

Year 4 Recap: June 1, 2024 – May 31, 2025

Our Early Care and Education Coordinator partnered with Family Enrichment Network to provide physical activity training to 2 daycares!

Our Food Service Guidelines Coordinator worked with Rural Health Network and Cornell Cooperative Extension to improve nutrition access with 24 food venue sites!

Our Physical Activity Access Coordinator and TCPH worked with various community partners to improve safety and accessibility in 5 areas across Broome and Tioga Counties!

Our Schools Coordinator brought professional development opportunities to Whitney Point staff, increasing movement in the classroom and BT BOCES worked to improve nutrition in the schools they served!

As a whole, the CHSC Team presented at 1 national conference, joined 10 committees/coalitions, and spoke with hundreds of community members... all aimed at improving the health of Broome and Tioga County residents!

Thank You to Our Subcontractors!

We want to thank our Year 4 subcontractors again for all of their hard work! We wouldn't have been able to have such a large impact on our community without our various partners across Broome and Tioga counties. Check out some of their accomplishments:

BT BOCES, RHN, & CCE: Taste tests of local and healthy food in schools.

TCPH: Sensory Hallways in elementary schools.

CCE: Raised garden beds for local food pantries.
