

# 2-Day Intensive Kinesthetic Learning Professional Developments

Join us for a dynamic two-day workshop that brings math and literacy to life—through movement! Discover play-based strategies that make instruction more engaging, effective, and inclusive—especially for students who struggle with traditional methods.

## Upcoming Trainings:

March 26 & 27

May 7 & 8

June 4 & 5

Time: 9:00 AM - 3:00 PM

Location: The Math & Movement Learning Center  
40 Catherwood Road, Ithaca, NY 14850

Target Audience: K-5 Educators and School Administrators  
Scholarships available!

## What You'll Learn

- Kinesthetic techniques to build math and literacy skills
- Trauma-informed, SEL-aligned methods to boost focus and confidence
- Strategies to support diverse learners, including those with ACEs
- Practical approaches to make learning stick

## What You'll Receive

- Positive Affirmation stickers
- Math & Movement Training Manual and multiple ebooks
- Hands-on experience practicing methods with students
- Grant support for kinesthetic learning tools for your classroom
