Chairwoman, County Administration Committee

Dear Chairwoman O'Brien:

I'm pleased to report that the Ad Hoc Committee on Redistricting of the Broome County Legislature recently concluded its work and has made a formal recommendation to the Legislature's County Administration Committee and Legislature for consideration.

Over the course of many weeks in November and December, members of the Ad Hoc Committee worked diligently and met publicly via videoconferencing on eight occasions, including hosting a public hearing on proposed draft maps. Relevant documents were posted on the Legislature's website throughout the process so members of the Ad Hoc Committee, Legislators and the public had easy access to information.

The work of the Ad Hoc Committee members was ably supported by the staff of the Legislature, the GIS Administrator and the County Attorney.

I'd like to take this opportunity to thank each member of the Ad Hoc Committee on Redistricting of the Broome County Legislature for their significant investment in time and effort throughout this process. While the members did not always agree on every topic that was discussed, all members treated each other with respect and were able work through each issue in a constructive manner.

I'd also like to specifically thank the County's GIS Administrator Doug English for his assistance which was critical in in developing draft maps as well as County Attorney Bob Behnke for his counsel in advising the Ad Hoc Committee on legal considerations.

The work of the Ad Hoc Committee could not have been successfully completed its charge without this technical assistance and the assurance that the Committee recommendation is compliant with applicable laws.

Please find the attached Recommended Map 3 as approved by the Ad Hoc Committee and note that this letter and the attached map signify the conclusion of the work of the Ad Hoc on Redistricting of the Broome County Legislature.

Sincerely,

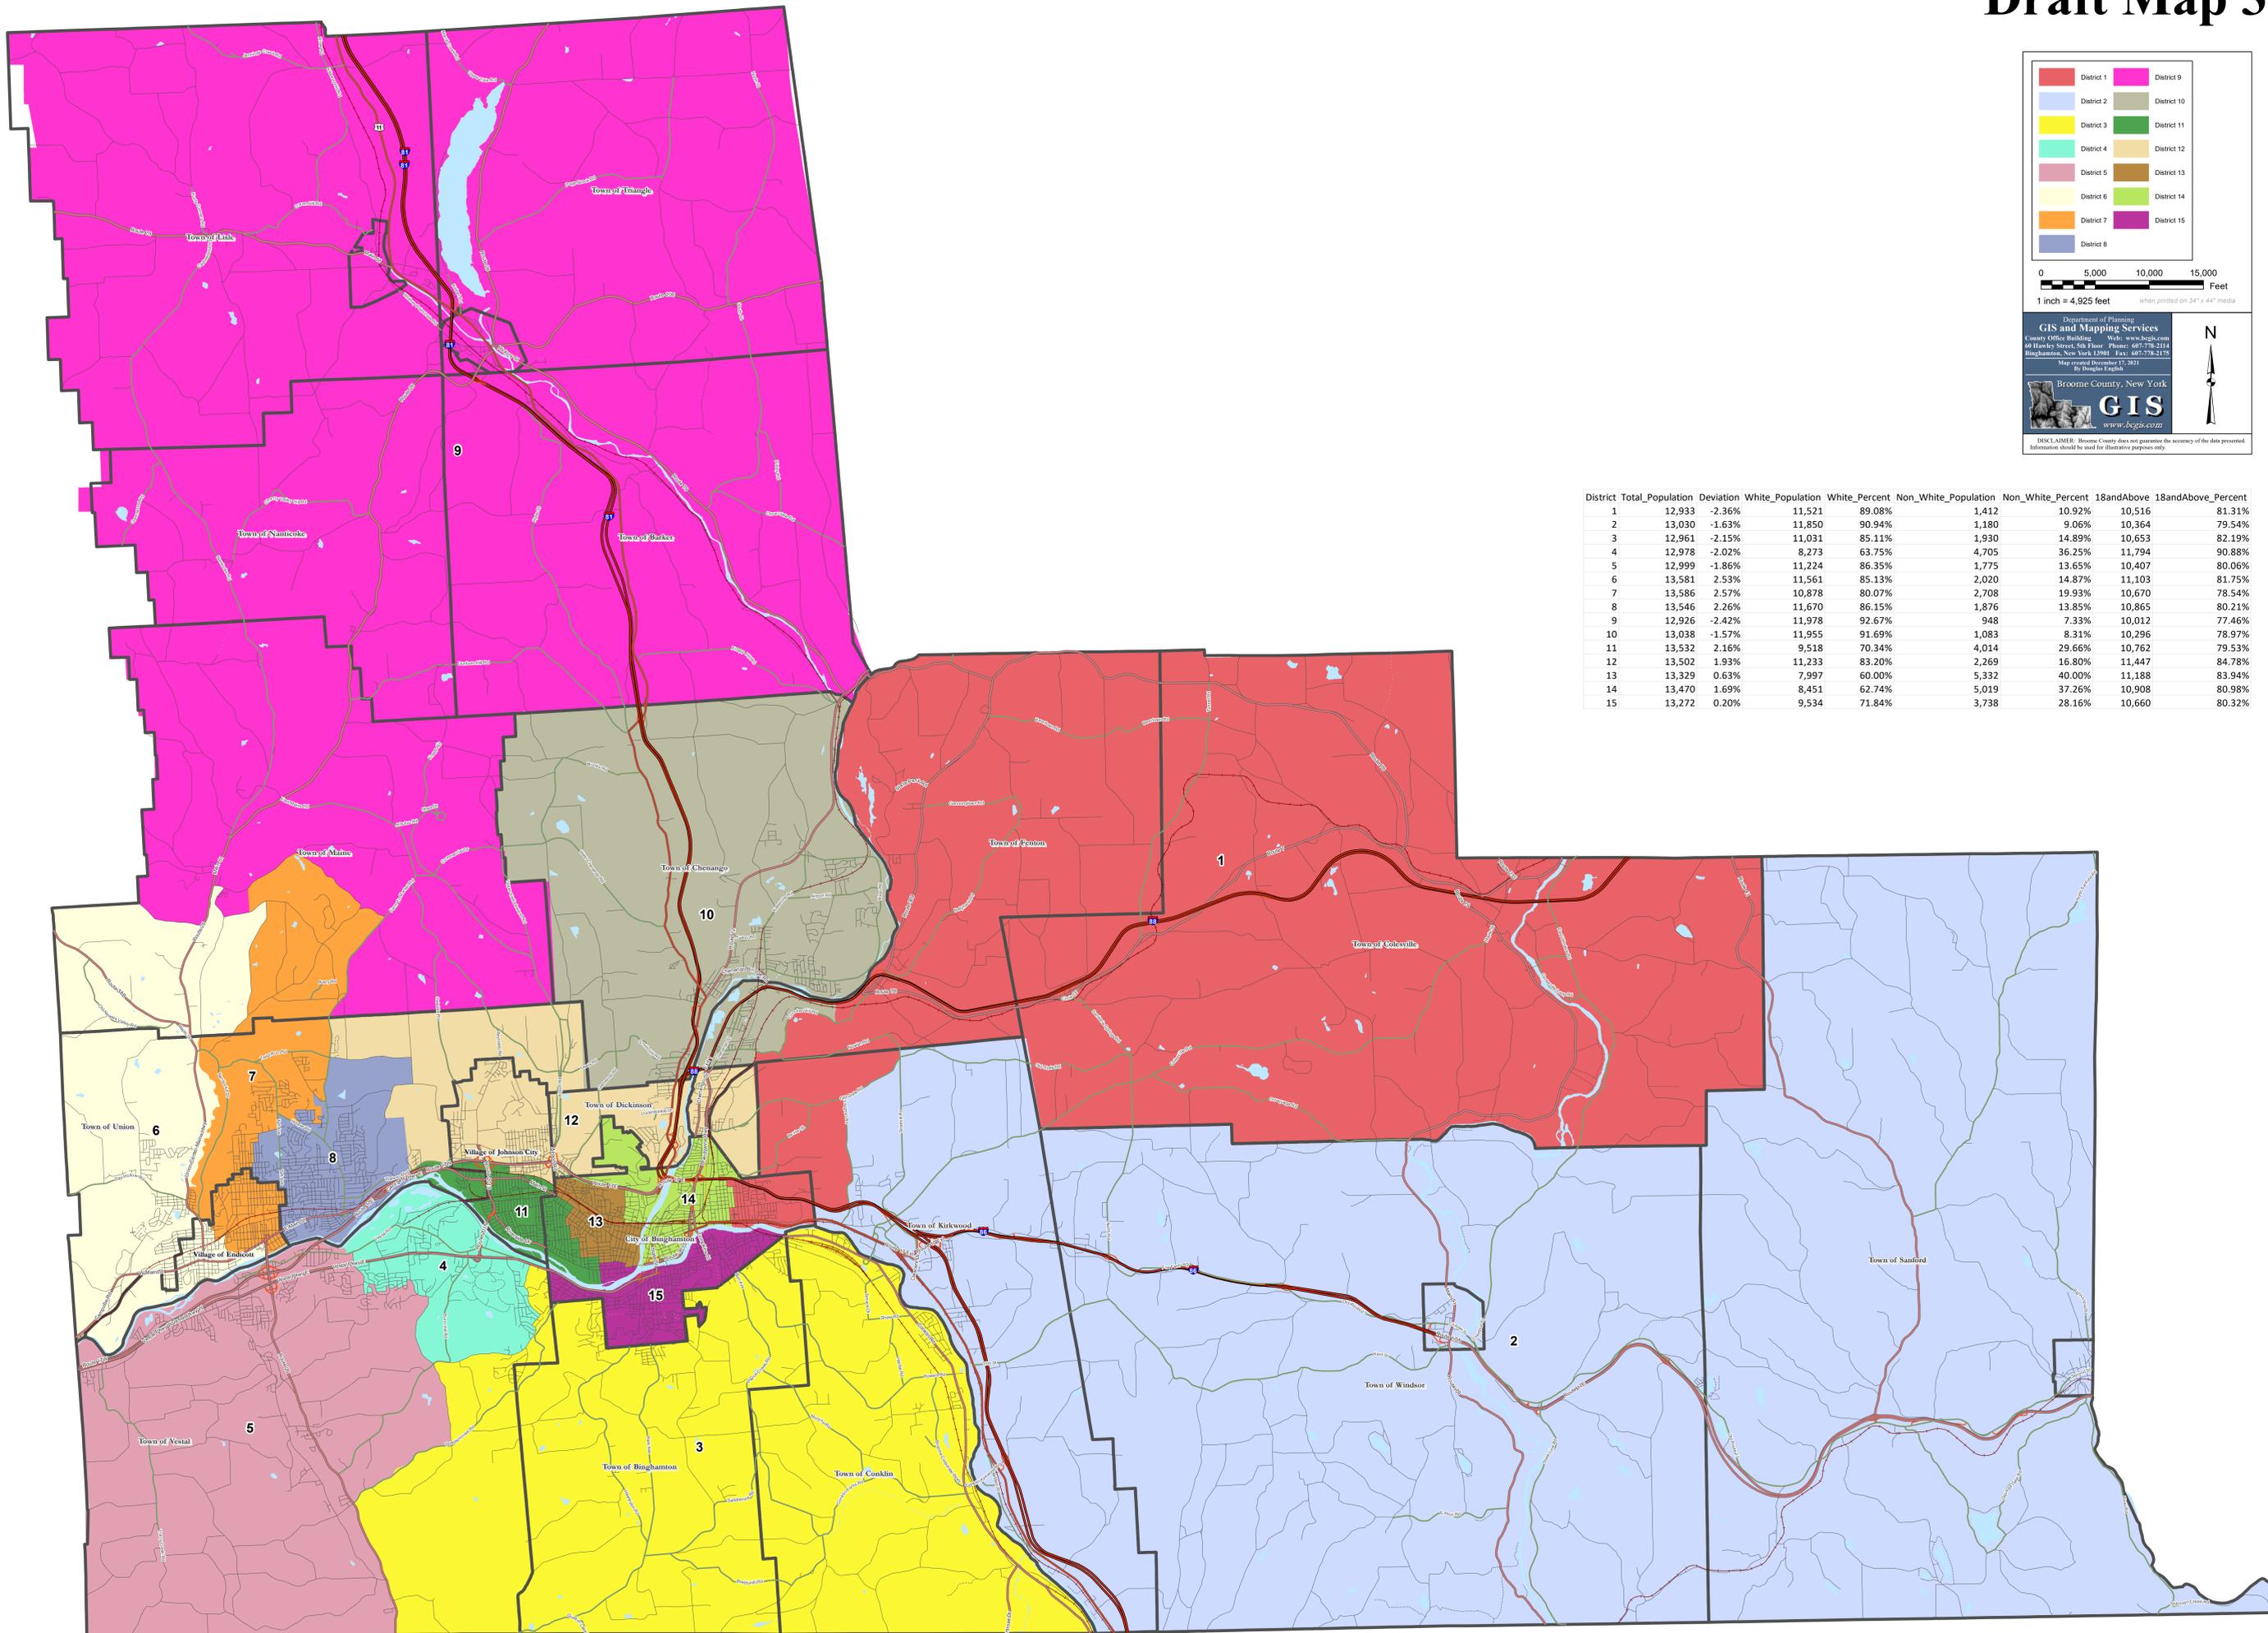

Daniel J. Reynolds, MPA, RHU

Ad Hoc Committee on Redistricting
of the Broome County Legislature
