1. Welcome and Introductions

2. BOAC & Health Department Updates

Broome County Health Department:

- Toxicology Reports:

- A workflow for toxicology reports is being done so the Health Department can get the results. Mary is working with the law department to move this forward.

- The Accidental Injury and Death Review team (AIDR):
 - Marissa attended a national conference and presented on the work Broome County has been doing. There was valuable information learned from other Opioid Fatality Review teams across the US.
 - There will be an RFP for a Facilitator to facilitate the team. This will be sent out to the listserv and posted to the BOAC webpage. The anticipated release will be in March
- Opioid Settlement Funds:
 - There will be an RFP released next month. This will be found on the BOAC and HD webpages, social media, and sent out via listserv

3. Strategic Plan discussion

- Please take the survey: <https://forms.office.com/g/0mwhzhtapM>
- We invite you to join us at 8am for light refreshments and lunch will be provided.
- Karel Kurts-Swanger will be our facilitator!
- The strategic planning session will be ONLY in person. Please RSVP by

Next Meeting moved to Wednesday, March 29th from 8:00am-12:30pm at the Broome County Health Department for an in person Strategic Planning Session
