

Good Load

Tie down with rope, bungee cords, netting, or straps. Tie items directly to your vehicle **including large items** like appliances and garbage cans. **Cover your load** with a sturdy plastic tarp or net. Think about what would happen to your load **if you had to stop suddenly** or swerve. Put **lighter weight things** at the bottom of the load and **don't overload** your truck bed or trailer.

Bad Load

If your load is **NOT** inside a vehicle or trailer, covered with a tarp and tied down with ropes, straps, or a net, you have an **UNSECURED LOAD.**

Landfill staff are required to charge you an uncovered load fee of \$20. You will receive a tarp & 4 bungees.
