

LOCAL LAW PERMANENT 2, 2014
LOCAL LAW INTRO. NO. 9 Of 2013

"A Local Law Amending Chapter 179 of the Broome County Charter and Code Regarding Operating Regulations and Fees and Charges for Residential and Commercial Users"

BE IT ENACTED, by the County Legislature of the County of Broome as follows:

Section 1 §179-9 Fees and charges

A. Landfill charges

- (2) Commencing January 1, 2014 the following charge{s} will apply at the County Landfill:
 - (a) Vehicle weight and vehicles load billed at \$45 per ton; a portion of said fee shall be dedicated to a fund payable to the host communities of the landfill to be divided among the host communities as set forth in the Host Community Benefit Agreement dated December 1996.
 - (b) Entrance into a contract agreement guaranteeing a minimum of 30,000 tons deposited annually at the Broome County Landfill will be billed at \$40 per ton.
- (3) The following separate charges will apply at the Broome County Landfill:
 - (d) Leaf/yard waste, tree trunks and stumps.
 - [1] Leaf/yard waste at \$20 per ton
 - [2] Tree trunks and stumps with a diameter greater than 8 inches at \$45 per ton.
 - (e) Glass aggregate.
 - [1] In-County sources that are cleaned and screened to 3/8 inch or less may be accepted at \$10 per ton for use in various applications as a substitute for traditional aggregates.
 - (j) Asbestos.
 - [3] Nonfriable asbestos: \$45 per ton.
 - (k) Waste-to-energy incinerator ash: \$17 per ton to be accepted under the direction of the Deputy Commissioner of Public Works for Solid Waste Management, who may enter into agreements with vendors and/or brokers as necessary and appropriate in order to receive this material as alternative cover for the landfill, and provided the processor(s) furnish(es) documentation showing the ash to have been tested and to be in compliance with applicable Department of Environmental Conservation requirements and/or the Environmental Conservation Law.
 - (l) The following separate charges will apply to Recycling bins at the Broome County Landfill:
 - [1] Yellow curbside recycling bins. All haulers will be charged a service fee of half the current cost per bin except for those haulers utilizing the County contracted Recycling Facility.
 - [2] Specialized thirty-two gallon recycling bins; as per current pricing conditions.
 - (n) Construction & Demolition Debris.
 - [1] Construction & Demolition Debris: \$45 per ton.
 - [2] Reusable construction and demolition materials \$20 per ton; as deemed acceptable and reusable

by the Division of Solid Waste for distribution through the material reuse program.

- (4) Commencing January 1, 2014, the following separate charge shall apply at the Broome County Landfill:
 - (a) Contaminated soils which can be used as an alternative daily cover, as appropriate, to ensure environmental health and safety: \$27 per ton.
 - (b) Contaminated soils which are accepted for disposal and buried at the Broome County Landfill: \$45 per ton.
- (5) Commencing January 1, 2014. The following charges shall apply at the hazardous waste facility located at the Broome County Landfill:
 - (a) Residential waste from Broome County residents: [no charge]
 - [1] On collection days: free
 - [2] Non-collection day: \$5.00 per car load
- (6) Commencing January 1, 2014, the following separate charge shall apply at the Broome County Landfill:
 - (a) Stabilized sludge from municipal wastewater treatment facilities located in Broome County: \$40 per ton.
- (7) Commencing May 1, 2002, the charges set forth in §179-9 shall be waived for a one-day period per annum, per municipality within the County of Broome, to allow for municipal cleanup days.
 - (a) Eligibility for this program shall be limited to Broome County municipalities and properties of the Broome County Land Bank.
- (10) Commencing January 1, 2014, the following separate charge shall apply at the Broome County Landfill:
 - (a) Industrial waste from facilities located in Broome County: \$45 per ton.
 - (b) "Industrial waste" means solid waste generated by manufacturing or industrial processes.

Section 2

§ 179-14 Disposal of solid waste; recycling.

A. Designation of facilities; flow control.

- (1) The County Executive (Executive) or his designee, which designee must be an officer or agent of the county, is hereby authorized and directed to designate, by written statement, from time to time, one or more solid waste management - resource recovery facilities to be used for the disposal of solid waste generated, originated or brought within the County of Broome, which designation may include a determination that a particular solid waste management - resource recovery facility shall be the only facility used for the disposal of solid waste generated, originated or brought within all of, or a described area within, the County of Broome or by a particular person or persons. Such written designation of a facility shall be filed with the Clerk of the Broome County Legislature and shall become effective within 60 days of filing, unless rescinded or modified by appropriate resolution of the Broome County Legislature.

B. Handling of recyclables.

(1) General provisions.

- (c) Broome County drop-off areas or stations shall be for the sole use of residential users. Commercial generators shall not make use of these facilities. Unauthorized commercial use of drop-off areas or stations shall be considered a violation of Article III of this chapter pertaining to dumping.

- Section 4 §179-34 Reporting to the Deputy Commissioner.
- A. All waste haulers, and any other person or entity that collects, transports and/or markets recyclables, must maintain monthly records of all recyclable material. These records must include the following:
 - C. Each waste hauler shall retain for no less than five years the records and documents required pursuant to this article and shall make such documents available upon the request of the Deputy Commissioner or law enforcement officers.

Section 6 This Local Law shall become effective upon filing with the Secretary of State.
