Responding to a concern Mr. Shaw heard from constituents, Mr. Camin stated that they have brought on a new staff member to their development team to work on the accessibility of the County website to make it easier for residents. One goal of this is to bring organization to the County's websites with the cooperation of Department Heads.

There being no further business to come before the Committee at this time, a motion to adjourn was made by Ms. Beebe seconded by Mr. Wildoner. The meeting adjourned at 4:11 PM.
