On January 14th, Eddie's family reported him missing, with the Broome County Sheriff's Office actively investigating his disappearance for the past two weeks.

Zane Rouhana, Eddie's son, released the following statement on behalf of the Rouhana family:

“Many know him as Adib or Eddie, but we know him as Dad. We are heartbroken to share that our father has been missing since January 11th. Adib has been part of this community for the last 30 years. He has helped countless people not only find a car, but find a job, find friendship, and find a sense of community.

He is a kindhearted man who cares so much about doing what is right for others and making sure people find joy in life. Most importantly he is an amazing father of 5 children and a pillar of a very loving family. We are desperate for any information, no matter how small it may seem, that could help find him and bring him home.

We ask the community that Adib has helped for so long to please come forward and help us. If you have seen or heard anything that might help in locating Adib, please reach out to the Sheriff's Office. Any detail could be crucial. We would like to put forth a \$20,000 reward for direct information that leads to Adib's whereabouts.

Our family is doing everything we can to stay hopeful. Your help is invaluable.

Thank you to the Sheriff's office and the team working on the case around the clock, and thank you to the community for your support, love, and understanding during this difficult time.”
