services for the entire department. The Administrative Division interfaces with the County Executive, Legislature, Law Department, State and Federal agencies, municipalities, and the community.

Description

The Administrative Division is responsible for fiscal and personnel management, clerical support services, and staff support to the Parks, Recreation and Youth Services. The Administrative Division is also responsible for the Broome County Youth Bureau including interaction with numerous community-based groups, agencies, municipalities, and individuals. The Division works with the Youth Bureau Advisory Board and its various committees to support the youth of Broome County. The Administration provides oversight, leadership, and supervision to accomplish the Department's mission.

2025 Objectives

- Maintain a high level of service to the residents of Broome County.
- Increase funding through application of grants.
- Develop community partnerships through outreach to provide quality programming to Broome County.
- Develop a master plan for future vision and efficiencies.
- Continue to provide administrative support services to the entire department.
- Continually strive to look for ways to reduce operational costs while still providing safe and clean park facilities for public use with allocated resources.
- Administer the following grants:
 - New York State Snowmobile Trail Maintenance
 - Zoo, Botanical Garden, and Aquarium Grant
 - OCFS Youth Development Programs, Runaway and Homeless Youth Programs, Youth Sports and Education Opportunity Programs, and Youth Team Sports Programs
 - New York State SWIMS Lifeguard Grant (New in 2025)

2025 Budget Highlights

- Maintain a quality level of service, while operating within the confines of the budget.
- Increase in the revenue and expense lines as we anticipate covering the cost of Broome County Parks events with sponsorships.
- Increase in revenue and expense lines for the donation of benches and trees in the Parks.
- Maintain distribution of over \$600,000 in grant aid to Broome County Snowmobile Clubs, Cornell Cooperative Extension, and various Broome County Youth Programs and new in 2025 the New York State SWIMS Lifeguard Grant.

Parks, Recreation and Youth Services

Youth Bureau

Mission Statement

The Youth Bureau Division of the Parks, Recreation and Youth Services mission is to serve youth and families by promoting and encouraging the development of a comprehensive system of services to youth and their families through planning, funding, coordination, prevention, evaluation, and advocacy.

Description

The Broome County Youth Bureau was established by a resolution adopted by the Broome County Legislature on July 6, 1971. The Youth Bureau is responsible for distributing Office of Children & Family Services grant funds to local agencies that provide positive youth development, increase youth developmental assets, and decrease juvenile delinquency. Local agencies apply to the County (Youth Bureau) for grant funds. Applications are evaluated by the Youth Bureau Advisory Board and approved by the County Legislature and County Executive. The Youth Bureau then applies to the NYS Office of Children and Family Services and/or other sources for program funding and establishes contracts with the agencies. The Youth Bureau is also responsible for lead planning for youth ages 0-21 years old. The Youth Bureau is responsible for assessing the needs of the youth of the community and networking with other agencies concerning those needs and seeking programs to meet those needs and funding for the programs. The Broome County Youth Bureau strives to enhance the well-being of all youth in Broome County by advocating and promoting the best possible education, social, and career opportunities.

2025 Objectives

- Conduct a comprehensive needs assessment for youth.
- Lead the effort to define goals, gather data and develop a comprehensive continuum for runaway and homeless youth, including the implementation of a program for runaway/homeless youth under age 21.
- Monitor and evaluate all residential services provided for runaway and homeless youth under the age of 21.
- Act as lead entity in planning efforts for youth in Broome County including the assessment of local youth needs and the development of strategies to address those needs.
- Reevaluate the funding priorities to better match the needs of the Broome County youth.
- Select new NYS Governors Youth Council Applicants to represent youth in Broome County.
- Maintain funding sources for OCFS Youth Development Programs, Runaway and Homeless Youth Programs, including new funding for Youth Team Sports, and Youth Sports and Education Opportunity Programs.

- Promote education trainings for Youth Bureau staff, Board Members, and those serving youth in Broome County.

2025 Budget Highlights

- Maintain Youth Services Program costs to state aid support level without any funding cost to Broome County.
- Collaborate with the parks and outside organizations and agencies to provide youth programming in the summer months led by the Recreation and Youth Services Coordinator.
- Fund new programs through Youth Sports and Education Funding and Youth Team Sports Funding.
- Maintain New York State Office of Children and Family Services funding award of over \$490,000 to continue to fund the 29 youth programs supported through this grant.

Parks, Recreation and Youth Services

Parks and Recreation

Mission Statement

The Parks and Recreation Division of the Parks, Recreation and Youth Services Department mission is to develop, operate and maintain a comprehensive park system as well as provide diverse year-round leisure activities, recreational facilities and programs that enhances the quality of life for Broome County Residents and visitors alike, and preserves it for future generations. The Parks strive to deliver quality recreational facilities, inviting trails and open spaces using the most efficient and cost-effective methods available while providing for the safety and health of the patron.

Description

Broome County Parks is a regionally based parks and recreation system serving a population of roughly 197,000 people. This Park system consists of: Nathaniel Cole (317 acres) in the Town of Colesville, Dorchester (1,142 acres) in the Town of Triangle, Greenwood (415 acres) in the Town of Nanticoke, Grippen and Roundtop (46 acres) in the Village of Endicott, Hawkins Pond (307 acres) in the Town of Windsor and Otsiningo (150 acres) in the Town of Dickinson. This system also includes three beaches, a campground, cross-country skiing, swimming, boating, and many other leisure activities. Annually, approximately two million people use this system. The department is also responsible for Aqua-Terra (466 undeveloped acres) in the Town of Binghamton, the Greenlight Networks Grand Slam Park (softball fields) the Community Garden Plots in the Town of Dickinson, and the Forget-Me-Not Memorial Garden.

2025 Objectives

- Raise the visibility of the department through promotional literature, public service announcements, participation in public forums relevant to our mission, outreach to, and cooperation with, current and potential parks user groups, and other cost-effective means that are at our disposal.
- Plan and conduct the following special events:
 - Broome Bands Together Summer Concert Series
 - Broome County Parks 5K Series
 - Broome County Parks Trunk or Treat
 - Broome County Parks Scarecrow Contest
 - Broome County Parks Triathlon
 - Broome County Parks Winter Fest
 - Festival of Lights
 - Crappie Derby
 - Movies in the Parks
 - Broome County Parks Beach Bash

- Spiedie Fest and Balloon Rally

- Parks Photo Contest

- Facilitate maintenance of facilities through regular park inspections and consultations with Risk Manager.
- Provide education and training for staff within the department to develop added efficiencies and maintain safety.
- Continue to maintain all of Broome County Parks and facilities in a superior and sustainable condition.
- Enhance efficiency and promote cost-savings by forming partnerships with recreation groups, local municipalities, and other County departments.
- Maintain relationships with volunteer groups to assist in parks.
- Continue to partner with organizations needing community service projects (i.e., Boy Scouts, Girl Scouts, Eagle Scouts, BOCES, local high schools etc.).
- Develop new revenue streams to offset County support.
- Educate the residents of Broome County about the Parks Invasive Species Task Force and how they can help prevent and manage invasive species throughout Broome County.
- Regionally promote Greenlight Networks Grand Slam Park as the New York State Public High School Athletic Association Girls Softball Championship site location.

2025 Budget Highlights

- Increases in revenue and operational budget lines as we open the newly renovated Grippen Park and increase use and attendance.
- Increase in revenue related to ground rentals and concessions at Greenlight Networks Grand Slam Park after a very successful Fall 2023 and Summer 2024 season.
- Host NYSPHSSA State Softball Championships at Greenlight Networks Grand Slam Park.
- Addition of 2 new Park Technician positions and an upgrade of our 2 part-time Maintenance Worker positions to better serve the needs of our new facilities including Greenlight Networks Grand Slam Park and the newly remodeled Grippen Park.
- Increase in operating budget to purchase \$13,000 software to better manage field, court, and space rentals.
- Increase in overall attendance and camping, boating, and shelter revenues.
- Increase field rentals and events at Otsiningo North.
- Increase attendance and use at Otsiningo North Dog Park.
- Removal of the Public Works Clerk position and replacement with Park Office Assistant to better align with the current needs of this fast-growing department.

County Library

Mission Statement

To educate, entertain, and energize the Broome County Community.

Description

The Library provides information for economic development within the community. Materials in various formats are provided to assist individuals and businesses in effectively responding to the changing marketplace. Special attention is devoted to currency of small business materials.

The Library serves as the gateway to reading and early literacy for children and young adults. Consideration is given to stimulating interest and appreciation of reading through programming and collection development.

The Library is the source of free recreational reading and life-long learning for community residents. Emphasis is placed on providing a broad range of current fiction, non-fiction, and informational support in a variety of formats for all ages and reading levels. Programming classes and collection development tools are employed to meet the needs of this diverse community.

The Library houses a unique group of local history and genealogy materials, joining collections of the Library, Broome County Historical Society, Broome County Historian and City of Binghamton Historian. This allows researchers access to a wide range of materials on the history of the local Broome County area and family histories.

The Library strives to build partnerships with local organizations to better serve the community. The Library partnered with Catholic Charities and the Klee Foundation to provide two peer support counselors that assist in connecting patrons to social service agencies in the area. The Library partnered with the Public Defenders office to create a period pantry that supplies menstrual products for people in the community. The Library is working with the Health Department, Rural Health Network, and the Community Foundation to provide fresh produce to the community. These are just a few examples of community partnerships that the Library has fostered.

2025 Objectives

- Provide valuable research assistance, encourage reading in the community, materials searching support and youth literacy services to Broome County and the Four County Region.
- Provide quality services to the libraries in the Four County Library System.
- Implementation of our 2024-2027 Strategic Plan, based on a community needs assessment.
- Update Library collection for currency and relevancy.
- Continue to collaborate with local educational and non-profit organizations.
- Service groups and summer reading programs for children.
- Continue to obtain grant funding and seek partnerships from outside sources to increase services to the community.

2025 Budget Highlights

- Increased rental revenue, state aid, and city funding.
- Continue improving Library administration through the addition of an Assistant Director position.
- Increase collections budget to account for inflation.
- Improve communication with community through upgrades to the library website and an increase in the advertising and promotion budget.
- Continued resource sharing with the 42 libraries in the Four County Library System.
- Expansion of electronic resource materials.
- Maintain twenty-year-old facility in a safe and aesthetically pleasing manner.

Appropriations

Discretionary Salary Savings (6001011) offsets salary appropriations in operating departments by an amount typically unexpended due to attrition.

Advertising and Promotion (6004137) is the cost of advertising for the county's annual debt sale.

Other Program Expense (6004147) is the amount allocated to the Broome County Forum Theater.

Other Community College Tuition (6004182) is the cost of county residents attending other New York State Community colleges.

Contribution to Broome Community College (SUNY Broome) (6004183) is the county share of college operating costs. This is a transfer of resources to balance the Community College budget. The County Legislature adopts the college budget in June specifying the county's local sponsor share.

Accounting and Cost Allocation Services (6004500) are the unallocated costs associated with the annual cost allocation plan.

Justices and Constable Fees (6004535) are costs incurred by town courts operating outside of normal County Court hours. This account is administered by the Law Department.

Special Prosecutor Expense (6004542) are costs associated with paying independent prosecutors to avoid conflicts of interest for the District Attorney's Office.

Tax Advertising and Expense (6004585) is the cost of publishing tax delinquency.

Municipal Association Dues (6004586) are for membership in the New York State Association of Counties and National Association of Counties.

The Broome County Arts Council (6005000) is a private non-profit service organization funded by local contributors. It awards 90% of its funding to local arts and cultural institutions, organizations, and individual artists in Broome County. Other services include public advocacy for the arts, grants seminars, board trainings, arts promotion for economic development, educations and community building, public clearinghouse for events, grant and artist opportunities and referrals. This appropriation is funded by the county occupancy tax.

The Discovery Center of the Southern Tier (6005003) is a hands-on interactive children's museum, in Binghamton's Ross Park. The Discovery Center fosters play, sparks creative thinking, and builds self-esteem in children.

The Broome County Historical Society (6005015) promotes research of local history and genealogy through publications, exhibitions, and educational programs. This appropriation is funded by the county occupancy tax.

The Broome County Cooperative Extension Association (6005016) puts knowledge to work in pursuit of economic vitality, ecological sustainability, and social well-being. They bring local experience and research-based solutions together, helping New York State families and communities thrive in our rapidly changing world.

The Convention Bureau (6005022) is part of the Broome County Chamber of Commerce. It attracts meetings, conferences, trade shows and visitors to Broome County. This appropriation is funded by the county occupancy tax.

The Four County Library System (6005023) provides bookmobile service to thirteen communities, nursing homes and correctional facilities. It also provides delivery service to public libraries in the service area, allowing enhanced and efficient service. This appropriation is funded by the county occupancy tax.

The Southern Tier Zoological Society, Inc. (Ross Park Zoo) (6005025) provides a wide variety of exhibits, an outreach program via a Zoo-mobile, guided, and non-guided tours, educational programs, picnic facilities, a free carousel and special events. Opened in 1875, it is the nation's fifth oldest zoo. This appropriation is funded by the county occupancy tax.

Marketing/Economic Development (6005026) appropriations provide funding for various economic initiatives.

Roberson Museum & Science Center (6005038) is a destination for art, history, and science exhibits and programs located in Binghamton.

Small Community Grant Program (6005041) facilitates economic development and community growth with local governments and non-profit corporations.

GiGi's Playhouse (6005044) located in Johnson City, provides free educational, therapeutic-based and career development programs for individuals with Down syndrome, their families, and the community.

Unallocated Retirement (6008001) and Social Security (6008002) offsets these benefit appropriations in operating departments by an amount typically unexpended due to attrition.

Unallocated Employee Benefits includes certain retiree health insurance (6008009).

Transfer to Grant Fund (6009002) supports the Broome County Landbank.

Debt Service

General Fund

Definition

This department (91000099) accounts for appropriations to pay principal and interest on debt issued to benefit activities accounted for in the General Fund. It includes debt service for Broome Community College. Debt service related to projects undertaken for the New York State Courts System is a county responsibility and included here.

Bond and Note Issue Expense appropriates the costs associated with issuing debt for the entire county. These include bond counsel legal advice, and financial advisor services.

Principal and interest amounts for serial bonds and bond anticipation notes are presented separately.

Other Financial Services are MBBA costs associated with a 2010 borrowing and ARRA Debt Reimbursement is federal aid revenue that is associated with the same issuance.

Interfund Transfers

General Fund

Definition

This department (92000099) accounts for the resources transferred from the General Fund to support operations accounted for in other funds.

Governmental operating fund budgets must be balanced, with estimated revenues equal to appropriations. Transfers to make the funds balanced appear as required tax support in the Summary by Fund.

Inter-fund transfers are appropriations in the General Fund and estimated revenues in the funds to which resources are to be transferred. Because of this doubling effect on both appropriations and estimated revenues inter-fund transfers are not included when calculating the total of the county operating budget.
