EXHIBIT A

Broome County Public Transportation – Rules of Conduct for Transit Vehicles, Facilities and Properties.

Article I. Introduction

Broome County Public Transportation vehicles, facilities and properties are intended to provide public & mass transportation services for the benefit of Broome County Transit and its subsidiaries, its employees, Contracted Carriers, Lessees, affiliated organizations, and the public.

Broome County Public Transportation, as referenced throughout this document, refers to Broome County Transit (BCT) & subsidiaries; Broome County Rural Transportation & BC Lift paratransit (Demand Services), the Transit Center (413 Old Mill Rd., Vestal, New York), the Greater Binghamton Transportation Center (GBTC) intermodal facility (81 Chenango St, Binghamton, New York) and associated stops, shelters, and related facilities.

The provisions of this section set forth the power to make rules and regulations governing the conduct and safety of the public in the use and operation of the transit facilities of Broome County Transit, its' subsidiaries and at BCT hosted events.

The following Rules of Conduct for BCT Transit Vehicles, Facilities, Properties, hosted events, and transit related activities ("Rules of Conduct") are established by BCT:

1. To promote safety; and
2. To facilitate the proper use of the transit facilities, transit-related activities, and hosted events of the organization and its subsidiaries; and
3. To protect those transit facilities and properties, hosted events, BCT employees, customers, and other persons present at BCT facilities or events; and
4. To assure the payment of fares and other lawful charges for the use of their systems.

The use of Public Transportation in Broome County is considered a privilege available for fee to members of the public in accordance with guidelines set forth in this document. Failure to comply with BCT's Rules of Conduct can result in sanction(s) and exclusion.

Article II. Definitions

Within the Definitions section, Broome Count Transit (BCT) included several terms which are later utilized within Article III. Prohibited Conduct:

These Rules of Conduct may be amended or added to, from time to time, at the sole discretion of BCT in accordance with law. These Rules of Conduct are intended to regulate conduct occurring on BCT transit vehicles, within, or upon BCT facilities and properties, including the Transit Center, and transit related

activities of BCT, including BCT hosted events, and with respect to transit-related activities of BCT in connection with BCT's provision of public transportation services.

The Broome County Executive, with oversight from the Broome County Legislature, has adopted these Rules of Conduct to maintain public transportation services that are orderly, safe, secure, comfortable, and convenient.

The Rules of Conduct consist of four separate articles:

Article I—Introduction; Article II—Definitions; Article III—Prohibited Conduct; and Article IV—Enforcement.

Unless otherwise provided herein, reference to the phrase "Rules of Conduct" shall collectively include Articles I through IV.

If any one or more of the provision(s) in the Rules of Conduct shall be declared by any court of competent jurisdiction to be contrary to law then such provision(s):

2. Shall be deemed separable from the remaining provisions in the Rules of Conduct; and

B. Exclusion from Service

Except as provided in BCT's Rules of Conduct (Article IV, Section B, 4 – Immediate Refusal or Removal), BCT employees shall not continually refuse service to anyone who has not been formally excluded from BCT service pursuant to the application of BCT's Rules of Conduct or a court order.

1. Basis for Exclusion

Engaging in prohibited conduct under Article III shall be cause for excluding a person from the privilege of entering and using all or any part of BCT transit vehicles, facilities, properties—including the GBTC Transit Center, and/or BCT hosted events, and/or the used of transit-related activities of BCT—for a period as determined by BCT based on the number of violations in a period of five (5) years, and/or the severity of the violation(s).

2. Notice Procedure

The BCT Commissioner of Public Transportation, or his/her designee, shall give written notice, by personal delivery, certified mail, or regular U.S. mail, addressed to the person's last known address to any person to be excluded from BCT transit vehicles, facilities, properties, and/or BCT hosted events or denied permission to use the transit-related activities of the BCT. The notice shall specify the reason for exclusion, nature, places and duration of the exclusion, the effective date of the exclusion, the appeal process, and provide the person an opportunity to respond in person, by telephone or in writing, to the proposed action within five (5) business days of actual or constructive receipt of the notice by the person being excluded.

Exclusion shall commence on the second business day after actual or constructive receipt of the notice by the person being excluded unless the person has timely requested an administrative review of the notice. In the case of administrative review, the BCT Commissioner of Public Transportation, or his/her designee, shall review the exclusion and shall render a written decision determining whether exclusion is warranted, within five (5) business days from the date of the person's request for review. The written decision is sent by personal delivery, certified mail, or regular U.S. mail addressed to the person's last known address.

If the BCT Commissioner of Public Transportation, or his/her designee, determines that exclusion is warranted, such exclusion shall commence and be effective upon actual or constructive receipt of the written decision by the person to be excluded.

3. Constructive Notice

Receipt of a notice is construed to have been accomplished if the person knew or reasonably should have known from the circumstances that he/she is excluded from BCT transit vehicles, facilities properties, and/or BCT hosted vehicles or the use of BCT transit-related activities. Receipt of a notice is also presumed to have been accomplished three (3) business days after the notice was sent by personal delivery, certified mail, or regular U.S. mail.

4. Immediate Refusal or Removal

The notice procedure described in Article IV, Section B, 2 above will be inapplicable if, in BCT's discretion, immediate conditions exist that:

- a. Pose safety or security risks; or
- b. Interfere with or impinge on the rights of others; or
- c. Impede the free flow of the general public; or
- d. Impede the orderly and efficient use of BCT transit vehicles, facilities, properties, and/or the orderly, safe and efficient conduct of an BCT hosted event and/or the functioning of BCT transit related activities; or
- e. Otherwise interfere with or seriously disrupt BCT's transit related activities.

In such immediate conditions, persons engaging in prohibited conduct under the provisions of Article III may be immediately reseated, refused transportation, or removed from BCT transit vehicles, facilities, properties, and/or BCT hosted events or the right to utilize BCT's transit-related activities. The notice and administrative review provisions of Article IV, Section B 2 are only available to persons immediately refused transportation or removed from BCT transit vehicles, facilities, properties, and/or BCT hosted events and/or the use of BCT transit-related activities for periods of thirty-one (31) calendar days or more.

5. Refusal to Comply

The refusal to comply with an order excluding a person from BCT transit vehicles, facilities, properties, and/or BCT hosted events and/or the use of BCT transit-related activities, shall be grounds for arrest and prosecution.

6. Length of Exclusion

The following suggested exclusion lengths are guidelines to be used by BCT in determining the duration of a particular exclusion under the provisions of Article III and/or the severity of the violation(s). The duration of exclusion is determined by the number of violations committed over a period of five (5) years.

BCT reserves the right, however, to impose an *exclusion of greater length for any violation where the severity of the violation warrants it, even if it is the first violation.*

- **First violation = seven (7) or thirty (30) days exclusion**
- **Second violation = thirty-one (31) or (60) days exclusion**
- **Third violation = ninety (90) days exclusion or permanent ban**

7. Appeal Procedure

The following appeal process shall be provided to any person excluded from BCT transit vehicles, facilities or properties for a period of thirty-one (31) days or more. Not later than ten (10) calendar days after commencement of the exclusion, an excluded person may appeal in writing to the Broome County Attorney or his/her designee, for de novo review (a new review) of the exclusion. Commencement of the exclusion shall be defined as the date upon which the exclusion became effective and shall be determined by BCT's official records. The appellant may request a hearing or may request review without a hearing based on a written statement setting forth the reasons why the exclusion is invalid or improper. If the excluded person is unable to respond in written format, BCT will make reasonable accommodation to allow due process. The County Attorney and/or designee, shall convene a Hearing Panel comprised of three (3) persons selected as follows:

1. The Manager of Transit Operations or designee;
2. The Manager of Transit Maintenance or designee;
3. A person selected from the BCT staff or Broome Security by the Commissioner of Public Transportation or designee.

The County Attorney, and/or designee, with advice of the members of the Hearing Panel, shall render the final decision.

The Hearing Panel shall hear the appeal—or if no hearing is requested, review the matter based upon the record—and render a written decision within twenty (20) calendar days after the receipt of the appeal. The decision of the Hearing Panel shall be final.

8. Hearing

If a hearing is requested, the hearing shall be held within twenty (20) calendar days after receipt of the appeal, and a written decision shall be rendered within twenty (20) calendar days after the hearing.

Exclusions shall not be stayed during the appeal process. If an appellant requires public transportation services to attend the hearing, the appellant shall contact the BCT Commissioner, or his/her designee, five (5) business days prior to the hearing date, and BCT shall make arrangements to provide the necessary public transportation services for the appellant.

9. Other Laws Not Limited

The enforcement of Article IV herein is not intended to limit, in any manner, the enforcement of any applicable federal, state or municipal laws, provided BCT is not authorized to assist a patron or employee in enforcing a court order prohibiting or restricting contact with any other person other than to notify appropriate law enforcement personnel via BCT's Radio Control/Dispatch or Security.

10. Liability

Nothing in Article IV herein shall create a duty to any person on the part of BCT or form any basis for liability on the part of BCT, its officers, agents, or employees. The obligation to comply with Article IV is solely that of any person entering and using BCT transit vehicles, facilities, properties, and/or BCT hosted events and/or using BCT transit-related activities and BCT's enforcement of Article IV is discretionary not mandatory
