The Finance Committee meeting was called to order by the Chairman at 4:30 p.m. Mr. Baker made a motion to move the agenda, seconded by Mrs. O'Brien.

The Committee took the following action with regard to the matters before it:

1. Recommended Changes to the County Executive's Proposed Budget  
There were no changes recommended.  
Mr. Flagg offered the following statement to present to the full Legislature:

*After careful review and consideration of the County Executive's proposed budget, the Finance Committee has decided to recommend no changes. We support the programs and initiatives that are funded in this proposal. We have some reservations as to whether or not all of the revenues that support the proposed plan will actually come to fruition due to the pandemic. The Budget will have to be carefully monitored as 2021 unfolds and we will be ready to work with the County Executive and Director of Management and Budget to take quick remedial action should that be warranted.*

There being no further business to come before the Committee at this time, a motion to adjourn was made by Mrs. O'Brien, seconded by Mr. Baker. The meeting adjourned at 4:49 p.m.
