BROOME COUNTY SHERIFF'S OFFICE

PRESS RELEASE

May 6, 2021

On Thursday, May 6, 2021 at about 12:05am members of the Broome County Sheriff's Office responded to 559 Caldwell Hill Road in the Town of Lisle for a report of a house fire. Upon arrival of law enforcement, they found a mobile home fully involved with fire. Several local fire departments responded to battle the blaze. When the fire was knocked down, firefighters located the homeowner inside deceased. She was identified as 71-year-old Sharon Humiston. Deputies contacted her next of kin and notified them of her status. A postmortem examination was conducted earlier today and it determined Humiston died by asphyxiation due to carbon monoxide inhalation. The Broome County Bureau of Fire Investigation responded to the scene investigate the cause and origin of the fire. Their investigation is still open and pending, however, no foul play is suspected.
