**RESOLUTION URGING GOVERNOR ANDREW CUOMO TO SIGN THE PUBLIC DEFENSE MANDATE RELIEF ACT (S.8114/A.10706) INTO LAW**

WHEREAS, it is a fundamental right of all persons in the United States to be represented by counsel in all criminal prosecutions; and in the case of Gideon vs. Wainwright, 372 U.S. 335, the United States Supreme Court ruled that persons who were unable to afford counsel had a constitutional right to be defended by an appointed attorney paid by the State, and

WHEREAS, New York State Senate and Assembly have passed historic legislation entitled the Public Defense Mandate Relief Act (S.8114/A.10706) which will require New York State to reimburse counties for expenditures made fulfilling the state's obligation to provide representation for those financially unable to afford counsel commencing incrementally in 2017 and reaching 100% in 2023 and thereafter, and

WHEREAS, the Public Defense Mandate Relief Act (S.8114/A.10706) will give the Indigent Legal Service Office the authority "to adopt, promulgate, amend or rescind rules and regulations to carry out the provisions of [Executive Law 832], including to (i) ensure the presence of counsel at the first appearance of any eligible defendant charged with a crime, (ii) establish caseload/workload regulations for attorneys providing mandated representation, and (iii) improve the quality of mandated representation", and

WHEREAS, the Public Defense Mandate Relief Act (S.8114/A.10706) also requires that the various counties and New York City receive an amount equal to the amount paid from the Indigent Legal Services Fund to the counties and NYC in March 2010, and

WHEREAS, New York State has entered into an agreement to settle the Hurrell-Harring vs. State of New York class action lawsuit and has begun to expend substantial amounts of State funds to create a more equitable and Constitutional system of representation in only the five settlement counties and creating an unequal system of justice in the remaining counties of the State, and

WHEREAS, by entering into such agreement and funding additional services in only the five settlement counties, the State acknowledges that it is constitutionally required to fund public defense services and to fund Initiatives to improve the quality of public defense, ensure representation at arraignment, implement caseload standards for providers of indigent legal services, and implement statewide standards for determining eligibility for mandated representation, and

WHEREAS, requiring counties to finance the State's obligation to provide public defense services imposes a significant uncontrollable financial burden on counties dependent on real property taxes to fund needed services and subject to a State-imposed tax cap that would be remedied under the Public Defense Mandate Relief Act (S.8114/A.10706) as passed by the New York State Senate and Assembly, now, therefore, be it
