Camp Hope for Kids offers healing and support

"My son is so much more open now. We can laugh & cry & share our memories."

- Mother of a Camper

Camp Hope for Kids is a day camp for children

and teens who have experienced the loss of an immediate family member such as: a parent, guardian, grandparent, or sibling.

Children ages 6-14 are welcome to participate in this specialized day camp. The activities offered in the camp provide opportunities for learning, healthy grieving and hopeful living. Our caring staff will offer guidance and support. Campers will also participate in Healing Circles, a support group that gives opportunities for each child and teen to share their stories, get to know each other and learn ways of coping.
