The Ad Hoc Committee on Redistricting meeting was called to order by the Chairman at 5:24 PM. The Committee took the following action with regard to the matters before it:

There were several discussions regarding the GIS Redistricting Map App, the process and deadline for submitting draft maps, approval of committee minutes, the public hearing date, and next meeting date.

The following are the action items that came out of the meeting:

- Ad Hoc Committee members were reminded that the submission deadline for draft maps is Thursday, December 16th at 5:00 PM. Submission should be made by Committee members and include the .MAP GIS file, a PDF of the proposed map, and the population deviation table.
- All draft map submissions will be acknowledged by staff, a copy will be sent to Committee members, they will be posted on the County Legislature's website, and hard copies will be printed through GIS and made available in the Legislative Conference Room.
- If the .MAP files aren't submitted with the two additional files, staff will contact the submitter and ask that they provide all files, but failure to include the PDF and table is not a material defect and those maps will be considered by the Committee, which will make the ultimate decision on each map.
- Mr. Dan D. Reynolds made a motion, which he withdrew to approve the previous meeting minutes.
- All meeting minutes will be forwarded to Committee members for them to review prior to the next meeting, where they will be approved. If there are any changes necessary, please contact the staff with your requested corrections.
- Staff are available to help Committee members with the app or submitting maps.
- The next meeting will be Tuesday, December 21st at 5:15 PM with the same Zoom meeting info.
- The Committee's public hearing will be held on Monday, December 27th at 5:15 PM. Zoom details will be forth coming.

There being no further business to come before the Committee at this time, a motion to adjourn was made by Mr. Whalen, seconded by Mrs. O'Brien. The meeting adjourned at 6:04 PM.
